# Welcome to Independence Blue Cross

We are happy to have you as an Independence Blue Cross (Independence) member! Our goal is to make it easier for you to get the care you need and manage your benefits.

This Benefit Booklet will help you understand your coverage so you can take full advantage of your health plan and become familiar with the benefits, services, and resources available to you.

You will find valuable information about:

- How to select a primary care physician (PCP)
- What services are and are not covered by your health insurance
- How decisions are made about what is covered
- How to use our member website, [ibx.com](http://ibx.com)
- How to get in touch with us if you have a problem

If you have any questions, call Customer Service at the number on the back of your member ID card and we will be happy to help.

Thank you for being a member of Independence. We look forward to providing you with quality healthcare coverage.

## QUESTIONS?

Log in at [ibx.com](http://ibx.com). You can also call the number on the back of your member ID card or **800-ASK-BLUE (800-275-2583) (TTY: 711)** to speak to a customer service representative.

# Introduction to your health plan

## What is a primary care physician

You have a Keystone Health Plan East HMO health plan, which means you and your covered dependents are required to select a primary care physician, or PCP. Your PCP is the doctor who will treat your general health needs and coordinate your care by providing referrals, when necessary.

All network providers are required to provide coverage 24 hours a day, 7 days a week, either in the office or by on-call/answering services. However, you may also choose to use an alternative, such as virtual care, urgent care, or retail clinic.

When you need to see a specialist, such as a cardiologist or dermatologist, your PCP will refer you to an in-network doctor. Note: Referrals are not needed for some services, including gynecology, mammograms, behavioral health, and emergency care.

In addition, your PCP has designated providers for lab services (e.g. blood testing), radiology (e.g., X-rays), and physical and occupational therapy. You will need to visit those providers when you need any of these services.

## How to choose or change your PCP

There are two ways to choose or change your PCP:

**Online:** Log in at [ibx.com](https://ibx.com), our easy-to-use secure member website. Click the My Care option at the top, and then My Provider Information. You will see a button to choose or change your PCP.

**Phone:** Call **1-800-ASK-BLUE (TTY: 711)** and one of our Customer Service representatives will help you update your PCP.

## Using your member ID card

You and your covered dependents will each receive an Independence identification (ID) card. We recommend keeping your ID card with you, as you will need to present it when you receive care. Your ID card contains information such as what you will pay when visiting your doctor, specialist, or the emergency room (ER), as well as your PCP's contact information.

You can also log in at [ibx.com](https://ibx.com) or using the IBX mobile app to view a digital version of your ID card or print a copy.

When you receive your ID card, call the toll-free number on the removable sticker to confirm you received it.

## Get connected

When you confirm receipt of your member ID card, you will also be given the option to sign up for texts and emails from Independence. If you opt in, you will receive messages about health plan notifications, maximizing your benefits, and member-exclusive discounts and savings. Visit [ibx.com/getconnected](https://ibx.com/getconnected) to learn more.

## Locating an in-network doctor or hospital

You have access to our expansive network of doctors, specialists, hospitals, and other health care providers. Search for an in-network provider by logging in at [ibx.com](https://ibx.com) and using the Find a Doctor tool.

Profiles in our provider directory include valuable information, such as board certifications, medical school attended, residency completion, location maps, provider specialties, languages spoken, whether the provider is accepting new patients, and more.

You can also call the number on the back of your member ID card and a Customer Service representative will help you locate a provider.

## Rights and responsibilities

A list of your rights and responsibilities is available at [ibx.com/quality-management#member](https://ibx.com/quality-management#member), or call Customer Service at the number on the back of your member ID card to request a paper copy.

# Using your benefits to receive care

## Scheduling an appointment

Call your doctor's office or use your doctor's online scheduling tool, if available, to make an appointment. If you need to cancel an appointment, be sure to notify the office at least 24 hours in advance when possible.

## Access after normal business hours

Your doctor's office should offer urgent medical advice 24 hours a day, 7 days a week. If an urgent issue arises after normal business hours, call your doctor's office for instructions on how to reach your doctor or the on-call doctor. You should receive a call back within 30 minutes.

## Referrals

You are required to get a referral from your PCP for specialty services. All referrals are done electronically. You don't need a referral for gynecology care, mammograms, behavioral health, or emergency care. To view your open referrals, log in at [ibx.com](https://ibx.com) or through the IBX mobile app.

## Services that require precertification

Precertification is an approval that your doctor must receive from us before you get coverage for certain services, genetic tests, and specialty drugs. A complete list of what requires precertification is available at [ibx.com/precert](https://ibx.com/precert). Because your care is coordinated by your PCP, all necessary precertifications will be obtained for you by your PCP.

## Preventive care

Preventive care is an important part of getting and staying as healthy as possible. Our preventive care services can help you and your family avoid developing health problems and prevent minor issues from becoming major health concerns, such as diabetes and colon cancer.

Examples of preventive care services include yearly check-ups, screenings, and immunizations.

Most Independence health plans include coverage for certain designated preventive care services at no cost to you.\*

This means you do not have to pay copays, coinsurance, or deductibles. If a service is not considered preventive (e.g., diagnostic procedure, ongoing treatment for an existing condition) or you don't fall within the coverage guidelines, charges may apply.

For a complete list of preventive services, visit [ibx.com/preventive](https://ibx.com/preventive) and click on the *View all preventive services* link.

## Receiving care for mental health or substance use disorder

If you require outpatient or inpatient mental health or substance use disorder services, you do not need a referral from your PCP. Magellan Healthcare, Inc. administers these benefits and can be reached by calling the Mental Health/Substance Abuse phone number on the back of your member ID card.

Check your health plan benefits in this book to see if you have mental health and substance use disorder benefits.

\* Individual benefits must be verified.

# Where to go for care

## Emergency care

In the event of an emergency, go immediately to the emergency room of the nearest hospital. If you believe your situation is particularly severe, call 911 for assistance.

A medical emergency is typically thought of as a medical or psychiatric condition in which symptoms are so severe that the absence of immediate medical attention could place one's health in serious jeopardy. Most times, a hospital emergency room is not the most appropriate place for you to be treated.

Hospital emergency rooms provide emergency care and must prioritize patients' needs. The most seriously hurt or ill patients are treated first. If you are not in that category, you could wait a long time.

## Urgent care

Urgent care is necessary treatment for a non-life-threatening, unexpected illness or accidental injury that requires prompt medical attention when your doctor is unavailable. Examples include sore throat, fever, sinus infection, earache, cuts, rashes, sprains, and broken bones.

Visit an urgent care center for a convenient, safe, and affordable treatment alternative to emergency room care or when you can't get an appointment with your own doctor.

## Retail clinic

Retail clinics are another alternative when you can't get an appointment with your own doctor for non-emergency care. Retail clinics use certified nurse practitioners, who can treat minor, uncomplicated illness or injury. Some retail health clinics may also offer flu shots and other vaccinations.

## Virtual care

Most health plans include the ability to see a doctor virtually for telemedicine, telebehavioral health, and teledermatology services. Virtual care increases access to care, provides an alternative option to ER and urgent care visits, and can reduce costs. In addition, many in-network doctors and specialists also offer their own virtual care services. Check your health plan benefits in this book to see how virtual care is covered.

---

# You're covered while traveling

You can travel with peace of mind, knowing that Blue goes with you wherever you go. If you need medical care when you are away from home, you should follow these guidelines:

- In a true emergency, go to the emergency room of the nearest hospital or call 911.
- In an urgent care situation, find a provider in the area. Call **800-810-BLUE (TTY: 711)** to find an in-network provider in the area. You may also visit an urgent care center for medical issues if an in-network provider is unavailable and if you do not require the medical services of an emergency room.

## Guest membership

When you know that you or a covered member of your family will be out of the area for at least 90 days, you can apply for a guest membership with a participating HMO/POS plan in your travel area, where available. The Away from Home Care program offers a comprehensive set of HMO/POS benefits through a guest Blue Cross and/or Blue Shield plan while away from home.

Options include:

- **Long-term traveler:** Six months maximum; renewable upon health plan year renewal. Available to eligible subscribers and their covered dependents. This type of guest membership is typically used for long-term work assignments or for a retiree with a dual residence.
- **Families apart:** One year maximum; renewable upon expiration of guest membership. Available to subscribers' spouses or dependents who do not reside with the subscriber. The subscriber is not eligible. This type of guest membership is typically used when divorced or separated families permanently reside outside of the area.
- **Students:** One year maximum; renewable upon expiration of guest membership. Available to qualified dependents who are temporarily residing outside of the area while attending an accredited education institute. The dependent is not eligible if residing with the subscriber and is only eligible for renewal while enrolled in an accredited program until age limitation is met.

Guest members who are traveling outside of both their Independence and guess Blue Cross and/or Blue Shield plan service areas and need care should refer to and use their Independence coverage.

Guest membership coverage can go into effect 15 business days after the receipt and processing of a correctly completed and signed application. In addition, the subscriber must renew guest memberships for a spouse or dependent, if eligible, 30 days prior to the guest membership coverage period ending, or before the subscriber's benefit open enrollment date (whichever is sooner). If the subscriber's Independence coverage is cancelled at any time, the guest membership coverage will be cancelled.

Get connected with Independence at [ibx.com/getconnected](https://ibx.com/getconnected) to receive application status updates and reminders to renew Guest Membership.

Refer to your member benefit booklet for additional information, limitations, and restrictions regarding the Away from Home Care program.

# Using your prescription drug benefits

Your prescription drug benefit program, administered by FutureScripts<sup>®</sup>, an independent company, provides many advantages to help you easily and safely obtain the prescription drugs you need at an affordable cost.

Take a look at the advantages:

- **Easy to use.** A national network of retail pharmacies will recognize and accept your member identification (ID) card.
- **Low out-of-pocket expenses.** When you use a participating pharmacy, your out-of-pocket costs are based on a discounted price, fixed copayments, or coinsurance.
- **No paperwork.** You don't have to file a claim form or wait for reimbursement when you use a participating pharmacy.
- **High level of safety.** When you fill a prescription at a participating pharmacy, your pharmacy can identify harmful drug interactions and other dangers by viewing your drug history.
- **Mail order and 90-day retail pharmacy options.** Free mail order/home delivery may be available for medications you take regularly. You may also get a 90-day supply of maintenance medications at Rite Aid retail pharmacies for the same cost-share as mail order to help make medication adherence easier and more affordable. Check your prescription drug benefits for details.

## How to fill your prescription at a retail pharmacy

Present your ID card and your prescription at a participating pharmacy for your plan. The pharmacist will confirm your eligibility for benefits and determine your share of the cost of your prescription. Your doctor may also electronically submit your prescription to your pharmacy.

## Participating pharmacies

A pharmacy is considered participating if it is in the FutureScripts pharmacy network for your plan. If your plan includes the FutureScripts Preferred Pharmacy network, a smaller version of the full FutureScripts pharmacy network, Walgreens is not a participating pharmacy.

When you're traveling, you will find that most of the pharmacies in all 50 states accept your ID card and can fill your prescription for the same cost you pay at home, if you use a participating pharmacy.

There is no need to select just one pharmacy to fill your prescription needs.

To locate a participating pharmacy, visit [ibx.com](https://www.ibx.com) or call the number on your ID card.

## Non-participating pharmacies

If your prescription is filled at a pharmacy that does not participate in the network for your plan, you will have to pay the pharmacy's regular charge right at the counter. Then, depending on your plan design, you may submit a prescription reimbursement claim form for partial reimbursement to the address noted on the form. Your reimbursement check should arrive within 14 days from the day your claim form is received.

Keep in mind that your plan sponsor selected Independence Blue Cross (Independence) and/or its subsidiaries based in part on the discounted drug prices that FutureScripts has negotiated. When you use a non-participating pharmacy that has not agreed to charge a discounted price, it costs your plan more money; part of that cost is passed on to you.

## Understanding your prescription

We provide our members with comprehensive prescription drug coverage. The drug formulary includes generic drugs and a defined list of brand drugs that have been evaluated for their medical effectiveness, positive results, and value. The formulary is reviewed regularly to ensure its continued effectiveness.

A brand drug is manufactured by only one company, which advertises and sells its product under a special trade name. In many cases, brand drugs are quite expensive, which is why your share of the cost is higher. Generic drugs are typically manufactured by several companies and are almost always less expensive than the brand drug. Generic drugs are approved by the U.S. Food and Drug Administration (FDA) to ensure they are as safe and effective as their brand counterparts. However, not every brand drug has a generic version.

To check the formulary status of drugs, simply log in at [ibx.com](http://ibx.com).

In addition to the drug formulary, you will also find helpful information on these related topics:

- Prior authorization process
- Formulary exception process
- Age and quantity limits
- Drug pricing and drug alternatives

If you're not sure if brand or generic drugs are right for you, talk to your doctor. The pharmacist may, on occasion, discuss with your doctor whether an alternative drug might be appropriate for you. Let your doctor know if you have a question about a change in prescription or if you prefer the original prescription. Your doctor makes the final decision on the necessity of you getting a brand drug.

Certain controlled substances and other prescribed medications may be subject to dispensing limitations. If you have any questions regarding your medication, please call the Pharmacy Benefits number on the back of your member ID card.

---

## Brand vs. generic

Generic drugs are as effective as brand drugs and could save you money. Consult your doctor to find out which drug is best for you.

---

## Preventive drugs for adults and children

Your prescription drug plan includes 100 percent coverage for some preventive medications when received from a participating pharmacy. This means that you won't have to pay copays, coinsurance, or deductibles for certain preventive medications with a prescription from your doctor. Receiving preventive care helps you stay healthy and may improve your overall health.

For a list of preventive drugs eligible for 100 percent coverage, visit [ibx.com](http://ibx.com) or call the phone number on the back of your member ID card.

---

If you have any questions about your prescription drug plan, call the Pharmacy Benefits number on the back of your member ID card.

---

# Mail order/home delivery

If your doctor has prescribed a medication that you need to take regularly over a long period of time, mail order/home delivery is an excellent way to get a long-lasting supply and, depending on your plan, reduce your out-of-pocket costs.

## Mail order is convenient and safe to use

If you choose mail order, your doctor can prescribe a supply that will last up to 90 days. This means that you can get three times as many doses of your maintenance medication at one time through mail order.

Mail order prescriptions have been safely handled through the mail for many years. When your order is received, a team of registered, licensed pharmacists checks your prescription against the record of all drugs dispensed to you by a FutureScripts-participating pharmacy. This process ensures that every prescription is reviewed for safety and accuracy before it is mailed to you.

If there are questions about your prescription, a pharmacist will contact your doctor before your medication is dispensed. Your medication will be sent to your home within 14 days from the date your legible and complete order is received.

There may be times when you need a prescription right away. On these occasions, you should have your prescription filled at a local participating pharmacy. If you need medication immediately, but you will be taking it on an ongoing basis, ask your doctor to write two separate prescriptions: you can have the first prescription filled locally for an initial 30-day supply of your medication, and you can send the second prescription to FutureScripts for a 90-day supply provided through the mail.

## How to request mail order/home delivery

1. When you are prescribed a chronic or maintenance drug therapy, ask your doctor to write the prescription for a 90-day supply, plus refills. Make sure your doctor knows that you have a mail-order service so that you get one 90-day prescription and not three 30-day prescriptions (the cost of the three 30-day prescriptions may be more than the cost for one 90-day prescription). If you're taking medication now, ask your doctor for a new prescription.
2. Complete the FutureScripts Mail Service Order Form with your first order only. Forms and envelopes are available by calling the number on your member ID card, or you can download the form when you log in at [ibx.com](https://www.ibx.com).
3. Be sure to answer all the questions, and include your member ID number. An incomplete form can cause a delay in processing. Send the completed Mail Service Order Form, your original 90-day prescription, and your payment instructions to FutureScripts.
4. Your mail order request will be processed, and your medication sent to you within 14 days from the day FutureScripts receives your order, along with instructions for future refills. Standard shipping is via U.S. Mail and is free of charge. Narcotic substances and refrigerated medicines will be shipped by FedEx<sup>®</sup> at no additional charge. Your order will be shipped to the address you provide on the form.
5. Mail order/home delivery requests may also be initiated when you log in at [ibx.com](https://www.ibx.com) and select *Pharmacy Mail Order/Home Delivery* from the My Care menu at the top.

## How can my doctor order a prescription for me?

Doctors may call our toll-free number to prescribe your medication(s). Doctors may submit prescriptions via fax or electronically using ePrescribing. In addition to the prescription information, your doctor must provide your member ID number, patient name, and patient date of birth. Note: To be legally valid, the fax must originate from the doctor's office. All state laws apply.

You will be dispensed the lower-priced generic drug (if manufactured) unless your doctor writes "brand medically necessary" or "dispense as written" on your prescription, or you indicate that you do not want the generic version of your brand drug on the Mail Service Order Form. A Mail Service Order Form will be included with each mail order delivery.

