Re: OIRA Meeting Request Regarding Tobacco Product Standards for Menthol in Cigarettes (RIN 0910-AI60) and Characterizing Flavors in Cigars (RIN 0910-AI28)

Dear Administrator Revesz:

Altria Client Services (“ALCS”), on behalf of Philip Morris USA Inc (“PM USA”) and John Middleton Company (“JMC”)¹ has a 30-minute teleconference scheduled with the Office of Management and Budget’s (“OMB”) Office of Information and Regulatory Affairs (“OIRA”) on December 7, 2023, at 10:30AM EST.

We understand that there is a chance that the rules under consideration at OMB (RIN 0910-AI60 and RIN 0910-AI28) may be returned to the U.S. Food and Drug Administration (“FDA”) before all stakeholder meetings have occurred (currently scheduled through January 11, 2024). We believe we have critical information and data to provide OMB as part of its review. If there is a chance that the rules will be returned to FDA before our scheduled engagement on December 7, please advise on how best to submit the substantive information and analyses that we believe are important for OMB to consider in its review of FDA’s rules.

If you have any questions, please call me at (804) 335-2034.

Sincerely,

Greg Wilson
