Subject: H-2B Cases Covering Multiple States
Attachments: FY22_Cases_Additional_Worksite_States.pdf; FY22_Cases_Additional_Worksite_States.xlsx

I have previously raised issues with DOL and DHS concerning the lack of national recruitment for H-2B Job Orders authorized under the supplemental cap.

I want to particularly call your attention to 1,195 Job Orders in the FT2022 Disclosure data covering 40,553 workers.

Attached is an analysis of those H-2B Job Orders for employment in multiple states. It is particularly critical that these jobs are reopened for multi state recruitment not just at the initial Job Order initiating SWA.