## Paying for mail order services

Your payment can be a check or money order (made payable to FutureScripts), or you can complete the credit card portion of the Mail Service Order Form. FutureScripts accepts Visa, MasterCard<sup>®</sup>, Discover<sup>®</sup>, and Amex<sup>®</sup>.

Please do not send cash. If you are uncertain of your payment, call the number on your ID card. If the payment you enclose is incorrect, you will be sent either a reimbursement check or an invoice, as appropriate.

## Mail order refills

You can manage your prescriptions, order refills, and pay for your refills online when you log in at [ibx.com](https://ibx.com). You may also review the formulary status of a drug and search for a participating pharmacy online.

When you receive a medication through the mail order service, you will also receive a notice showing the number of refills allowed by your doctor. To avoid the risk of being without your medication, mail the refill notice and your payment two weeks before you expect your present supply to run out. You can

also manage and order your refills over the phone using the Pharmacy Benefits number on the back of your ID card.

The refill notice will include the date when you should reorder and the number of refills you have left. Remember, most prescriptions are valid for a maximum of one year. Please note: PRN (take as needed) refills in the Commonwealth of Pennsylvania are limited to five times or six months, whichever is less.

If you have any questions concerning this program, please contact FutureScripts using the number on the back of your ID card.

## Self-administered specialty drug coverage

Self-injectables and other oral specialty drugs that can be administered by you, the patient, or by a caregiver outside of the doctor's office are generally covered under your prescription drug benefits. Filling your prescription for a specialty drug via the FutureScripts specialty pharmacy can save you money and provide you with support by a pharmacist very experienced with specialty medications and their side effects.

The administration of a self-injectable drug by a medical professional is covered under your Independence medical benefit, even if you obtained the self-injectable through the FutureScripts specialty pharmacy. However, the drug itself will be covered under your prescription drug benefit.

The self-injectable drugs covered under your medical plan include drugs that:

- Are required by law to be covered under both medical benefits and prescription drug benefits (for example, insulin)
- Are required for emergency treatment, such as self-injectables that counteract allergic reactions

# The clear solution to your vision care needs

## Use your vision benefits

Vision problems are among the most prevalent health issues in the United States. Three out of four adults use some form of vision correction.\* An eye exam can help correct vision problems, but it can also help detect more serious chronic health conditions, such as diabetes, hypertension, and heart disease.

Administered by Davis Vision, your vision plan features a robust network, low out-of-pocket costs, and a variety of value-added services.

## Freedom of provider choice

You have access to the national Davis Vision network, which includes more than 100,000 access points for independent eye care professionals, as well as large retail and online providers like Visionworks, befitting.com, Glasses.com, and 1800Contacts.com.

## Low-cost frames and lens options

You have several options to choose from for your eyewear needs:

- Select frames from the Davis Vision Exclusive Collection, which are covered in full or with a minimal copay.
- Use your plan's frame allowance at any in-network provider, including online at Glasses.com and befitting.com, which feature a large selection of designer and name-brand frames. You can also choose to use an enhanced frame allowance towards the purchase of frames at Visionworks locations.

With fixed pricing on all lens styles and coatings, including blue light coatings, it's easy to predict your out-of-pocket costs. All frames and lenses provided by Davis Vision providers are warranted against breakage for one year from the original date of dispensing.

## Coverage for contacts and laser vision correction

You have the option to choose contact lenses instead of eyeglasses. You can use your contact lens benefit allowance at 1800Contacts.com, which features an extensive collection, free mail order, and discounted pricing.

If you're eligible and interested in LASIK laser vision correction services, you can receive exclusive, discounted pricing and financing options from a national network of credentialed physicians.

## Additional value-added services

Through your Davis Vision benefits, you have access to a free hearing exam and exclusive discounts on hearing aids, supplies, and more from Your Hearing Network.

## INTRODUCTION

Thank you for joining the Keystone Health Benefits Plan (the Health Benefit Plan). Our goal is to provide Members with access to quality health care coverage. This Benefit Booklet is a summary of Members benefits and the procedures required in order to receive the benefits and services to which Members are entitled. The Members' specific benefits covered by the Health Benefit Plan are described in the **Description of Covered Services** section of this Benefit Booklet. Benefits, exclusions and Limitations appear in the **Exclusions – What Is Not Covered** and the **Schedule of Covered Services** section of this Benefit Booklet.

Please remember that this Benefit Booklet is a summary of the provisions and benefits provided in the Program selected by the Member's Group. Additional information is contained in the Group Master Contract ("Contract") available through the Member's Group benefits administrator. The information in this Benefit Booklet is subject to the provisions of the Contract. If changes are made to the Members Group's Program, the Member will be notified by their Group benefits administrator. Contract changes will apply to benefits for services received after the effective date of change.

If changes are made to this Program, the Member will be notified. Changes will apply to benefits for services received on or after the effective date unless otherwise required by applicable law.

The effective date is the *later* of:

- The effective date of the change;
- The Member's Effective Date of coverage; or
- The Group Contract anniversary date coinciding with or next following that service's effective date.

Please read this Benefit Booklet thoroughly and keep it handy. It will answer most questions regarding the Health Benefit Plan's procedures and services. **If Members have any questions, they should call the Customer Service Department ("Customer Service") at the telephone number shown on the Members Identification Card ("ID Card").**

Any rights of a Member to receive benefits under the Group Contract and Benefit Booklet are personal to the Member and may not be assigned in whole or in part to any person, Provider or entity, nor may benefits be transferred, either before or after Covered Services are rendered. However, a Member can assign benefit payments to the custodial parent of a Dependent covered under the Group Contract and Benefit Booklet, as required by law.

See **Important Notices** section for updated language and coverage changes that may affect this Benefit Booklet.

<b>Your Costs</b>	
<b>Benefit Period</b>	Contract Year (12 month period beginning on the Group's anniversary date).
<b>Out-of-Pocket Maximum</b>	
Per Member	\$4,500
Per Family	\$9,000
<p>The Out-of-Pocket Maximum is the maximum dollar amount that a Member pays for Covered Services within a Benefit Period. The Out-of-Pocket Maximum includes Copayments and Coinsurance amounts, if applicable for Essential Health Benefits. It does not include any amounts above the Allowed Amount for a specific Provider, or the amount for any services not covered under this Benefit Booklet.</p>	
<b>Lifetime Benefit Maximum</b>	Unlimited
<p>Coinsurance is a percentage of the Covered Service that must be paid by the Member. Coinsurance is applied to some of the Covered Services listed below, but not to Covered Services that require the Member to pay a Copayment amount.</p>	
<b>SCHEDULE OF COVERED SERVICES</b>	
<p>The Member is entitled to benefits for the Covered Services described in their Benefit Booklet, subject to any Coinsurance, Copayment or Limitations described below.</p> <p>If the Participating Provider's usual fee for a Covered Service is less than the Coinsurance or Copayment shown in this schedule, the Member is only responsible to pay the Participating Provider's usual fee. The Participating Provider is required to remit any Coinsurance or Copayment overpayment directly to the Member. Contact Customer Service at the phone number on the Member ID Card with any questions regarding this.</p> <p>The Member's Primary Care Physician or Specialist must obtain Preapproval from the Health Benefit Plan to confirm this Program's coverage for certain Covered Services. If the Member's Primary Care Physician or Specialist provides a Covered Service or Referral without obtaining the Health Benefit Plan's Preapproval, the Member is not responsible for payment for that Covered Service. The Member can access a complete list of services that require Preapproval, by logging onto <a href="http://www.ibx.com/preapproval">www.ibx.com/preapproval</a> or by calling Customer Service at the phone number listed on the Member ID Card to have the list mailed to them.</p>

**Footnotes**

- \* See "Orthodontic Coverage" contained in the "Dental (Pediatric)" section of the **Description of Covered Services**.
- ◆ Charges for the use of precious (high noble) or semiprecious (noble) metal are not included in the copayment for crowns, bridges, pontics, inlays and onlays. The decision to use these materials is a cooperative effort between the provider and the patient, based on the professional advice of the provider. Providers are expected to charge no more than an additional \$125 for these materials.

**Pediatric Dental Limitations<sup>(4)</sup>**

Covered Services are limited as detailed below. For Covered Services listed below that apply an age limitation, those services are covered until 12:01 a.m. of the birthday when the patient reaches the age as stated. All benefits under this plan end at the end of the contract year in which the child turns age 19.

- Bitewing x-rays – one set per six consecutive months.
- Panoramic or full mouth x-rays – one per three-year period.
- Prophylaxis – one per six consecutive month period.
- Routine prophylaxis is limited to no more than one per six consecutive month period and periodontal maintenance procedures are limited to four per 12 consecutive month period.
- Sealants – one per tooth per three years on permanent first and second molars.
- Fluoride treatment – one per six consecutive months through age 18.
- Space maintainers only eligible for Members through age 18 when used to maintain space as a result of prematurely lost deciduous first and second molars, or permanent first molars that have not, or will never develop.
- Restorations, crowns, inlays and onlays – covered only if necessary to treat diseased or fractured teeth.
- Crowns, bridges, inlays, onlays, buildups, post and cores – one per tooth in a five- year period.
- Crown lengthening – one per tooth per lifetime.
- Referral for specialty care is limited to orthodontics, oral surgery, periodontics, endodontics, and pediatric dentists.
- Coverage for referral to a pediatric Specialty Care Dentist ends on a Member's seventh birthday.
- Pupal therapy – through age five on primary anterior teeth and through age 11 on primary posterior teeth.
- Root canal treatment – one per tooth per lifetime.
- Periodontal scaling and root planing – one per 24 consecutive month period per area of the mouth.

<b>Pediatric Dental Limitations<sup>(4)</sup></b> (Continued)
▪ Surgical periodontal procedures – one per 24 consecutive month period per area of the mouth.
▪ Full and partial dentures – one per arch in a five- year period.
▪ Denture relining, rebasing or adjustments – are included in the denture charges if provided within six (6) months of insertion by the same dentist.
▪ Subsequent denture relining or rebasing – limited to one every 36 consecutive months thereafter.
▪ Oral surgery services are limited to surgical exposure of teeth, removal of teeth, preparation of the mouth for dentures, removal of tooth generated cysts up to 1.25 cm, frenectomy and crown lengthening.
▪ Wisdom teeth (third molars) extracted for Members under age 15 are not eligible for payment in the absence of specific pathology.
▪ If for any reason orthodontic services are terminated or coverage under the Program is terminated before completion of the approved orthodontic treatment, the responsibility of the Health Benefit Plan will cease with payment through the month of termination.
▪ Orthodontic treatment – not eligible for Members over age 18.
▪ Comprehensive orthodontic treatment plan – one per lifetime.
▪ In the case of a Dental Emergency involving pain or a condition requiring immediate treatment, the Program covers necessary diagnostic and therapeutic dental procedures administered by and Out-of-Network Dentist up to the difference between the Out-of-Network Dentist's charge and the Member Copayment up to a maximum of \$50 for each emergency visit.
▪ Administration of I.V. sedation or general anesthesia is limited to covered oral surgical procedures involving one or more impacted teeth (soft tissue, partial bony or complete bony impactions).
▪ An Alternate Benefit Provision (ABP) may be applied by the Primary Dental Office if a dental condition can be treated by means of a professionally acceptable procedure, which is less costly than the treatment recommended by the dentist. The ABP does not commit the Member to the less costly treatment. However, if the Member and the dentist choose the more expensive treatment, the Member is responsible for the additional charges beyond those allowed for the ABP.

## DESCRIPTION OF COVERED SERVICES

Subject to the Exclusions, conditions and Limitations of this Program, a Member is entitled to benefits for the Covered Services described in this **Description of Covered Services** section. The Member may be responsible for applicable cost sharing or there may be limits on services as specified in the **Schedule of Covered Services** section of the Benefit Booklet. Additional benefits may be provided by the Group through the addition of a Rider. If applicable, this benefit information is also included with this Benefit Booklet. Please take time to read this **Description of Covered Services** and the **Schedule of Covered Services**, and use them as references whenever services are required.

More detailed information on eligibility, terms and conditions of coverage, and contractual responsibilities is contained in the Group's Contract with the Health Benefit Plan. This is available through the Group benefits administrator.

Most Covered Services are provided or arranged by the Member's Primary Care Physician. In the event there is no Participating Provider to provide the specialty or subspecialty services that the Member needs, a Referral to a Non-Participating Provider will be arranged by the Member's Primary Care Physician, with approval by the Health Benefit Plan. See **Access to Primary, Specialist, And Hospital Care** in the **General Information** section for procedures for obtaining Preapproval for use of a Non-Participating Provider.

Some Covered Services must be Preapproved before the Member can receive the services. The Primary Care Physician or Referred Specialist must seek the Health Benefit Plan's approval and confirm that coverage is provided for certain services. Preapproval of services is a vital program feature that reviews Medical Necessity of certain procedures and/or admissions. In certain cases, Preapproval helps determine whether a different treatment may be available that is equally effective yet less traumatic. Preapproval also helps determine the most appropriate setting for certain services.

If a Primary Care Physician or Referred Specialist provides Covered Services or Referrals without obtaining such Preapproval, the Member will not be responsible for payment. To access a complete list of services that require Preapproval, log onto [www.ibx.com/preapproval](http://www.ibx.com/preapproval), or the Member can call Customer Service at the phone number listed on the Member's ID Card to have the list mailed to the Member.

If the Member should have questions about any information in this Benefit Booklet or need assistance at any time, please feel free to contact Customer Service by calling the telephone number shown on the Member's ID Card.

### PRIMARY AND PREVENTIVE CARE

The Member is entitled to benefits and Primary and Preventive Care Covered Services when:

- The Member's Primary Care Physician (PCP) either provides or arranges for these Covered Services, as noted.
- The Member's Primary Care Physician (PCP) provides a Referral, when one is required, to a Participating Professional Provider when their condition requires a Specialist's Service.

If the Member receives services that result from a Referral to a Non-Participating Provider, the following will apply:

- They will be covered, when the Referral is issued by the Member's Primary Care Physician and Preapproved by the Health Benefit Plan.
- The Referral will be valid for 90 days from the date it was issued. This is the case, so long as the Member is still enrolled in this Program.
- If the Member receives any bills from the Provider, contact Customer Service at the telephone number found on the Member's ID card. When the Member notifies the Health Benefit Plan about these bills, it will resolve the balance billing.

If the Referred Specialist recommends additional Covered Services:

- This will require yet another electronic referral from the Member's Primary Care Physician.

**Self-Referrals are excluded, except for Emergency Services or if covered by a Rider.** The only time the Member can refer their self is for Emergency Services.

**Note:** Cost-sharing requirements, if any, are specified in the ***Schedule of Covered Services***.

"Preventive Care" services generally describe health care services performed to catch the early warning signs of health problems. These services are performed when the Member has no symptoms of disease.

"Primary Care" services generally describe health care services performed to treat an illness or injury.

The Health Benefit Plan reviews the ***Schedule of Covered Services*** at certain times. Reviews are based on recommendations from organizations such as:

- The American Academy of Pediatrics;
- The American College of Physicians;
- The U.S. Preventive Services Task Force; and
- The American Cancer Society.

Accordingly, the frequency and eligibility of Covered Services are subject to change. A list of Preventive Care Covered Services can be found in the Preventive Schedule document. A complete listing of recommendations and guidelines can be found at <https://www.healthcare.gov/preventive-care-benefits/>.

The Health Benefit Plan reserves the right to modify the Preventive Schedule document at any time. However, the Member has to be given a written notice of the change, before the change takes effect.

### **Immunizations**

The Health Benefit Plan will provide coverage for the following:

- Pediatric Immunizations;
- Adult Immunizations; and
- The agents used for the Immunizations.

All immunizations and the agents must conform to the standards of the *Advisory Committee on Immunization Practices (ACIP) of the Center for Disease Control, U.S. Department of Health and Human Services*.

Pediatric and adult Immunization schedules may be found in the Preventive Schedule document.

### **Nutrition Counseling for Weight Management**

The Health Benefit Plan will provide coverage for nutrition counseling visits or sessions for the purpose of weight management. However, they need to be performed and billed by any of the following Providers, in an office setting:

- By the Member's Physician;
- By a Referred Specialist; or
- By a Registered Dietitian (RD).

This benefit is in addition to any other nutrition counseling Covered Services described in this Benefit Booklet. The Member does not need a Referral from their Primary Care Physician to obtain services for Nutrition Counseling for Weight Management.

### **Osteoporosis Screening (Bone Mineral Density Testing or BMDT)**

The Health Benefit Plan will provide coverage for Bone Mineral Density Testing (BMDT) in accordance with the Preventive Schedule document. The method used needs to be one that is approved by the U.S. Food and Drug Administration. This test determines the amount of mineral in a specific area of the bone. It is used to measure bone strength, which depends on both bone density and bone quality. Bone quality refers to how the bone is built, architecture, turnover and mineralization of bone.

The BMDT must be prescribed by a Professional Provider legally authorized to prescribe such items under law.

### **Preventive Care - Adult**

Adult Preventive Care includes routine physical examinations, including a complete medical history, and other Covered Services, in accordance with the Preventive Schedule document attached to the Contract.

### **Preventive Care - Pediatric**

Pediatric Preventive Care includes routine physical examinations, including a complete medical history, and other Covered Services, in accordance with the Preventive Schedule document attached to the Contract.

### **Primary Care Physician Office Visits/Retail Clinics/Telemedicine Visits**

The Health Benefit Plan will provide coverage for Medical Care visits, by a Primary Care Physician, for any of the following services:

- The examination of an illness or injury;
- The diagnosis of an illness or injury;
- The treatment of an illness or injury;

For the purpose of this benefit, "Office Visits" include:

- Medical Care visits to a Primary Care Physician's office;
- Medical Care visits to the Member's residence;

- Medical Care consultations on an Outpatient basis;
- Medical Care visits to the Member's Primary Care Physician's office, during and after regular office hours; or
- Emergency visits and visits to a Member's residence, if within the Service Area.

In addition to Office Visits a Member may receive Medical Care at a Retail Clinic. Retail Clinics are staffed by certified family nurse practitioners, who are trained to diagnose, treat, and write Prescriptions when clinically appropriate. Nurse practitioners are supported by a local Physician who is on-call during clinic hours to provide guidance and direction when necessary.

Examples of treatment and services that are provided at a Retail Clinic include, but are not limited to:

- |   |  |
|---|--|
| <ul style="list-style-type: none"> <li>▪ Sore throat;</li> <li>▪ Ear, eye, or sinus infection;</li> <li>▪ Allergies;</li> </ul> | <ul style="list-style-type: none"> <li>▪ Minor burns;</li> <li>▪ Skin infections or rashes; and</li> <li>▪ Pregnancy testing.</li> </ul> |
|---|--|

For the purpose of this benefit, "Telemedicine Visits" include Medical Care visits when the encounter takes place via a secure Health Insurance Portability and Accountability Act (HIPAA) – compliant interactive audio and video telecommunications system as specified in the Health Benefit Plan's policies.

### **Smoking Cessation**

Smoking cessation includes clinical preventive services rated "A" or "B" in the current recommendations of the United States Preventive Services Task Force (USPSTF) as described under the Preventive Services provision of the Patient Protection and Affordable Care Act.

### **Women's Preventive Care**

Women's Preventive Care includes coverage for an initial physical examination for pregnant women to confirm pregnancy, screening for gestational diabetes, and other Covered Services, in accordance with the Preventive Schedule document attached to the Contract.

Covered Services and Supplies include, but are not limited to, the following:

- Routine Gynecological Exam, Pap Smear. Members are covered for one (1) routine gynecological exam each Benefit Period. This includes the following:
  - A pelvic exam and clinical breast exam; and
  - Routine Pap smears.

These must be done in accordance with the recommendations of the *American College of Obstetricians and Gynecologists*.

Members have direct access to care by a participating obstetrician or gynecologist. This means the Member does not need a referral, from the Member's Primary Care Physician, to receive this care.

- Mammograms. Coverage will be provided for screening mammograms without Referral. The Health Benefit Plan will only provide benefits for mammography if the following applies:
  - It is performed by a qualified mammography service Provider.
  - It is performed by a Participating Provider who is properly certified by the appropriate state or federal agency.
  - That certification is done in accordance with the Mammography Quality Assurance Act of 1992.
- Breastfeeding comprehensive support and counseling from trained providers; access to

breastfeeding supplies, including coverage for rental of hospital-grade breastfeeding pumps under DME with Medical Necessity review; and coverage for lactation support and counseling provided during postpartum hospitalization, Mother's Option visits, and obstetrician or pediatrician visits for pregnant and nursing women at no cost share to the Member.

- Contraception: The Women's Preventive Services Initiative recommends that adolescent and adult women have access to the full range of female-controlled contraceptives to prevent unintended pregnancy and improve birth outcomes. Contraceptive care should include contraceptive counseling, initiation of contraceptive use, and follow-up care. The full range of contraceptive methods for women currently identified by the U.S. Food and Drug Administration (FDA) include
  - Sterilization surgery for women;
  - Surgical sterilization implant for women;
  - Implantable rod;
  - IUD copper;
  - IUD with progestin;
  - The shot or injection;
  - Oral contraceptives (combined pill);
  - Oral contraceptives (progestin only, and);
  - Oral contraceptives (extended or continuous use);
  - The contraceptive patch;
  - Vaginal contraceptive rings;
  - Diaphragm;
  - Contraceptive sponges;
  - Cervical caps;
  - Female condoms;
  - Spermicides;
  - Emergency contraception (levonorgestrel); and
  - Emergency contraception (ulipristal acetate)
- Although all Food and Drug Administration-approved contraceptive methods and patient education and counseling, not including abortifacient drugs, are covered, only certain contraceptive drug options in each category are covered at no cost share to the Member when provided by a Participating Provider. Contraception drugs and devices are covered under this Program unless otherwise covered under the Prescription Drug benefit issued with this Program.

If a Member's Physician determines that they require more than one well-women visit annually to obtain all recommended preventive services (based on the women's health status, health needs and other risk factors), the additional visit(s) will be provided without cost-sharing.

## **INPATIENT SERVICES**

Unless otherwise specified in this Benefit Booklet, services for Inpatient Care are Covered Services when they are:

- Deemed Medically Necessary;
- Provided or Referred by the Member's Primary Care Physician; and
- Preapproved by the Health Benefit Plan.

If the Member receives services that result from a Referral to a Non-Participating Provider, the following will apply:

- They will be covered, when the Referral is issued by the Member's Primary Care Physician and Preapproved by the Health Benefit Plan.

- The Referral will be valid for 90 days from the date it was issued. This is the case, so long as the Member is still enrolled in this Program.
- If the Member receives any bills from the Provider, contact Customer Service at the telephone number found on the Member's ID card. When the Member notifies the Health Benefit Plan about these bills, it will resolve the balance billing.

If the Referred Specialist recommends additional Covered Services:

- This will require yet another electronic referral from the Member's Primary Care Physician.

**Self-Referrals are excluded, except for Emergency Services or if covered by a Rider.** The only time the Member can refer their self is for Emergency Services.

**Note:** Cost-sharing requirements, if any, are specified in the ***Schedule of Covered Services***.

### **Hospital Services**

- Ancillary Services

The Health Benefit Plan will provide coverage for all ancillary services usually provided and billed for by Hospitals, except for personal convenience items. This includes, but is not limited to:

- Meals, including special meals or dietary services, as required by the Member's condition;
- Use of operating room, delivery room, recovery room, or other specialty service rooms and any equipment or supplies in those rooms;
- Casts, surgical dressings, and supplies, devices or appliances surgically inserted within the body;
- Oxygen and oxygen therapy;
- Anesthesia when administered by a Hospital employee, and the supplies and use of anesthetic equipment;
- Therapy Services, Rehabilitative Services and Habilitative Services when administered by a person who is appropriately licensed and authorized to perform such services;
- All drugs and medications (including intravenous injections and solutions);
  - For use while in the Hospital;
  - Which are released for general use; and
  - Which are commercially available to Hospitals.
 (The Health Benefit Plan reserves the right to apply quantity level limits as conveyed by the FDA or the Health Benefit Plan's Pharmacy and Therapeutics Committee for certain Prescription Drugs.)
- Use of special care units, including, but not limited to intensive care units or coronary care units; and
- Pre-admission testing.

- Room and Board

The Health Benefit Plan will provide coverage for general nursing care and such other services as are covered by the Hospital's regular charges for accommodations in the following:

- An average semi-private room, as designated by the Hospital; or a private room, when designated by the Health Benefit Plan as semi-private for the purposes of this Program in Hospitals having primarily private rooms;
- A private room, when Medically Necessary;
- A special care unit, such as intensive or coronary care, when such a designated unit with concentrated facilities, equipment and supportive services is required to provide an

- intensive level of care for a critically ill patient;
- A bed in a general ward; and
- Nursery facilities.

### **Medical Care**

The Health Benefit Plan will provide coverage for Medical Care rendered to the Member, in the following way, except as specifically provided.

It is Medical Care that is rendered:

- By a Participating Professional Provider who is in charge of the case;
- While the Member is an Inpatient in a Participating Facility Provider that is a Hospital, Rehabilitation Hospital or Skilled Nursing Facility; and
- For a condition not related to Surgery, pregnancy, or Mental Illness.

Such care includes Inpatient intensive Medical Care rendered to the Member:

- While the Member's condition requires a Referred Specialist constant attendance and treatment; and
- For a prolonged period of time.

- Concurrent Care

The Health Benefit Plan will provide coverage for the following services, while the Member is an Inpatient when they occur together:

- Services rendered to the Member by a Referred Specialist:
  - Who is not in charge of the case; but
  - Whose particular skills are required for the treatment of complicated conditions.
- Services rendered to the Member in a Participating Facility Provider as an Inpatient in a:
  - Hospital;
  - Rehabilitation Hospital; or
  - Skilled Nursing Facility.

This does not include:

- Observation or reassurance of the Member;
- Standby services;
- Routine preoperative physical examinations;
- Medical Care routinely performed in the pre- or post-operative or pre- or post-natal periods; or
- Medical Care required by a Participating Facility Provider's rules and regulations.

- Consultations

The Health Benefit Plan will provide coverage for Consultation services when rendered in a Participating Facility Provider in both of the following ways:

- By a Referred Specialist, at the request of the attending Participating Professional Provider; and
- While the Member is an Inpatient in a:
  - Hospital;
  - Rehabilitation Hospital; or
  - Skilled Nursing Facility.

Consultations do not include staff consultations which are required by the Participating Facility Provider's rules and regulations.

## **Skilled Nursing Facility**

The Health Benefit Plan will provide coverage for a Participating Skilled Nursing Facility:

- When Medically Necessary as determined by this Health Benefit Plan.
- When the Member requires treatment by skilled nursing personnel which can be provided:
  - Only on an Inpatient basis; and
  - Only in a Skilled Nursing Facility.
- As long as the services are not considered Custodial or Domiciliary Care. Benefits are limited to semi-private accommodations (or an allowance equal to this rate which may be applied to private accommodations).

During the Member's admission, members of the Health Benefit Plan's Care Management and Coordination team are monitoring the Member's stay.

They do this to:

- Assure that a plan for the Member's discharge is in place; and
- Make sure that the Member has a smooth transition from the facility to Home or other setting.
- A case manager will work closely with the Member's Primary Care Physician, or the Referred Specialist to help with the Member's discharge. If necessary, they will arrange for other medical services, as well.

Should the Member's Primary Care Physician, or Referred Specialist, agree with the Health Benefit Plan that continued stay in a Skilled Nursing Facility is no longer required:

- The Member will be notified in writing of this decision.
- Should the Member decide to remain in the facility after its notification, the facility has the right to bill the Member after the date of the notification.
- The Member may appeal this decision through the Grievance appeal process.

## **INPATIENT/OUTPATIENT SERVICES**

Unless otherwise specified in this Benefit Booklet, services for Inpatient or Outpatient Care are Covered Services when they are:

- Deemed Medically Necessary;
- Provided or Referred by the Member's Primary Care Physician; and
- Preapproved by the Health Benefit Plan.

If the Member receives services that result from a Referral to a Non-Participating Provider:

- They will be covered when the Referral is issued by the Member's Primary Care Physician and Preapproved by the Health Benefit Plan.
- The Referral is valid for 90 days from the date it was issued. This is the case, as long as the Member is still enrolled in this Program.
- If the Member receives any bills from the Provider contact Customer Service at the telephone number found on the Member's ID card. When the Member notifies the Health Benefit Plan about these bills, it will resolve the balance billing.

If the Referred Specialist recommends additional Covered Services:

- This will require yet another electronic referral from the Member's Primary Care Physician.

**Self-Referrals are excluded, except for Emergency Services or if covered by a Rider.** The only time the Member can refer their self is for Emergency Services.

**Note:** Cost-sharing requirements, if any, are specified in the ***Schedule of Covered Services***.

## **Blood**

The Health Benefit Plan will provide coverage for the administration of blood and blood processing from donors. In addition, benefits are also provided for:

- Autologous blood drawing, storage or transfusion.
  - This refers to a process that allows the Member to have their own blood drawn and stored for personal use.
  - One example would be self-donation, in advance of planned Surgery.
- Whole blood, blood plasma and blood derivatives:
  - Which are not classified as Prescription Drugs in the official formularies; and
  - Which have not been replaced by a donor.

## **Hospice Services**

The Health Benefit Plan will provide coverage for palliative and supportive services to a terminally ill Member through a Hospice program by a Participating Hospice Provider.

- Who is eligible: The Member will be eligible for Hospice benefits if both of the following occur:
  - The Member's attending Primary Care Physician or Referred Specialist certifies that the Member has a terminal illness, with a medical prognosis of six months or less.
  - The Member elects to receive care primarily to relieve pain.
- The goal of care and what is included: Hospice Care provides services to make the Member as comfortable and pain-free as possible. This is primarily comfort care, and it includes:
  - Pain relief;
  - Physical care;
  - Counseling; and
  - Other services, that would help the Member cope with a terminal illness, rather than cure it.
- What happens to the treatment of the Member's illness: When the Member elects to receive Hospice Care:
  - Benefits for treatment provided to cure the terminal illness are no longer provided.
  - The Member can also change their mind and elect to not receive Hospice Care anymore.
- How long Hospice care continues: Benefits for Covered Hospice Services shall be provided until whichever occurs first:
  - The Member's discharge from Hospice Care; or
  - The Member's death.
- Respite Care for the Caregiver: If the Member were to receive Hospice Care primarily in the Home, the Member's primary caregiver may need to be relieved, for a short period. In such a case, the Health Benefit Plan will provide coverage for the Member to receive the same kind of care in the following way:
  - On a short-term basis;
  - As an Inpatient; and
  - In a Medicare certified Skilled Nursing Facility.

This can only be arranged when the Hospice considers such care necessary to relieve primary caregivers in the Member's Home.

## Maternity/OB-GYN/Family Services

- Artificial Insemination

The Health Benefit Plan will provide coverage for facility services provided by a Participating Facility Provider and services performed by a Referred Specialist for the promotion of fertilization of a recipient's own ova (eggs):

  - By the introduction of mature sperm from partner or donor into the recipient's vagina or uterus, with accompanying:
    - Simple sperm preparation;
    - Sperm washing; and/or
    - Thawing.
  
- Elective Abortion

The Health Benefit Plan will provide coverage for services provided in a Participating Facility Provider that is a Hospital or Birth Center. It also includes services performed by a Referred Specialist for the voluntary termination of a pregnancy by a Member.
  
- Maternity/Obstetrical Care

The Health Benefit Plan will provide coverage for Covered Services rendered in the care and management of a pregnancy for a Member.

  - Pre-notification -The Health Benefit Plan should be notified of the need for maternity care within one month of the first prenatal visit to the Physician or Certified Midwife.
  - Facility and Professional Services - The Health Benefit Plan will provide coverage:
    - Facility services: Provided by Participating Facility Provider that is a Hospital or Birth Center; and
    - Professional services: Performed by a Referred Specialist or Certified Midwife;
    - The Health Benefit Plan will provide coverage for certain services provided by a Referred Specialist for elective home births.
  - Scope of Care - The Health Benefit Plan will provide coverage for:
    - Prenatal care;
    - Postnatal care; and
    - Complications of pregnancy and childbirth.
  - Type of delivery - Maternity care Inpatient benefits will be provided for:
    - 48 hours for vaginal deliveries; and
    - 96 hours for cesarean deliveries.Except as otherwise approved by the HMO.
  - Home Health Care for Early Discharge: In the event of early post-partum discharge from an Inpatient Admission:
    - Benefits are provided for Home Health Care, as provided for in the Home Health Care benefit.
  
- Newborn Care
  - A Member's newborn child will be entitled to benefits provided by this Program:
    - From the date of birth up to a maximum of 31 days
  - Such coverage within the 31 days will include care which is necessary for the treatment of:
    - Medically diagnosed congenital defects;
    - Medically diagnosed birth abnormalities;
    - Medically diagnosed prematurity; and
    - Routine nursery care.

## **Routine Patient Costs Associated With Qualifying Clinical Trials**

The Health Benefit Plan provides coverage for Routine Patient Costs Associated With Participation in a Qualifying Clinical Trial (see the ***Important Definitions*** section).

- To ensure coverage and appropriate claims processing, the Health Benefit Plan must be notified in advance of the Member's participation in a Qualifying Clinical Trial. Benefits are payable if the Qualifying Clinical Trial is conducted by a Participating Provider, and conducted in a Participating Facility Provider. If there is no comparable Qualifying Clinical Trial being performed by a Participating Provider, and in a Participating Facility Provider, then, the Health Benefit Plan will consider the services by a Non-Participating Provider, participating in the clinical trial, as covered if the clinical trial is deemed a Qualifying Clinical Trial (see ***Important Definitions*** section) by the Health Benefit Plan.

## **Surgical Services**

The Health Benefit Plan will provide coverage for surgical services provided:

- By a Participating Professional Provider, and/or a Participating Facility Provider;
- For the treatment of disease or injury.

Separate payment will not be made for:

- Inpatient preoperative care or all postoperative care normally provided by the surgeon as part of the surgical procedure.

Covered Services also include:

- Congenital Cleft Palate. The orthodontic treatment of congenital cleft palates:
  - That involve the maxillary arch (the part of the upper jaw that holds the teeth);
  - That is performed together with bone graft Surgery; and
  - That is performed to correct bony deficits that are present with extremely wide clefts affecting the alveolus.
- Mastectomy Care. The Health Benefit Plan will provide coverage for the following when performed after a mastectomy:
  - All stages of reconstruction of the breast on which the mastectomy has been performed;
  - Surgery and reconstruction of the other breast to produce a symmetrical appearance;
  - Protheses and physical complications all stages of mastectomy, including lymphedemas; and
  - Surgery to reestablish symmetry or alleviate functional impairment, including, but not limited to:
    - Augmentation;
    - Mammoplasty;
    - Reduction mammoplasty; and
    - Mastopexy.

Coverage is also provided for:

- The surgical procedure performed in connection with the initial and subsequent insertion or removal of Prosthetic Devices (either before or after Surgery) to replace the removed breast or portions of it; and
- The treatment of physical complications at all stages of the mastectomy, including lymphedemas. Treatment of lymphedemas is not subject to any benefit Maximum amounts that may apply to "Physical Therapy" services as provided under the subsections entitled "Therapy Services, Rehabilitative Services and Habilitative Services".

- Routine neonatal circumcisions and any voluntary surgical procedure for sterilization.
- Anesthesia  
The Health Benefit Plan will provide coverage for the administration of Anesthesia:
  - In connection with the performance of Covered Services; and
  - When rendered by or under the direct supervision of a Referred Specialist other than the surgeon, assistant surgeon or attending Referred Specialist.

General Anesthesia, along with hospitalization and all related medical expenses normally incurred as a result of the administration of general Anesthesia, when rendered in conjunction with dental care provided to Members age seven (7) or under and for developmentally disabled Members when determined by the HMO to be Medically Necessary and when a successful result cannot be expected for treatment under local Anesthesia, or when a superior result can be expected from treatment under general Anesthesia.

- Assistant at Surgery  
The Health Benefit Plan will provide coverage for an assistant surgeon's services if:
  - The assistant surgeon actively assists the operating surgeon in the performance of covered Surgery;
  - An intern, resident, or house staff member is not available; and
  - The Member's condition or the type of Surgery must require the active assistance of an assistant surgeon as determined by the Health Benefit Plan.
- Hospital Admission for Dental Procedures or Dental Surgery.  
The Health Benefit Plan will provide coverage for a Hospital admission in connection with dental procedures or Surgery only when:
  - The Member has an existing non-dental physical disorder or condition; and
  - Hospitalization is Medically Necessary to ensure the Member's health.
 Dental procedures or Surgery performed during such a confinement will only be covered for the services described in "Oral Surgery" and "Assistant at Surgery" provisions.
- Oral Surgery  
The Health Benefit Plan will provide coverage for Covered Services provided by a Professional Provider and/or Facility Provider for:
  - Orthognathic Surgery – Surgery on the bones of the jaw (maxilla or mandible) to correct their position and/or structure for the following clinical indications only:
    - For accidents: The initial treatment of Accidental Injury/trauma (That is, fractured facial bones and fractured jaws), in order to restore proper function.
    - For congenital defects: In cases where it is documented that a severe congenital defect (That is, cleft palate) results in speech difficulties that have not responded to non-surgical interventions.
    - For chewing and breathing problems: In cases where it is documented (using objective measurements) that chewing or breathing function is materially compromised (defined as greater than two standard deviations from normal) where such compromise is not amenable to non-surgical treatments, and where it is shown that orthognathic Surgery will decrease airway resistance, improve breathing, or restore swallowing.

- Other Oral Surgery – Defined as Surgery on or involving the teeth, mouth, tongue, lips, gums, and contiguous structures. Covered Service will only be provided for:
  - Surgical removal of impacted teeth which are partially or completely covered by bone;
  - Surgical treatment of cysts, infections, and tumors performed on the structures of the mouth; and
  - Surgical removal of teeth prior to cardiac Surgery, Radiation Therapy or organ transplantation.

To the extent that the member has available dental coverage, the HMO reserves the right to seek recovery from the dental provider.

The Health Benefit Plan has the right to decide which facts are needed. The Health Benefit Plan may, without consent of or notice to any person, release to or obtain from any other organization or person any information, with respect to any person, which the Health Benefit Plan deems necessary for such purposes. Any person claiming benefits under this Program shall furnish to the Health Benefit Plan such information as may be necessary to implement this provision.

- Second Surgical Opinion (Voluntary)  
The Health Benefit Plan will provide coverage for consultations for Surgery to determine the Medical Necessity of an elective surgical procedure.
  - "Elective Surgery" is that Surgery which is not of an Emergency or life threatening nature.
  - Such Covered Services must be performed and billed by a Referred Specialist other than the one who initially recommended performing the Surgery.

### **Transplant Services**

When the Member is the recipient of transplanted human organs, marrow, or tissues, benefits are provided for all Covered Services. Covered Services for Inpatient and Outpatient Care related to the transplant include procedures which are generally accepted as not Experimental/Investigational Services by medical organizations of national reputation. These organizations are recognized by the Health Benefit Plan as having special expertise in the area of medical practice involving transplant procedures. Benefits are also provided for those services which are directly and specifically related to the Member's covered transplant. This includes services for the examination of such transplanted organs, marrow, or tissue and the processing of blood provided to the Member.

The determination of Medical Necessity for transplants will take into account the proposed procedure's suitability for the potential recipient and the availability of an appropriate facility for performing the procedure.

Eligibility for Covered Services related to human organ, bone and tissue transplant are as follows.

If a human organ or tissue transplant is provided by a donor to a human transplant recipient:

- When both the recipient and the donor are Members, the payment of their respective medical expenses shall be covered by their respective benefit programs.
- When only the recipient is a Member, and the donor has no available coverage or source for funding, benefits provided to the donor will be charged against the recipient's coverage

under the Benefit Booklet . However, donor benefits are limited to only those not provided or available to the donor from any other source. This includes, but is not limited to, other insurance coverage or any government program.

- When only the recipient is a Member and the donor has available coverage or a source for funding, the donor must use such coverage or source for funding as no benefits are provided to the donor under the Benefit Booklet.
- When only the donor is a Member, the donor is entitled to the benefits of the Benefit Booklet for all related donor expenses, subject to following additional limitations:
  - The benefits are limited to only those benefits not provided or available to the donor from any other source of funding or coverage in accordance with the terms of the Benefit Booklet; and
  - No benefits will be provided to the non-Member transplant recipient.
- If any organ or tissue is sold rather than donated to the Member recipient, no benefits will be payable for the purchase price of such organ or tissue; however, other costs related to evaluation and procurement are covered. Benefits for a covered transplant procedure shall include coverage for the medical expenses of a live donor to the extent that those medical expenses are not covered by another program. Covered Services of a donor include:
  - Removal of the organ;
  - Preparatory pathologic and medical examinations; and
  - Post-surgical care.

### **Treatment for Alcohol Or Drug Abuse And Dependency**

- Alcohol Or Drug Abuse And Dependency is a disease that can be described as follows: It is an addiction to alcohol and/or drugs. It is also the compulsive behavior that results from this addiction.
  - This addiction makes it hard for a person to function well with other people.

## **OUTPATIENT SERVICES**

Unless otherwise specified in this Benefit Booklet, Services for Outpatient Care are Covered Services when:

- Deemed Medically Necessary;
- Provided or Referred by the Member's Primary Care Physician; and
- Preapproved by the Health Benefit Plan.

If the Member receives services that result from a Referral to a Non-Participating Provider, the following will apply:

- They will be covered, when the Referral is issued by the Member's Primary Care Physician and Preapproved by the Health Benefit Plan.
- The Referral will be valid for 90 days from the date it was issued. This is the case, so long as the Member is still enrolled in this Program.
- If the Member receives any bills from the Provider, contact Customer Service at the telephone number found on the Member's ID card. When the Member notifies the Health Benefit Plan about these bills, it will resolve the balance billing.

If the Referred Specialist recommends additional Covered Services:

- This will require yet another electronic referral from the Member's Primary Care Physician.

**Self-Referrals are excluded, except for Emergency Services or if covered by a Rider.** The only time the Member can refer their self is for Emergency Services.

**Note:** Cost-sharing requirements, if any, are specified in the ***Schedule of Covered Services***.

### **Acupuncture**

The Health Benefit Plan will provide coverage for Acupuncture up to the limits specified in the Schedule of Covered Services for all Covered Services.

### **Ambulance Services/Transport**

The Health Benefit Plan will provide coverage for Emergency ambulance services. However, these services need to be:

- Medically Necessary as determined by the Health Benefit Plan; and
- Used for transportation in a specially designed and equipped vehicle that is used only to transport the sick or injured and only when all the following applies:
  - The vehicle is licensed as an ambulance, where required by applicable law;
  - The ambulance transport is appropriate for the Member's clinical condition;
  - The use of any other method of transportation, such as taxi, private car, wheel-chair van or other type of private or public vehicle transport would endanger the Member's health or be inappropriate for the Member's medical condition.; and,
  - The ambulance transport satisfies the destination and other requirements as stated under Regarding Emergency Ambulance transport or Regarding Non-Emergency Ambulance transports provisions below.

In addition, the Health Benefit Plan will provide coverage for services provided by a licensed emergency services provider who initiates necessary intervention to evaluate and, if necessary, stabilize the condition of the Member and subsequently determines the Member does not require transport or the Member refuses to be transported. These services must be Medically Necessary as determined by the Health Benefit Plan.

Benefits are payable for air or sea ambulance transportation only if the Member's condition, and the distance to the nearest facility able to treat the Member's condition, justify the use of an alternative to land transport.

- Regarding Emergency Ambulance transport: The ambulance must be transporting the Member:
  - From the Member's Home, or the scene of an accident or Medical Emergency;

- To the nearest Hospital, or other Emergency Care Facility, that can provide the Medically Necessary Covered Services for the Member's condition.
- Regarding Non-Emergency Ambulance transport:
  - Non-emergency air or ground facility to facility transport may be covered when Medically Necessary as determined by the Health Benefit Plan (e.g. sending facility does not have the required services to effectively treat the Member, such as trauma or burn care).
  - Non-emergency air or ground transport may be covered to transport the Member back to a Participating Facility Provider in the Member's Service Area as determined by the Health Benefit Plan, when:
    - The transfer is Medically Necessary (as determined by the Health Benefit Plan definition of Medical Necessity); and
    - The Member's medical condition requires uninterrupted care and attendance by qualified medical staff during transport by either ground ambulance, or by air transport when transfer cannot be safely provided by land ambulance; and
    - Non-emergency ambulance transports are not provided for family members or companions, or for the convenience of the Member, the family, or the Provider treating the Member.

### **Autism Spectrum Disorders (ASD)**

The Health Benefit Plan will provide coverage for the diagnostic assessment and treatment of Autism Spectrum Disorders (ASD) for the Members under 21 years of age when provided or Referred by the Primary Care Physician for the development of an ASD Treatment Plan. Benefits are subject to the ASD Annual Benefit Maximum listed in the Member's **Schedule of Covered Services**. All Medically Necessary care available for the treatment of ASD will be accrued against the ASD Annual Benefit Maximum. Treatment of Autism Spectrum Disorders must be:

- Prescribed, ordered or provided by a Participating Professional Provider, including the Member's Primary Care Physician, Referred Specialist, licensed physician assistant, licensed Psychologist, Licensed Clinical Social Worker or Certified Registered Nurse practitioner;
- Provided by an Autism Service Provider, including a Behavior Specialist; or
- Provided by a person, entity or group that works under the direction of an Autism Service Provider.

Treatment of Autism Spectrum Disorders is defined as any of the following Medically Necessary services that are listed in an ASD Treatment Plan developed by a licensed Physician or licensed Psychologist who is a Participating Professional Provider:

- Applied Behavioral Analysis – The design, implementation and evaluation of environmental modifications, using behavioral stimuli and consequences, to produce socially significant improvement in human behavior or to prevent loss of attained skill or function, including the use of direct observation, measurement and functional analysis of the relations between environment and behavior.
- Pharmacy Care - means the following when Prescribed and/or ordered by a licensed Physician, licensed physician assistant or Certified Registered Nurse practitioner who is a Participating Professional Provider:
  - Medications; and
  - Any assessment, evaluation or test to determine the need or effectiveness of such medications.

If this Program provides benefits for Outpatient Prescription Drugs through this Program or under a Freestanding Prescription Drug agreement issued by an affiliate of Keystone, the ASD medications may be purchased at a pharmacy, subject to the cost-sharing arrangement applicable under a Prescription Drug benefit.

If this Program does not provide coverage for Outpatient Prescription Drugs through this Program or under a Freestanding Prescription Drug agreement issued by an affiliate of Keystone, ASD medications may be purchased at a retail pharmacy, and are covered at the cost sharing stated in the Member's **Schedule of Covered Services** subject to the ASD Annual Benefit Maximum. In order to receive reimbursement, the Member must submit a completed claim form to the address listed on the form. The Member can access a claim form at the Health Benefit Plan's website or the Member can call Customer Service at the phone number listed on the ID Card to have one mailed to them.

- Psychiatric Care – Direct or consultative services provided by a Physician specializing in psychiatry who is a Participating Professional Provider.
- Psychological Care – Direct or consultative services provided by a Psychologist who is a Participating Professional Provider.
- Rehabilitative Care – Professional services and treatment programs, including applied behavioral analysis, provided by an Autism Service Provider to produce socially significant improvements in human behavior or to prevent loss of attained skill or function.
- Therapeutic Care – Services provided by a speech language pathologist, occupational therapist or Physical Therapist who is a Participating Professional Provider.

An ASD Treatment Plan shall be developed by a licensed Physician or licensed Psychologist who is a Participating Professional Provider pursuant to a comprehensive evaluation or reevaluation performed in a manner consistent with the most recent clinical report or recommendations of the American Academy of Pediatrics. The ASD Treatment Plan may be reviewed by the Health Benefit Plan once every six months. A more or less frequent review can be agreed upon by the Health Benefit Plan and the licensed physician or licensed Psychologist developing the ASD Treatment Plan.

A diagnostic assessment is defined as Medically Necessary assessments, evaluations or tests performed by a Participating Professional Provider to diagnose whether an individual has an Autism Spectrum Disorder. Results of the diagnostic assessment shall be valid for a period of not less than 12 months, unless a licensed physician or licensed Psychologist determines an earlier assessment is necessary.

Upon full or partial denial of coverage for any Autism Spectrum Disorders benefits, a Member shall be entitled to file an appeal. The appeal process will:

- Provide internal review followed by independent external review; and,
- Have levels, expedited and standard appeal time frames, and other terms established by the Health Benefit Plan consistent with applicable Pennsylvania and federal law.

Appeal filing procedures will be described in notices denying any Autism Spectrum Disorders benefits. Full appeal process descriptions will be provided after a new appeal is initiated and can also be obtained at any time by contacting Customer Service.

## Consumable Medical Supplies

The Health Benefit Plan will provide coverage for the purchase of Consumable Medical Supplies when:

- It is used in the Member 's home; and
- It is obtained through a Participating Durable Medical Equipment Provider.

## Dental (Pediatric)

The Health Benefit Plan will provide coverage for Dental (Pediatric) benefits. Benefits described in this provision will end at the end of the contract year in which the Member turns age 19.

The following are shown on the **Schedule of Covered Services**, if applicable:

- Benefits;
  - Copayments;
  - Deductibles;
  - Annual Maximums;
  - Lifetime Maximums;
  - Out-of-Pocket Maximums; and
  - Waiting Periods.
- Services shown on the **Schedule of Covered Services** as covered are subject to:
    - Frequency; or
    - Age limitations that are detailed on the schedule, as well as the Exclusions provision listed in the **Exclusions – What is Not Covered** section.
- Only:
- Services;
  - Supplies; and
  - Procedures: Listed on the **Schedule of Covered Services** are Covered Services.

For items not listed (not covered):

- The Member is responsible for the full fee charged by the Dentist.

No benefits will be paid for services, supplies or procedures detailed in the **Exclusions – What is Not Covered** section.

It is important to remember the following about the Member's Dental (Pediatric) benefits:

- Member Cost Share
  - Not all dental procedures are covered.
  - If the procedure is not listed on **Schedule of Covered Services**, it is not covered.
  - The Member will be responsible to pay their Dentist the full charge for the uncovered service.
- Regarding Copayments
  - Certain procedures listed on the **Schedule of Covered Services** require the Member to pay a Copayment. Copayments are listed in the right-hand column on the Schedule.
  - The Member is responsible to pay the Copayments at the time of service unless they have made other arrangements with the Primary Dental Office or Specialty Care Dentist.
  - Copayments are the same whether the service is provided by the Member's Primary Dentist or by a Specialty Care Dentist through referral.
  - Services listed on the **Schedule of Covered Services** with a "0" in the right-hand column require no Copayment from the Member.

Services listed on the **Schedule of Covered Services** are also subject to Exclusions and Limitations.

Be sure to review:

- The **Schedule of Covered Services**; and
- The list of Exclusions listed in the **Exclusions – What is Not Covered** section.

Services not listed on the following are not covered and are the Member's responsibility:

- **Schedule of Covered Services**;
- Exclusions; or
- Those beyond stated Limitations.

▪ Other Charges for Alternative Treatment

- All diagnosis and treatment planning is provided by the Member's Primary Dental Office. Frequently, several alternate methods exist to treat a dental condition.

For example:

- A tooth can be restored with a crown or a filling; and
- Missing teeth can be replaced either with a fixed bridge or a partial denture.
- The Health Benefit Plan will make payment based upon the allowance for the less expensive procedure;
  - Provided that the less expensive procedure meets accepted standards of dental treatment.
- The Health Benefit Plan decision does not commit the Member to the less expensive procedure.  
However:
  - If the Member and the Dentist choose the more expensive procedure;
    - The Member is responsible for the additional charges beyond those paid or allowed by the Health Benefit Plan.

Occasionally, the Member and the Member's Primary Dental Office may consider alternative treatment plans that are not Covered Services.

In those instances: The Member is responsible for the additional cost for the alternative treatment.

The cost of the alternative treatment will be calculated:

- On the difference between the provider's usual fee for the alternative treatment; and
- The usual fee for the Covered Service plus the Copayment of the Covered Service.

▪ Payment of Benefits

The Health Benefit Plan will pay covered benefits:

- Directly to the Member's assigned Primary Dental Office; or
- The Specialty Care Dentist.

Payment is based on allowances contracted with In-Network Dentists.

All contracts between the Health Benefit Plan and the In-Network Dentists state: That under no circumstances will the Member be liable to any Dentist for any sum owed by the Health Benefit Plan to the Dentist.

In any instance where the Health Benefit Plan fails or refuses to pay the Dentist: Such dispute is solely between the Dentist and the Health Benefit Plan.

Other than Copayments, the Member is not liable for any monies the Health Benefit Plan fails or refuses to pay.

- How To Access Dental Care

- Choice of Provider at Enrollment
  - The Member must select a Primary Dental Office.
  - Each Member may select a different Primary Dental Office.
  - The Primary Dental Offices will be notified of the Member's selection or assignment.

To find a Primary Dental Office, call Customer Service at the telephone number shown on the ID card.

- Once enrolled:
  - The Member will receive an ID Card; or
  - Other notification;
- Indicating:
  - The Member's contract ID number; and
  - Plan number.
- Present:
  - The Member ID card to the Member's dental office; or
  - Give the office the Member's ID number and Plan number.

If the Member's Dentist has questions about their eligibility or benefits, instruct the office to call the Health Benefit Plan.

- Changing Primary Dental Offices

The Member may request to change Primary Dental Offices at any time.

- Simply call Customer Service at the telephone number shown on the ID Card. The Member will be informed of:
  - The effective date of their transfer; and
  - The newly selected office will also be notified.
- The Member must request the transfer prior to seeking services from the new Primary Dental Office.
- Any dental procedures in progress must be completed before the transfer.
- If the Member is enrolled in a Primary Dental Office that stops participating in the Program, the Health Benefit Plan will notify the Member and assist the Member with selecting another Primary Dental Office.

- Coordination of Care and Referrals

The Primary Dental Office assigned to the Member must provide or coordinate all Covered Services.

When specialty care such as:

- Surgical treatment of the gums; or
- A root canal is needed;
  - The Primary Dentist may perform the procedure; or
  - Give the Member a written referral to a Specialty Care Dentist.

With the exception of:

- Dental Emergencies; or
- If a Primary Dentist or Specialty Care Dentist is not available in the Member's area:
  - All benefits must be provided by an In-Network Dentist.

When specialty care such as surgical treatment of the gums or a root canal is needed, the Primary Dentist may perform the procedure or refer the Member to a specialist.

- All referrals must be made to a participating Specialty Care Dentist.
- The Member's Primary Dentist will give them a written referral to take to the Specialty Care Dentist.
- The Specialty Care Dentist will perform the treatment and submit a claim and the referral to the Health Benefit Plan for processing.
  - The claim will be denied if the written referral is not submitted.
  - Referral is limited to endodontic, orthodontic, periodontic, oral surgery, and pedodontic Specialty Care Dentists.

Should the Member have any questions concerning their coverage, eligibility or a specific claim, contact the Health Benefit Plan's Customer Service at the telephone number shown on the ID Card.

▪ Orthodontic Coverage

With regard to Orthodontic coverage, "Medically Necessary" or "Medical Necessity" shall mean:

Health care services that a Physician or Dentist:

- Exercising prudent clinical judgment;
- Would provide to a patient for the purpose of;
  - Evaluating;
  - Diagnosing; or
  - Treating an illness, injury, disease; or
  - Its symptoms; and

That are:

- ❖ In accordance with the generally accepted standards of medical/dental practice;
- ❖ Clinically appropriate, in terms of type, frequency, extent, site and duration, and considered effective for the patient's illness, injury or disease; and
- ❖ Not primarily for the convenience of the patient or Physician/Dentist, and not more costly than an alternative service or sequence of services at least as likely to produce equivalent therapeutic or diagnostic results as to the diagnosis or treatment of that patient's illness, injury or disease.

As used the first bullet above, "generally accepted standards of medical/dental practice" means:

- Standards that are based on credible scientific evidence published in peer-reviewed, medical/dental literature generally recognized by the relevant professional community;
- Recognized Medical/Dental and Specialty Society recommendations;
- The views of Physicians/Dentists practicing in the relevant clinical area; and
- Any other relevant factors.

A Medically Necessary orthodontic service is an orthodontic procedure that occurs as part of an approved orthodontic plan that is intended to treat a severe dentofacial abnormality.

- Regarding coverage of Medically Necessary Orthodontics: Orthodontic treatment must be Medically Necessary and be the only method capable of:
  - Preventing irreversible damage to the Member's teeth or their supporting structures and,
  - Restoring the Member's oral structure to health and function.
- Members must have a fully erupted set of permanent teeth to be eligible for comprehensive, Medically Necessary orthodontic services.

- All Medically Necessary orthodontic services require prior approval and a written plan of care.

### **Diabetic Education Program**

When prescribed by a Participating Professional Provider legally authorized to prescribe such items under law, the Health Benefit Plan will provide coverage for diabetes Outpatient self-management training and education, including medical nutrition, for the treatment of:

- Insulin-dependent diabetes;
- Insulin-using diabetes;
- Gestational diabetes; and
- Noninsulin-using diabetes.

A Referral from the Member's Primary Care Physician is not required to obtain services for the Diabetic Education Program benefits.

When Physician certification must occur: The attending Physician must certify that a Member requires diabetic education on an Outpatient basis, under the following circumstances:

- Upon the initial diagnosis of diabetes;
- Upon a significant change in the Member's symptoms or condition; or
- Upon the introduction of new medication or a therapeutic process in the treatment or management of the Member's symptoms or condition.

Requirements that must be met: Outpatient diabetic education services will be covered when they meet specific requirements.

- These requirements are based on the certification programs for Outpatient diabetic education developed by the American Diabetes Association and the Pennsylvania Department of Health.
- Specific requirements: Outpatient diabetic education services and education program must:
  - Be provided by a Participating Provider
  - Be conducted under the supervision of a licensed health care professional with expertise in diabetes, and subject to the requirements of the Health Benefit Plan.

Covered Services include Outpatient sessions that include, but may not be limited to, the following information:

- |   |   |
|---|---|
| ▪ Initial assessment of the Member's needs;               | ▪ Monitoring and use of the monitoring results;   |
| ▪ Family involvement and/or social support;               | ▪ Prevention and treatment of complications for chronic diabetes, (That is, foot, skin and eye care); |
| ▪ Psychological adjustment for the Member;                | ▪ Use of community resources; and   |
| ▪ General facts/overview on diabetes;                     | ▪ Pregnancy and gestational diabetes, if applicable.  |
| ▪ Nutrition including its impact on blood glucose levels; |   |
| ▪ Exercise and activity;                                  |   |
| ▪ Medications;  |   |

### **Diabetic Equipment and Supplies**

- Coverage and costs: The Health Benefit Plan will provide coverage for diabetic equipment and supplies purchased from a Durable Medical Equipment Provider. This is subject to any applicable Deductible, Copayment and/or Coinsurance or Precertification requirements applicable to Durable Medical Equipment benefits.

- When diabetic equipment and supplies can be purchased at a pharmacy: This Program provides benefits for Prescription Drugs:
  - Certain diabetic equipment and supplies, including insulin and oral agents, may be purchased at a pharmacy, if available.
  - This will be subject to the cost-sharing arrangements, applicable to the Prescription Drug coverage.
- When diabetic equipment and supplies are not available at a pharmacy:
  - The diabetic equipment and supplies will be provided under the Durable Medical Equipment benefit.
  - This will be subject to the cost-sharing arrangements applicable to Durable Medical Equipment.
- Covered Diabetic Equipment:
  - Blood glucose monitors;
  - Insulin pumps;
  - Insulin infusion devices; and
  - Orthotics and podiatric appliances for the prevention of complications associated with diabetes.

### **Diagnostic Services**

The Health Benefit Plan will provide coverage for the following Diagnostic Services, when ordered by a Participating Professional Provider; and billed by a Referred Specialist, and/or a Participating Facility Provider:

- Routine Diagnostic Services, such as:
  - Routine radiology: Consisting of x-rays, mammograms, ultrasound, and nuclear medicine;
  - Routine medical procedures: Consisting of ECG, EEG, and other diagnostic medical procedures approved by the Health Benefit Plan; and
  - Allergy testing: Consisting of percutaneous, intracutaneous and patch tests.
- Non-Routine Diagnostic Services, such as:
  - Nuclear Cardiology Imaging;
  - Operative and diagnostic endoscopies;
  - MRI/MRA;
  - CT Scans,
  - PET Scans; and
  - Sleep Studies.
- Genetic testing and counseling.  
 This includes services provided to a Member at risk for a specific disease that is a result of:
  - Family history; or
  - Exposure to environmental factors that are known to cause physical or mental disorders.

When clinical usefulness of specific genetic tests has been established by the Health Benefit Plan, these services are covered for the purpose of:

- |  |  |
|--|--|
| <ul style="list-style-type: none"> <li>– Diagnosis;</li> <li>– Screening;</li> </ul> | <ul style="list-style-type: none"> <li>– Judging the response to a therapy;</li> <li>– Examining risk for a disease; or</li> </ul> |
|--|--|

- Predicting the course of a disease;
- Reproductive decision-making.

### **Durable Medical Equipment**

The Health Benefit Plan will provide coverage for the rental (but not to exceed the total allowance of purchase) or, at the option of the Health Benefit Plan, the purchase of standard Durable Medical Equipment (DME) when:

- It is used in the patient's Home; and
- It is obtained through a Participating Durable Medical Equipment Provider.

### **Replacement and Repair**

The Health Benefit Plan will provide coverage for the repair or replacement of Durable Medical Equipment when the equipment:

- Does not function properly; and
- Is no longer useful for its intended purpose, in the following limited situations:
  - Due to a change in a Member's condition: When a change in the Member's condition requires a change in the Durable Medical Equipment the Health Benefit Plan will provide repair or replacement of the Equipment;
  - Due to breakage: When the Durable Medical Equipment is broken due to significant damage, defect, or wear, the Health Benefit Plan will provide repair or replacement only if the equipment's warranty has expired and it has exceeded its reasonable useful life as determined by the Health Benefit Plan.

Breakage under warranty: If the Durable Medical Equipment breaks while it is under warranty, replacement and repair is subject to the terms of the warranty. Contacts with the manufacturer or other responsible party to obtain replacement or repairs based on the warranty are the responsibility of:

- The Health Benefit Plan in the case of rented equipment; and
- The Member, in the case of purchased equipment.

Breakage during reasonable useful lifetime: The Health Benefit Plan will not be responsible if the Durable Medical Equipment breaks during its reasonable useful lifetime for any reason not covered by warranty. For example, the Health Benefit Plan will not provide benefits for repairs and replacements needed because the equipment was abused or misplaced.

Cost to repair vs. cost to replace: The Health Benefit Plan will provide benefits to repair Durable Medical Equipment when the cost to repair is less than the cost to replace it. For purposes of replacement or repair of Durable Medical Equipment:

- Replacement means the removal and substitution of Durable Medical Equipment or one of its components necessary for proper functioning.
- A repair is a restoration of the Durable Medical Equipment or one of its components to correct problems due to wear or damage or defect.

### **Habilitative Services**

Health care services that help a Member keep, learn or improve skills and functioning for daily living. Examples include therapy for a child who isn't walking or talking at the expected age. These services may include physical and occupational therapy, speech-language pathology and other services for people with disabilities in a variety of inpatient and/or outpatient settings.

## Home Health Care

- Covered Services: The Health Benefit Plan will provide coverage for the following services when performed by a licensed Home Health Care Provider:
  - Professional services of appropriately licensed and certified individuals;
  - Intermittent Skilled Nursing Care;
  - Physical Therapy;
  - Speech Therapy;
  - Well mother/well baby care following release from an Inpatient maternity stay; and
  - Care within 48 hours following release from an Inpatient Admission when the discharge occurs within 48 hours following a mastectomy.
- Regarding well mother/well baby care: With respect to well mother/well baby care following early release from an Inpatient maternity stay, Home Health Care services must be provided within 48 hours if:
  - Discharge occurs earlier than 48 hours of a vaginal delivery; or
  - Discharge occurs earlier than 96 hours of a cesarean delivery.No cost sharing shall apply to these benefits when they are provided after an early discharge from the Inpatient maternity stay.
- Regarding other medical services and supplies: Benefits are also provided for certain other medical services and supplies, when provided along with a primary service. Such other services and supplies include:
  - Occupational Therapy;
  - Medical social services; and
  - Home health aides in conjunction with skilled services and other services which may be approved by the Health Benefit Plan.
- Regarding Medical Necessity: Home Health Care benefits will be provided only when prescribed by the Member's attending Physician, in a written Plan Of Treatment and approved by the Health Benefit Plan as Medically Necessary.
- Regarding the issue of being confined: There is no requirement that the Member be previously confined in a Hospital or Skilled Nursing Facility prior to receiving Home Health Care.
- Regarding being Homebound: With the exception of Home Health Care provided to a Member, immediately following an Inpatient release for maternity care, the Member must be Homebound in order to be eligible to receive Home Health Care benefits by a Home Health Care Provider.

Limitations: This benefit is subject to the limits shown in the ***Schedule of Covered Services***.

## Injectable Medications

The Health Benefit Plan will provide coverage for injectable medications required in the treatment of an injury or illness when administered by a Participating Professional Provider.

- Specialty Drugs
  - Refers to a medication that meets certain criteria including, but not limited to:
    - The drug is used in the treatment of a rare, complex, or chronic disease;
    - A high level of involvement is required by a healthcare Provider to administer the drug;
    - Complex storage and/or shipping requirements are necessary to maintain the drug's stability;
    - The drug requires comprehensive patient monitoring and education by a healthcare Provider regarding safety, side effects, and compliance;

- Access to the drug may be limited; and
- Some Generic Drugs are included in this category and are subject the Specialty Drug cost-sharing.
- Specialty Drugs can be categorized into different drug classes, including Gene Replacement Therapies. To obtain a list of Specialty Drugs, please go to [www.ibx.com/resources/for-providers/policies-and-guidelines/pharmacy-information/specialty-drugs](http://www.ibx.com/resources/for-providers/policies-and-guidelines/pharmacy-information/specialty-drugs) or call the Customer Service telephone number shown on the Member's ID Card.
- Gene Replacement Therapies are eligible for coverage under the medical benefit and require Preapproval from the HMO. Gene Replacement Therapies that are eligible for coverage are included on the Preapproval list. This list can be found at: <https://www.ibx.com/resources/for-providers/policies-and-guidelines/operations-management/preapproval-requirements>.

### **Dual Coverage**

Coverage and costs: The Health Benefit Plan will provide coverage for an injectable medication in accordance with Medical Policy coverage criteria and the terms and conditions of this Benefit Booklet. This is subject to any applicable Deductible, Copayment and/or Coinsurance or Preapproval requirements:

- If the drug is covered under the Injectable Medication benefit of this Benefit Booklet and is administered by a healthcare Provider in a Hospital Outpatient facility, provider's office, ambulatory (or free-standing) infusion suite, home (through a home infusion vendor), inpatient Hospital, or any other health care facility, this drug is eligible for coverage under the medical benefit:
  - Injectable medications are subject to the cost-share specified in the Schedule of Covered Services.
- Certain injectable medications may have a different formulation that is deemed eligible for coverage under the prescription drug benefit, if the benefit exists for the drug and if the Member can safely self-administer the drug without the assistance of a healthcare Provider, in accordance with the drug's prescribing information:
  - Self-administered drugs are subject to the cost sharing associated with the terms of the Member's prescription drug benefit.
- Cost-sharing amounts for a drug that may be eligible for coverage under the Member's medical benefit or prescription drug benefit may vary. Members should discuss these coverage options with their healthcare Provider. Member financial responsibilities (including Deductible, Copayment, and/or Coinsurance) depend on the terms and conditions of the Member's applicable benefit. These terms and conditions are subject to change.
- **Standard Injectable Drugs**
  - Standard Injectable Drugs refer to a medication that is either injectable or infusible, but is not defined by the Health Benefit Plan to be a Self-Administered Prescription Drug or a Specialty Drug.
  - These include, but are not limited to:
    - Allergy injections and extractions; and
    - Injectable medications such as antibiotics and steroid injections that are administered by a Professional Provider.

- Self-Administered Prescription Drugs
    - Generally are not covered, except as provided under the “Prescription Drugs” section of the **Description of Covered Services**.
- For more information on Self-Administered Prescription Drugs, please refer to the **Exclusions – What Is Not Covered section**.

  - Homocystinuria.

Coverage is provided when administered on an Outpatient basis, either orally or through a tube.
- The Health Benefit Plan will provide coverage for Nutritional Formulas when the Nutritional Formula is taken orally or through a tube by an infant or child suffering from Severe Systemic Protein Allergy, food protein-induced enterocolitis syndrome, eosinophilic disorders, or short-bowel syndrome that do not respond to treatment with standard milk or soy protein formulas and casein hydrolyzed formulas.

The Health Benefit Plan will provide coverage for Medical Foods and Nutritional Formulas when provided through a Durable Medical Equipment supplier or in connection with Infusion Therapy as provided for in this Program.

An estimated basal caloric requirement for Medical Foods and Nutritional Formula is not required for those with IEMs, or for when administered through a tube.

### Non-Surgical Dental Services

The Health Benefit Plan will provide coverage only for:

- The initial treatment of Accidental Injury/trauma, (That is, fractured facial bones and fractured jaws), in order to restore proper function.
- Restoration of proper function includes the dental services required for the initial restoration or replacement of Sound Natural Teeth, required for the initial treatment for the Accidental Injury/trauma. This includes:
  - The first caps;
  - Crowns;
  - Bridges; and
  - Dentures (but not dental implants).
- The preparation of the jaws and gums required for initial replacement of Sound Natural Teeth.

### Orthotics (Devices Used for Support of Bones and Joints)

The Health Benefit Plan will provide coverage for:

- The first purchase and fitting: This is the initial purchase and fitting (per medical episode) of orthotic devices which are Medically Necessary as determined by the Health Benefit Plan.

This does not include foot orthotics, unless the Member requires foot orthotics as a result of diabetes.

- Replacements due to growth: The replacement of covered orthotics for Dependent children when required due to natural growth.

**Note:** Foot orthotics, ordered and covered as a result of diabetes, must be purchased through a Participating Durable Medical Equipment Provider.

## Prescription Drugs

The Health Benefit Plan will provide benefits for Prescription Drugs for Covered Drugs Or Supplies appearing on the Drug Formulary that are dispensed based upon a Prescription Order Or Refill for use when a Member is not an Inpatient. Benefits for Covered Drugs Or Supplies are subject to cost sharing as shown on the **Schedule of Covered Services** under Prescription Drug and included in the Prescription Drug Limitations.

In certain cases, the Health Benefit Plan may determine that the use of certain Covered Drugs Or Supplies for a Member's medical condition requires prior authorization for Medical Necessity.

In certain cases where the Health Benefit Plan determines there may be Prescription Drug usage by a Member that exceeds what is generally considered appropriate under the circumstances, the Health Benefit Plan has the right to direct that Member to one Pharmacy for all future Covered Drugs Or Supplies.

The Health Benefit Plan provides benefits for the Member's Covered Drugs Or Supplies as described below, after the Member satisfies the Program Deductible, if applicable:

- Contraceptives Drugs and Devices– Coverage includes benefits for Contraceptive Drugs and Devices as mandated by the Women's Preventive Services provision of the Patient Protection and Affordability for certain generic products and brand products approved by the Federal Food and Drug Administration are covered at no cost-share to the Member when obtained from an Participating Pharmacy or Participating Mail Service Pharmacy. Coverage includes oral and injectable contraceptives, diaphragms, cervical caps, rings, transdermal patches, emergency contraceptives and certain over-the-counter contraceptive methods. The noted standard cost-sharing in the "Prescription Drugs" section of the **Schedule of Covered Services** applies for all other contraceptive products.
- Drugs From a Non-Participating Pharmacy - Covered Drugs Or Supplies furnished by a Non-Participating Pharmacy when the Member submits acceptable proof of payment with a direct reimbursement form. Reimbursement for Covered Drugs Or Supplies will not exceed 30% of the usual and customary charge after the Deductible is applied, if applicable. The Member must submit acceptable proof of payment with a direct reimbursement form. All claims for payment must be received within 90 days of the date of proof of purchase. Direct reimbursement forms may be obtained by contacting the Customer Service Department.
- Drugs From a Participating Pharmacy - Covered Drugs Or Supplies furnished by a retail Participating Pharmacy without charge except for the Prescription Drug cost sharing for each Prescription Order or Refill. Cost sharing, Limitations, or maximums are listed on the **Schedule of Covered Services**.
- Drugs From a Participating Mail Service Pharmacy – Covered Maintenance Prescription Drugs or Supplies furnished by a Participating Mail Service Pharmacy subject to the Prescription Drug cost sharing for each Prescription Order or Refill.
- Drugs from Retail Participating Pharmacy Same Cost Share as Participating Mail Service

Pharmacy - Benefits shall also be provided for covered Prescription Drugs prescribed by a Physician for Covered Maintenance Prescription Drugs or Supplies and dispensed by a designated retail pharmacy or an Act 207 retail Participating Pharmacy. The cost sharing indicated in the "Prescription Drugs" subsection of the Schedule of Covered Services section for Participating Mail Order Pharmacies will apply. Benefits are available for up to a 90-day supply. To verify that a retail Pharmacy is a designated retail pharmacy or a participating Act 207 Pharmacy, access [www.ibx.com](http://www.ibx.com).

- Insulin - only by Prescription Order Or Refill. Coverage includes, insulin, disposable insulin needles and syringes, diabetic blood testing strips, lancets and glucometers. There is no Prescription Drug cost sharing requirement for lancets and glucometers obtained through a Participating Pharmacy or a Participating Mail Service Pharmacy.
- Over-the-Counter Drugs - Prescription Drug Benefits cover insulin and certain over-the-counter drugs that are prescribed by a physician in accordance with applicable law.
- Prescribing Physician - Covered Drugs Or Supplies and covered Maintenance Prescription Drugs Prescribed by the Member's Primary Care Physician or Referred Specialist and furnished by a Participating Pharmacy. Generically equivalent pharmaceuticals will be dispensed whenever applicable. Prescription Drugs contained in the Drug Formulary will be Prescribed and dispensed whenever appropriate, pursuant to the professional judgment of the Primary Care Physician, Referred Specialist and/or the Pharmacist. Drugs not listed in the Drug Formulary shall not be covered. To obtain a copy of the Formulary, the Member should call Customer Service at the phone number shown on the ID Card.
- Self-Administered Medications – Benefits are provided for Self-Administered Covered Drugs Or Supplies.
- Specialty Drugs - The Health Benefit Plan will provide benefits for covered Specialty Drugs exclusively through the pharmacy benefits manager's (PBM's) Specialty Pharmacy or through the Plan's retail pharmacy network for the appropriate cost sharing for Participating Pharmacies indicated in the "Prescription Drugs" subsection of **Schedule of Covered Services**. Benefits are available for up to a 30 day supply. No benefits shall be provided for Specialty drugs obtained through a Non-Participating Pharmacy.
- Vitamins that require a Prescription Order or Refill.

The Health Benefit Plan requires prior authorization (by the Member's Physician) for certain drugs to ensure that the prescribed drug is medically appropriate. Where prior authorization or quantity level limits are imposed, the Member's Physician may request an exception for coverage by providing documentation of Medical Necessity.

The Member may obtain information about:

- Whether a particular Prescription Drug appears on the Drug Formulary; or
- How to request an exception

by calling Customer Service at the phone number listed on the back of the Member's ID Card.

Information about criteria and how cost-share will be determined for formulary exceptions can be found in the Formulary Exception Policy at [www.ibx.com/formularyexceptionspolicy](http://www.ibx.com/formularyexceptionspolicy). The Member may request a hardcopy of the policy or obtain information about how to request an exception by calling Customer Service at the phone number on the Identification Card.

The Member, or their Physician acting on the Member's behalf, may appeal any denial of benefits through the **Complaint Appeal and Grievance Appeal Process** described in the Benefit Booklet.

## **Prosthetic Devices**

The Health Benefit Plan will provide coverage for Prosthetic Devices required as a result of illness or injury. Benefits include but are not limited to:

- The purchase and fitting, and the necessary adjustments and repairs, of Prosthetic Devices and supplies (except dental prostheses);
- Supplies and replacement of parts necessary for the proper functioning of the Prosthetic Device;
- Visual Prosthetics when Medically Necessary and Prescribed for one of the following conditions:
  - Initial contact lenses Prescribed for the treatment of infantile glaucoma;
  - Initial pinhole glasses Prescribed for use after Surgery for detached retina;
  - Initial corneal or scleral lenses Prescribed in connection with the treatment of keratoconus or to reduce a corneal irregularity (other than astigmatism);
  - Initial scleral lenses Prescribed to retain moisture in cases where normal tearing is not present or adequate; and
  - An initial pair of basic eyeglasses when Prescribed to perform the function of a human lens lost (aphakia) as a result of Accidental Injury, Trauma, or Ocular Surgery.

The "Repair and Replacement" paragraphs set forth below do not apply to this item.

The Health Benefit Plan will provide coverage for the replacement of a previously approved Prosthetic Device with an equivalent Prosthetic Device when:

- There is a significant change in the Member's condition that requires a replacement;
- The Prosthetic Device breaks because it is defective;
- The Prosthetic Device breaks because it has exceeded its life duration as determined by the manufacturer; or
- The Prosthetic Device needs to be replaced for a Dependent child due to the normal growth process when Medically Necessary.

The Health Benefit Plan will provide coverage for the repair of a Prosthetic Device when the cost to repair is less than the cost to replace it. Repair means the restoration of the Prosthetic Device or one of its components to correct problems due to wear or damage. Replacement means the removal and substitution of the Prosthetic Device or one of its components necessary for proper functioning.

If an item breaks and is under warranty, it is the Member's responsibility to work with the manufacturer to replace or repair it.

The Health Benefit Plan will neither replace nor repair the Prosthetic Device due to abuse or loss of the item.

## **Rehabilitative Services**

- Occupational Therapy  
Coverage will also include services rendered by a registered, licensed occupational therapist. The Member is required to have these services performed by the Member's Primary Care Physician's Designated Provider.
- Physical Therapy  
Includes treatment by physical means, heat, hydrotherapy or similar modalities, physical agents, bio- mechanical and neuro-physiological principles, and devices to relieve pain, restore maximum function, and prevent disability following disease, injury, or loss of body

part. The Member is required to have these services performed by the Member's Primary Care Physician's Designated Provider.

- Speech Therapy

Includes treatment for the correction of a speech impairment resulting from disease, Surgery, injury, congenital anomalies, or previous therapeutic processes. Coverage will also include services by a speech therapist.

### **Specialist Office/Telemedicine Visits**

The Health Benefit Plan will provide coverage for Specialist Services Medical Care provided in the office by a Referred Specialist other than a Primary Care Provider.

For the purpose of this benefit "in the office" includes:

- Medical Care visits to a Provider's office;
- Medical Care visits by a Provider to the Member's residence; or
- Medical Care consultations by a Provider on an Outpatient basis.

For the purpose of this benefit, "Telemedicine Visits" include Medical Care visits when the encounter takes place via a secure Health Insurance Portability and Accountability Act (HIPAA) – compliant interactive audio and video telecommunications system as specified in the Health Benefit Plan's policies.

### **Spinal Manipulation Services**

- The Health Benefit Plan will provide coverage for the detection and correction of structural imbalance or dislocation (subluxation) of the Member's spine resulting from, or related to any of the following:
  - Distortion of, or in, the vertebral column;
  - Misalignment of, or in, the vertebral column; or
  - Dislocation (Subluxation) of, or in, the vertebral column.

The detection and correction can be done by manual or mechanical means (by hand or machine).

This service will be provided up to the limits specified in the ***Schedule of Covered Services*** for spinal manipulations.

### **Therapy Services**

The Health Benefit Plan will provide coverage for the following forms of therapy:

- Cardiac Rehabilitation Therapy

Refers to a medically supervised rehabilitation program designed to improve a Member's tolerance for physical activity or exercise.

- Chemotherapy

The treatment of malignant disease by chemical or biological antineoplastic agents used to kill or slow the growth of cancerous cells. The cost of these drugs/biologics is covered, provided if it meets all of the criteria listed below:

- Drugs/biologics are approved by the U.S. Food and Drug Administration (FDA) as antineoplastic agents.
- The FDA- approved use is based on reliable evidence demonstrating positive effect on health outcomes and/or the use is supported by the established referenced Compendia identified in the Company's policies.

- Drugs/biologics are eligible for coverage when they are injected or infused into the body by a professional provider.
- Dialysis  
Dialysis treatment when provided in the Outpatient facility of a Hospital, a free-standing renal Dialysis facility or in the home. In the case of home Dialysis, Covered Services will include equipment, training, and medical supplies. Private Duty Nursing is not covered as a portion of Dialysis. The decision to provide Covered Services for the purchase or rental of necessary equipment for home Dialysis will be made by the Health Benefit Plan. The Covered Services performed in a Participating Facility Provider or by a Participating Professional Provider for Dialysis are available without a Referral.
- Infusion Therapy  
The infusion of drug, hydration, or nutrition (parenteral or enteral) into the body by a healthcare Provider. Infusion therapy includes all professional services, supplies, and equipment that are required to safely and effectively administer the therapy. Infusion may be provided in a variety of settings (For example, home, office, Outpatient) depending on the level of skill required to prepare the drug, administer the infusion, and monitor the Member. The type of healthcare Provider who can administer the infusion depends on whether the drug is considered to be a Specialty Drug infusion or a Standard Injectable Drug infusion, as determined by the Health Benefit Plan.
- Pulmonary Rehabilitation Therapy  
Includes treatment through a multidisciplinary program which combines Physical Therapy with an educational process directed towards the stabilization of pulmonary diseases and the improvement of functional status.
- Radiation Therapy  
The treatment of disease by x-ray, radium, radioactive isotopes, or other radioactive substances regardless of the method of delivery, including the cost of radioactive materials supplied and billed by the Provider.
- Respiratory Therapy  
Includes the introduction of dry or moist gases into the lungs for treatment purposes. Coverage will also include services by a respiratory therapist.

### **Urgent Care Centers**

The Health Benefit Plan will provide coverage for Urgent Care Centers, when Medically Necessary as determined by the Health Benefit Plan.

- Urgent Care Centers are designed to offer immediate evaluation and treatment for health conditions that require medical attention:
  - In a non-Emergency situation;
  - That cannot wait to be addressed by the Member's Participating Professional Provider or Retail Clinic.

Cost-sharing requirements are specified in the ***Schedule of Covered Services***.

## Virtual Care Services

### Services Provided by Contracted Vendors:

Virtual care services are provided by contracted vendors who are licensed to provide standard medical assessments, treatments, care and services to patients via the telephone, secure video, audio or instant messaging when a Professional Provider is unavailable or inaccessible. These licensed providers do not replace an existing Professional Provider relationship but enhances it with an efficient, convenient alternative for non-emergency medical problems. The applicable vendor provider cost-sharing requirements are specified in the Schedule of Covered Services. The Member will pay the applicable cost-sharing via credit or debit card prior to the consultation.

### Benefits Provided by Professional Provider:

Virtual care services are also covered, when provided by a Participating Professional Provider and subject to the relevant cost share applicable to that provider. The provider's eligibility will be determined by the Health Benefits plan in the Health Benefit Plan's Medical Policies, who is licensed in the state where the virtual care service is being offered. Virtual care services are covered when the encounter takes place via a secure Health Insurance Portability and Accountability Act (HIPAA)-compliant interactive audio and video telecommunications system as specified in the Health Benefit Plan's Medical Policies.

## Vision Care

Vision screening to determine the need for refraction when performed by the Member's Primary Care Physician.

### Vision Care - (Adult)

The Health Benefit Plan will provide coverage for Vision Care - (Adult). This benefit is applicable to Members over 19 years of age and older.

- Vision Examination  
Each Member may have one routine eye exam and refraction every one calendar year. These services must be provided by a Participating Provider. A list of Participating Providers is available through Customer Service.
- Prescription Lenses And Frames or Contact Lenses From A Participating Provider  
Each Member is entitled to the following benefits for vision frames and prescription lenses once every one calendar year when provided by a Participating Provider. A list of Participating Providers is available through Customer Service.
  - One pair of frames from a select group of frames; and
  - One set of eyeglass lenses that may be plastic or glass lenses, single, bifocal, or trifocal lenses, lenticular lenses, polycarbonate lenses and monocular patients and patients with prescriptions greater than or equal to +/- 6.00 diopters and/or oversized lenses; or
  - Contact Lenses

Benefits are provided for prescription contact lenses in lieu of eyeglasses, up to the limits shown in the **Schedule of Covered Services** for Vision Care (Adult), once every Vision Care (Adult) Benefit Period.

A Member who receives Vision Care – Adult services from a Participating Provider can elect to utilize a Non-Participating Provider for related Vision Care – Adult services on the recommendation or referral of the Participating Provider, provided that the Participating Provider gives to the Member, prior to recommending, referring, Prescribing or ordering any

Vision Care - Adult services from the Non-Participating Provider, written notice that:

- The Non-Participating Provider is not a Participating Provider;
- The Member has the option of selecting a Participating Provider; and
- The Member may have different financial obligations depending on whether the Vision Care - Adult Provider is a Participating Provider or a Non-Participating Provider.

Vision Care - Adult services received from a Non-Participating Provider are not covered under this Health Benefit Plan.

### **Vision Care (Pediatric)**

The Health Benefit Plan will provide coverage for Vision Care - (Pediatric). This benefit is applicable to Members under 19 years of age. All Vision Care Benefits under this section end at the end of the month in which the Member turns age 19.

#### ▪ Vision Examination

Each Member may have one routine eye exam and refraction every *one calendar year*.

These services must be provided by a Participating Provider. A list of Participating Providers is available through Customer Service.

#### ▪ Prescription Lenses And Frames or Contact Lenses From A Participating Provider

Each Member is entitled to the following benefits for vision frames and prescription lenses once every one calendar year when provided by a Participating Provider. A list of Participating Providers is available through Customer Service.

- One pair of frames from a select group of frames; and
- One set of eyeglass lenses that may be:
  - Plastic or glass lenses;
  - Single;
  - Bifocal or trifocal lenses;
  - Lenticular lenses; or
  - Polycarbonate lenses;
  - For Dependent children and monocular patients and patients with prescriptions greater than or equal to +/- 6.00 diopters and/or oversized lenses; or
- Contact Lenses
- Frames and prescription lenses covered by this Program and described in this Benefit Booklet are limited to the Pediatric Frame Selection of covered frames and prescription lenses.
- The Participating Provider will show the Member the selection of frames and prescription lenses covered by this Program.
- If the Member selects a frame or prescription lenses that are not included in the Pediatric Frame Selection covered under this Program, the Member is responsible for:
  - The difference in cost between the Participating Provider reimbursement amount for covered frames and prescription lenses from the Pediatric Frame Selection; and
  - The retail price of the frame and prescription lenses selected.
- Any amount paid to the Participating Provider for the difference in cost of a non-Pediatric Frame Selection frame or prescription lenses will not apply to any applicable Deductible or Out-of-Pocket Maximum.

A Member who receives Vision Care – Pediatric services from a Participating Provider can elect to utilize a Non-Participating Provider for related Vision Care – Pediatric services on the

recommendation or referral of the Participating Provider, provided that the Participating Provider gives to the Member, prior to recommending, referring, Prescribing or ordering any Vision Care - Pediatric services from the Non-Participating Provider, written notice that:

- The Non-Participating Provider is not a Participating Provider;
- The Member has the option of selecting a Participating Provider; and
- The Member may have different financial obligations depending on whether the Vision Care - Pediatric Provider is a Participating Provider or a Non-Participating Provider.

Vision Care - Pediatric services received from a Non-Participating Provider are not covered under this Health Benefit Plan.

## **EMERGENCY AND URGENT CARE**

### **WHAT ARE EMERGENCY SERVICES?**

"Emergency Services" are any health care services, including services for Mental Illness, provided to a Member after the sudden onset of a medical condition. The condition manifests itself by acute symptoms of sufficient severity or severe pain, such that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in:

- Placing the health of the Member or with respect to a pregnant Member, the health of the Member or unborn child, in serious jeopardy;
- Serious impairment to bodily functions; or
- Serious dysfunction of any bodily organ or part.

Emergency transportation and related Emergency Service provided by a licensed ambulance service shall constitute an Emergency Service.

### **Emergency Services Inside and Outside the Service Area**

Emergency Services are covered whether they are provided inside or outside Keystone's Service Area. Emergency Services do not require a Referral for treatment from the Member's Primary Care Physician. The Member must notify their Primary Care Physician to coordinate all continuing care. Medically Necessary Care by any Provider other than the Member's Primary Care Physician will be covered until the Member can, without medically harmful consequences, be transferred to the care of the Member's Primary Care Physician or Referred Specialist.

Examples of conditions requiring Emergency Services are: excessive bleeding; broken bones; serious burns; sudden onset of severe chest pain; sudden onset of acute abdominal pains; poisoning; unconsciousness; convulsions; and choking.

**Note:** For Emergency Care provided by certain Non-Participating Providers, for example, ambulance services, in accordance with applicable law, the Health Benefit Plan will reimburse the Non-Participating Provider at an in-network rate directly. In this instance the specified Non-Participating Provider will not bill the Member for amounts in excess of the Health Benefit Plan's payment for the Emergency Care. Payment for Emergency Services provided by Non-Participating Providers will be the greater of:

- The median of the amounts paid to Participating Providers for Emergency Services;
- The amount paid to Non-Participating Providers; or
- The amount paid by Medicare.

It is the Member's responsibility to contact the Health Benefit Plan for any bill the Member receives for Emergency Services or out-of- area Urgent Care provided by a Non-Participating

Provider. If the Member receives any bills from the Provider, the Member needs to contact Customer Service at the telephone number on the Member's ID card. When the Member notifies the Health Benefit Plan about these bills, the Health Benefit Plan will resolve the balance billing.

### **MEDICAL SCREENING EVALUATION**

Medical Screening Evaluation services will be Covered Services when performed in a Hospital emergency department for the purpose of determining whether or not an Emergency exists.

**NOTE: If the Member believes they need Emergency Services, the Member should call 911 or go immediately to the emergency department of the closest Hospital. Coverage of reasonably necessary costs associated with Emergency Services provided during the period of the Emergency is covered by this Program.**

### **WHAT IS URGENT CARE?**

"Urgent Care" needs are for sudden illness or Accidental Injury that require prompt medical attention, but are not life-threatening and are not Emergency medical conditions, when the Member's Primary Care Physician is unavailable. Examples of Urgent Care needs include stitches, fractures, sprains, ear infections, sore throats, rashes and X-rays that are not Preventive Care or Follow-up Care.

#### **Urgent Care Inside Keystone's Service Area**

If the Member is within the Service Area and they need Urgent Care, they call their Primary Care Physician first. The Member's Primary Care Physician provides coverage 24 hours a day, seven days a week for Urgent Care. The Member's Primary Care Physician, or the Physician covering for their Primary Care Physician, will arrange for appropriate treatment. Urgent Care services may also be accessed directly at an Urgent Care Center or Retail Clinic.

Urgent Care provided within the Service Area will be covered only when provided or Referred by the Member's Primary Care Physician, or when provided at an Urgent Care Center or Retail Clinic without a Referral.

### **WHAT IS FOLLOW-UP CARE?**

"Follow-Up Care" is Medically Necessary follow-up visits that occur while the Member is outside Keystone's Service Area. Follow-Up Care is provided only for urgent ongoing treatment of an illness or injury that originates while the Member is in the Health Benefit Plan's Service Area. An example is Dialysis. Follow-Up Care must be Preapproved by the Member's Primary Care Physician prior to traveling. This service is available for temporary absences (less than 90 consecutive days) from the Health Benefit Plan's Service Area.

### **ACCESS TO COVERED SERVICES OUTSIDE KEYSTONE'S SERVICE AREA**

Members have access to health care services when traveling outside of Keystone's service area. The length of time that the Member will be outside the Service Area will determine whether benefits will be available through the BlueCard Program or the Away From Home Care Guest Membership Program.

Out of pocket costs for Covered Services are limited to applicable Copayments. A claim form is not required to be submitted in order for a Member to receive benefits for Covered Services, provided the Member meets the requirements identified below.

## **THE BLUECARD®PROGRAM**

Through the BlueCard Program, Urgent Care Benefits cover Medically Necessary treatment for any unforeseen illness or injury that requires treatment prior to when the Member returns to Keystone's Service Area. Covered Services for Urgent Care are provided by a contracting Blue Cross and Blue Shield Association traditional participating Provider ("BlueCard Provider"). Coverage is for Medically Necessary services required to prevent serious deterioration of the Member's health while traveling outside Keystone's Service Area during a temporary absence (less than 90 consecutive days). After that time, the Member must return to Keystone's Service Area or be disenrolled automatically from the Group's plan, unless the Member is enrolled as a Guest Member under the Away From Home Care Guest Membership Program (see below).

### **Urgent Care required during a temporary absence will be covered when:**

- The Member calls 1-800-810-BLUE (TTY: 711). This number is available 24 hours a day, seven days a week.
- The Member will be given the names, addresses and phone numbers of three BlueCard Providers. The BlueCard Program has some international locations. When the Member calls, the Member will be asked whether the Member is inside or outside of the United States.
- The Member decides which Provider the Member will visit.
- The Member calls 1-800-ASK-BLUE (TTY: 711) to get prior authorization for the service from Keystone.
- With Keystone's approval, the Member calls the Provider to schedule an appointment. The BlueCard Provider confirms Member eligibility.
- The Member shows their ID Card when seeking services from the BlueCard Provider.
- The Member pays the Copayment at the time of the Member's visit.

### **Follow-Up Care Benefits under the BlueCard Program**

Follow-Up Care Benefits under the BlueCard Program cover Medically Necessary Follow-Up Care required while the Member is traveling outside of Keystone's Service Area. The care must be needed for urgent ongoing treatment of an injury, illness, or condition that occurred while the Member was in Keystone's Service Area. Follow-Up Care must be pre-arranged and Preapproved by the Member's Primary Care Physician and the health plan in Keystone's Service Area prior to leaving the Service Area. Under the BlueCard Program, coverage is provided only for the specified, Preapproved service(s) authorized by the Member's Primary Care Physician in Keystone's Service Area and Keystone's Care Management and Coordination Department. Follow-Up Care Benefits under the BlueCard Program are available during the Member's temporary absence (less than 90 consecutive days) from Keystone's Service Area.

### **Follow-Up Care required during a temporary absence (less than 90 consecutive days) from Keystone's Service Area will be covered when these steps are followed:**

- The Member is currently receiving urgent ongoing treatment for a condition.
- The Member plans to go out of Keystone's Service Area temporarily, and the Member's Primary Care Physician recommends that the Member continues treatment.
- The Member's Primary Care Physician must call 1-800-ASK-BLUE (TTY: 711) to get prior authorization for the service from Keystone. If a BlueCard Provider has not been pre-selected for the Follow-Up Care, the Member's Primary Care Physician or the Member will be told to call 1-800-810-BLUE (TTY: 711).
- The Member or the Member's Primary Care Physician will be given the names, addresses and phone numbers of three BlueCard Providers.
- Upon deciding which BlueCard Provider will be visited, the Member or the Member's Primary Care Physician must inform Keystone by calling the number on the ID Card.

- The Member should call the BlueCard Provider to schedule an appointment.
- The BlueCard Provider confirms the Member's eligibility.
- The Member shows the Member's ID Card when seeking services from the BlueCard Provider.
- The Member pays the Copayment at the time of the Member's visit.

## **THE AWAY FROM HOME CARE®PROGRAM**

If the Member plans to travel outside Keystone's Service Area for at least 90 consecutive days, and the Member is traveling to an area where a Host HMO is located, the Member may be eligible to register as a Guest Member under the Away From Home Care Program. As a Guest Member, the Member's Guest Membership Benefits are provided by the local Blue Cross Plan participating in the Program. A 30 day notification period is required before Guest Membership Benefits under the Away From Home Care Program become available. Guest Membership is available for a limited period of time. The Away From Home Care Coordinator will confirm the period for which the Member is registered as a Guest Member.

### **Who is Eligible to Register for Guest Membership Benefits?**

The Member may register for Guest Membership Benefits when:

- The Member or the Member's Dependents temporarily travel outside Keystone's Service Area for at least 90 days, but no more than 180 days (long term traveler);
- The Member's Dependent student is attending a school outside Keystone's Service Area for more than ninety 90 days (student); or
- The Member's Dependent lives apart from the Member and is outside Keystone's Service Area for more than 90 days (families apart).

**NOTE: The Member is required to contact the Away From Home Care Coordinator and apply for a Guest Membership by calling Customer Service at the telephone number shown on the ID Card. Notification must be given at least 30 days prior to the Member's scheduled date of departure in order for Guest Membership Benefits to be activated.**

**Student Guest Membership Benefits are available to qualified Dependents of the Subscriber who are outside of the Keystone's Service Area temporarily attending an accredited education facility inside the service area of a Host HMO. Contact the Away From Home Care Coordinator by calling the Customer Service number on the ID card to determine if arrangements can be made for Student Guest Membership Benefits for the Member's Dependent.**

The Away From Home Care Program provides Guest Membership Benefits coverage for a wide range of health care services including Hospital care, routine Physician visits, and other services. Guest Membership Benefits are available only when the Member is registered as a Guest Member at a Host HMO. As a Guest Member, the Member is responsible for complying with all of the Host HMO's rules regarding access to care and Member responsibilities. The Host HMO will provide these rules and responsibilities at the time of Guest Membership registration.

**NOTE: Because the Member's Primary Care Physician in the Keystone's Service Area can give advice and provide recommendations about health care services that the Member may need while traveling, the Member is encouraged to receive routine or planned care prior to leaving home.**

As a Guest Member, the Member must select a Primary Care Physician from the Host HMO's Primary Care Physician network. In order to receive Guest Membership Benefits, the Primary Care Physician in the Host HMO Service Area must provide or arrange for all of the Member's Covered Services while the Member is a Guest Member. Neither Keystone nor the Host HMO will cover services the Member receives as a Guest Member that are not provided or arranged by the Primary Care Physician in the Host HMO Service Area and Preapproved by the Host HMO. Registration in the Away From Home Care Program is available only through contracting HMOs in the Blue Cross and Blue Shield Association's HMO network. Information regarding the availability of Guest Membership Benefits may be obtained from the Away From Home Care Coordinator by calling Customer Service at the telephone number shown on the ID Card.

This Group's Program may contain other benefits that are not provided for Guest Members through the Away From Home Care Program. Benefits provided for Guest Members are in addition to benefits provided under Keystone's Program. However, benefits provided under one program will not be duplicated under the other program. To receive benefits covered only by this Program, the Member must contact Customer Service at the telephone number shown on the Member's ID Card. Further information will be provided about how to access these benefits.

### **Renewal of Guest Membership**

The Member must renew their Guest Membership for a spouse or Dependent thirty (30) days before the six months or one-year Guest Membership period ends.

### **The Member must notify the HMO each time they move in or out of the Keystone Service Area.**

The Member must call Customer Service at the telephone number on the back of their ID Card, each time the Guest Member moves in or out of the Keystone Service Area so that the HMO may ensure proper assignment of the Primary Care Physician to enable access to care for the Guest Member.

The Member must notify the HMO whenever the following happens:

- The Guest Member comes home for a break or short period of time; or
- The Guest Member returns to the Host Service Area.

### **WHEN THE MEMBER DOESN'T USE THE BLUECARD OR GUEST MEMBERSHIP PROGRAMS**

If the Member has out-of-area Urgent Care or Emergency Services, not provided as described above and provided by a Non-Participating Provider, ask the Provider to submit the bill to Keystone. Show the Provider the Member ID Card for necessary information about the Member's Group plan. For direct billing, the Provider should mail the bill to the address in the next sentence. If direct billing cannot be arranged, send us a letter explaining the reason care was needed and an original itemized bill to:

**Keystone Health Plan East  
P.O. Box 69353  
Harrisburg, PA 17106-9353**

**NOTE: It is the Member's responsibility to forward to Keystone any bill the Member receives for Emergency Services or out-of-area Urgent Care provided by a Non-Participating Provider.**

## **CONTINUING CARE**

Medically Necessary care provided by any Provider other than the Member's Primary Care Physician will be covered, subject to the ***Description Of Covered Services, Exclusions - What Is Not Covered***, and the ***Schedule of Covered Services*** sections, only until the Member can, without medically harmful consequences, be transferred to the care of the Member's Primary Care Physician or a Referred Specialist designated by the Member's Primary Care Physician.

All continuing care must be provided or Referred by the Member's Primary Care Physician or coordinated through Customer Service.

## **AUTO OR WORK-RELATED ACCIDENTS**

### **Motor Vehicle Accident**

If the Member or the Member's Dependent is injured in a motor vehicle accident, contact the Member's or the Member's Dependent's Primary Care Physician as soon as possible.

**REMEMBER: This Program will always be secondary to the Member's auto insurance coverage. However, in order for services to be covered by this Program as secondary, the Member's care must be provided or Referred by the Member's Primary Care Physician .**

Tell the Member's Primary Care Physician that the Member was involved in a motor vehicle accident and the name and address of the Member's auto insurance company. Give this same information to any Provider to whom the Member's Primary Care Physician refers the Member for treatment.

Call Customer Service as soon as possible and advise us that the Member has been involved in a motor vehicle accident. This information helps this Health Benefit Plan to coordinate this Program's benefits with coverage provided through the Member's auto insurance company.

Only services provided or Referred by the Member's Primary Care Physician will be covered by this Program.

### **Work-Related Accident**

Report any work-related injury to the Member's employer and contact the Member's Primary Care Physician as soon as possible.

**REMEMBER: This Program will always be secondary to the Member's Worker's Compensation coverage. However, in order for services to be covered by this Program as secondary, the Member's care must be provided or Referred by the Member's Primary Care Physician.**

Tell the Member's Primary Care Physician that the Member was involved in a work-related accident and the name and address of the Member's employer and any applicable information related to the Member's employer's Worker's Compensation coverage. Give this same information to any Provider to whom the Member's Primary Care Physician refers the Member for treatment.

Call Customer Service as soon as possible and advise us that the Member has been involved in a work-related accident. This information helps the Health Benefit Plan to coordinate this Program's benefits with coverage provided through the Member's employer's Worker's Compensation coverage.

Only services provided or Referred by the Member's Primary Care Physician will be covered by this Program.

- That is a non-reusable supply or is not a rental type item, other than a supply that is an integral part of the DME item required for the DME function. This means the equipment is not durable or is not a component of the DME.
- That is not primarily medical in nature: Equipment, which is primarily and customarily used for a non-medical purpose may or may not be considered medical equipment. This is true even though the item has some remote medically related use. Items not covered include, but are not limited to:
  - Exercise equipment;
  - Speech teaching machines;
  - Strollers;
  - Toileting systems;
  - Bathtub lifts;
  - Elevators;
  - Stair glides; and
  - Electronically-controlled heating and cooling units for pain relief.
- That has features of a medical nature which are not required by the patient's condition, such as a gait trainer: The therapeutic benefits of the item cannot be clearly disproportionate to its cost, if there exists: A Medically Necessary and realistically feasible alternative item that serves essentially the same purpose.
- That duplicates or supplements existing equipment for use when traveling or for an additional residence: For example: A patient who lives in the Northeast for six months of the year, and in the Southeast for the other six would NOT be eligible for two identical items, or one for each living space.
- Which is not customarily billed for by the Provider: Items not covered include, but are not limited to: delivery, set-up and service activities (such as routine maintenance, service, or cleaning) and installation and labor of rented or purchased equipment.
- That modifies vehicles, dwellings, and other structures: This includes any modifications made to a vehicle, dwelling or other structure to accommodate a person's disability; or to accommodate a vehicle, dwelling or other structure for the DME item such as a wheelchair.
- Equipment for safety: Items that are not primarily used for the diagnosis, care or treatment of disease or injury but are primarily utilized to prevent injury or provide a safe surrounding. Examples include:
  - Restraints;
  - Safety straps;
  - Safety enclosures; or
  - Car seats.

The Health Benefit Plan will neither replace nor repair the DME due to abuse or loss of the item.

## GENERAL INFORMATION

### ELIGIBILITY, CHANGE AND TERMINATION RULES UNDER THIS PROGRAM

The Member's Group benefits administrator is responsible for maintaining eligibility of Members to receive benefits under this Program and for timely notifying the Health Benefit Plan of such eligibility. The Health Benefit Plan will provide coverage, and terminate coverage, in reliance on the Group's timely notification of the eligibility of Members. If a Group fails to timely notify the Health Benefit Plan of the eligibility status of a particular Member, the Health Benefit Plan will provide and terminate coverage in accordance with any Health Benefit Plan administrative processes.

### ELIGIBILITY

#### Eligible Subscriber

An eligible Subscriber is an individual who is listed on the completed Enrollment/Change Form provided by the Health Benefit Plan and:

- Who resides or, with approval from the Health Benefit Plan, works in the Service Area; and
- Who is an Employee whose normal work week is defined by the Group or is an eligible retiree; and
- Who is entitled to participate in the Group's health benefits program, including compliance with any probationary or waiting period established by the Group or who is entitled to coverage under a trust agreement or employment contract; and
- For whom Medicare is not primary pursuant to any federal or state regulation, law, or ruling.

#### Group Election

A Group that elects to make Dependent coverage available under the Program may choose to make coverage available for all eligible Dependents, as defined below or may choose to make coverage available only for Dependent children. If the Group limits Dependent coverage to Dependent children, the term 'Dependent' as used in this Program is limited to Dependent children.

#### Eligible Dependent

An eligible Dependent is an individual for whom Medicare is not primary pursuant to any federal or state regulation, law, or ruling; who resides in the Service Area, unless otherwise provided in this section; who meets all the eligibility requirements established by the Group; who is listed on the Enrollment/Change Form completed by the Subscriber; and who is:

- The Subscriber's legal spouse or Domestic Partner, if applicable; or
- A child (including stepchild, legally adopted child, child placed for adoption, or natural child) of either the Subscriber, the Subscriber's spouse, or the Domestic Partner's (if applicable), who is within the Limiting Age for Dependents as set forth in this Program, or a child for whom the Subscriber is legally required to provide health care coverage; or
- A child for whom the Subscriber, the Subscriber's spouse, or Domestic Partner (if applicable) is a court appointed legal guardian; or
- A child, regardless of age, who, in the judgment of the Health Benefit Plan, is incapable of self-support due to a mental or physical handicap which commenced prior to the child's reaching the Limiting Age for Dependents under this Program and for which continuing justification may be required by the Health Benefit Plan; or
- A child within the Limiting Age for Dependents under this Program who resides in the Service Area; or

- A child who is past the Limiting Age for Dependents will be eligible when they:
  - Are a full-time student;
  - Are eligible for coverage under this Program;
  - Prior to attaining the Limiting Age for Dependents and while a full-time student, were:
    - A member of the Pennsylvania National Guard or any reserve component of the U.S. armed forces and were called or ordered to active duty, other than active duty for training for a period of 30 or more consecutive days; or,
    - A member of the Pennsylvania National Guard who is ordered to active state duty, including duty under Pa. C.S. Ch. 76 (relates to Emergency Management Assistance Compact), for a period of 30 or more consecutive days.

Eligibility for these Dependents will be extended for a period equal to the duration of the Dependent's service on duty or active state duty or until the individual is no longer a full-time student regardless of the age of the Dependent when the educational program at the Accredited Educational Institution was interrupted due to military duty. As proof of eligibility, the Subscriber must submit a form to the Health Benefit Plan approved by the Department of Military & Veterans Affairs (DMVA):

- Notifying the Health Benefit Plan that the Dependent has been placed on active duty;
  - Notifying the Health Benefit Plan that the Dependent is no longer on active duty; and
  - Showing that the Dependent has re-enrolled as a full-time student in an Accredited Educational Institution for the first term or semester starting 60 or more days after their release from active duty.
- A Dependent of a Subscriber who is enrolled in a HMO Medicare risk program. A Dependent child of such Subscriber must be within the Limiting Age for Dependents under this Program;
  - The newborn child of a Member for the first 31 days immediately following birth. Coverage will continue in effect thereafter if the newborn qualifies as a Dependent, is enrolled by the Subscriber within 31 days of birth, and any appropriate payment due, calculated from the date of birth, is received by the Health Benefit Plan; or
  - An adopted child of a Member for the first 31 days immediately following:
    - Birth, if a newborn or,
    - The date of placement for adoption, if not a newborn. Coverage will continue in effect thereafter if the adopted child qualifies as a Dependent, is enrolled by the Subscriber within 31 days of birth, if a newborn, or otherwise, the placement date, and any appropriate payment due, calculated from the date of birth or placement, is received by the Health Benefit Plan.
  - A child who is within the Limiting Age for Dependents as set forth in this Benefit Booklet, and who is a full-time student will be considered eligible for coverage when they are on a Medically Necessary leave of absence from the Accredited Educational Institution. The Dependent child will be eligible for coverage until the earlier of one year from the first day of the leave of absence or the date on which the coverage otherwise would terminate. The Limiting Age for Dependents will be applicable regardless of the status of the Medically Necessary leave of absence.

Under this Program no other benefits, except conversion privileges, will be extended to the newborn child of a Dependent unless such newborn child meets the eligibility requirements of a Dependent set forth in this section and is enrolled as a Dependent within 31 days of eligibility.

**Note:** If the Group elects to limit coverage to Dependent children, the term Dependent excludes a legal spouse and Domestic Partner.

### **Over-Age Dependent Coverage Under This Program (If Applicable)**

- Eligible Dependents

For an adult Dependent child to qualify for Over-Age Dependent Coverage, in addition to the coverage being provided at the option of the Group, the adult Dependent child must:

- Have reached the Limiting Age for Dependents, but is less than 30 years of age;
- Not be married;
- Have no Dependents;
- Be a resident of the Commonwealth of Pennsylvania or be a full-time student in an institution of higher education;
- Not be a subscriber or insured of any other group or individual health insurance policy; and
- Not be entitled to benefits under any government program.

- When Over-Age Dependent Coverage Ends

An Over-Age Dependent's continued group health benefits end on the first of the following:

- The date the Over-Age Dependent:
  - Attains age 30;
  - Marries;
  - Acquires a Dependent;
  - Is no longer either a resident of the Commonwealth of Pennsylvania or enrolled as a full-time student at an Accredited Educational Institution; or
  - Becomes covered under any other group or individual health benefits plan, group health plan, church plan or health benefits plan, or becomes entitled to Medicare.

The provisions shown above do not apply to Vision Care – Adult and Vision Care - Pediatric and Dental (Pediatric) coverage.

### **EFFECTIVE DATE OF COVERAGE**

Subject to the receipt of applicable payments from the Group, and of an Enrollment/Change Form from or on behalf of each prospective Member, and subject to the provisions of this Program, coverage for Members under this Program shall become effective on the earliest of the following dates:

- When an eligible person makes written application for membership on or prior to the date on which eligibility requirements under this section are satisfied, coverage shall be effective as of the date the eligibility requirements are satisfied; or
- When an eligible person makes written application for membership after the date on which the eligibility requirements of this section are satisfied, but within 30 days after becoming eligible, coverage will be effective as of the date the eligibility requirements are satisfied; or
- Coverage shall become effective at birth for newborn children for 31 days. Coverage will continue in effect thereafter if the newborn qualifies as a Dependent, is enrolled by the Subscriber within 31 days of birth, and any appropriate payment, calculated from the date of birth, is received by the Health Benefit Plan; or
- Coverage for an adopted child shall become effective at birth, if a newborn, and otherwise on the date of placement, for 31 days. Coverage will continue in effect thereafter if the adopted child qualifies as a Dependent, is enrolled by the Subscriber within 31 days of:
  - Birth, if a newborn or
  - If not a newborn, the date of placement, and any appropriate payment, calculated from the date of:
    - birth, if a newborn or
    - placement, if not a newborn, is received by the Health Benefit Plan; or
- When an eligible person makes written application for membership during the Group Open Enrollment Period, coverage will begin on the first day of the calendar month following the

conclusion of the Group Open Enrollment Period, unless otherwise agreed to by the Group and the Health Benefit Plan.

If on the date on which coverage under the Program becomes effective, the Member is receiving Inpatient Care, benefits will be provided under this Program to the extent that such benefits are not provided under a prior group health insurance plan.

### **WHEN TO NOTIFY THE PROGRAM OF A CHANGE**

Certain changes in a Member's life may affect their coverage under this Program. Please notify us of any changes through the benefits office of the Member's Group benefits administrator. To help the Health Benefit Plan effectively administer Members' health care benefits, the Health Benefit Plan should be notified of the following changes within 30 days: name; address; status or number of Dependents; marital status; eligibility for Medicare coverage, or any other changes in eligibility.

#### **Open Enrollment**

The Member's Group benefits administrator will have an open enrollment period at least once a year, and will notify the Member of the time. At this time, the Member may add eligible Dependents to their coverage.

#### **Newly Hired**

Within 30 days of becoming eligible for this new Group's coverage, an individual may join this Program. The Member must add existing eligible Dependents to their coverage at this time or wait until the next open enrollment period.

#### **Late Enrollment**

If an individual or an individual's Dependent did not request enrollment for coverage with this Program during the initial enrollment period and did not enroll within 30 days of the date during which the individual was first eligible to enroll under this Program, the individual may apply for coverage as a late Subscriber.

#### **Marriage**

Members may add their spouse to their Program within 30 days of their marriage. Coverage for a Member's spouse will be effective on the date of their marriage.

#### **New Child**

Coverage is effective at the time of birth for the newborn child of a Member, or at the time of placement for adoption for an adopted child of a Member, and shall continue for a period of 31 days after the event. If a Member chooses to continue coverage for the new child, the Member must add their eligible child (newborn or adopted child) within 31 days of the date of birth or placement of the adopted child. Coverage will be effective from the date of birth or the day the child was placed for adoption.

Customer Service must be notified prior to hospitalization for delivery.

#### **Court-Ordered Dependent Coverage**

If a Member is required by a court order to provide health care coverage for their eligible Dependent, their Dependent will be enrolled within 30 days from the date the Health Benefit Plan receives notification and a copy of the court order.

**REMEMBER:** The Member must notify the Health Benefit Plan of any changes to Dependent coverage within 30 days of the change in order to ensure coverage for all eligible family members. Notifications to the Health Benefit Plan should be through the benefits office of their Group benefits administrator.

## **TERMINATION OF COVERAGE**

A Member's coverage may be cancelled, after receiving thirty (30) days advance written notice before cancellation and subject to their rights under the **Complaint and Grievance Appeal Process**, under the following conditions:

- **Rescission:** If the Member commits intentional misrepresentation of a material fact or fraud in applying for or obtaining coverage from this Program . The Member will receive written notice at least thirty (30) days prior to termination but will have the right to utilize the **Complaint and Grievance Appeal Process** to appeal cancellation;
- **Misuse of ID Card:** If a Member misuses their ID Card, or allows someone other than their eligible Dependents to use a ID Card to receive care or benefits;
- **Changes to Eligibility:** If a Member ceases to meet the eligibility requirements;
- **Group Termination:** The Member's Group terminates coverage with this Program;

### **Inpatient Provision upon Termination of Coverage**

If a Member is receiving Inpatient Care in a Hospital or Skilled Nursing Facility on the day this coverage is terminated by the Health Benefit Plan, except for termination due to fraud or intentional misrepresentation of a material fact, the benefits shall be provided until the earliest of:

- The expiration of such benefits according to the Schedule of Covered Services included with this Benefit Booklet;
- Determination of the Primary Care Physician and the Health Benefit Plan that Inpatient Care is no longer Medically Necessary; or
- The Member's discharge from the facility.

**NOTE:** The Health Benefit Plan will not terminate the Member's coverage because of their health status, their need for Medically Necessary Covered Services or for having exercised their rights under the **Complaint and Grievance Appeal Process**.

When a Subscriber's coverage terminates for any reason, coverage of the Subscriber's covered family members will also terminate.

### **Termination of Coverage at Termination of Employment or Membership in the Group**

Coverage for the Member under this Program will terminate on the date specified by the Group if the Health Benefit Plan receives from the Group notice of termination of the Member's coverage within 30 days of the date specified by the Group. If notification from the Group is not received by the Health Benefit Plan within 30 days of the date specified by the Group, the effective date of termination of the Member's coverage shall be 30 days prior to the first day of the month in which the Health Benefit Plan received the notice of termination of the Member's coverage from the Group, with the exception of any services covered under the Inpatient Provision. If the Member is receiving Inpatient Care on the date coverage is terminated, the Inpatient Provision will apply as defined above. Coverage for Dependents ends when the Member's coverage ends.

## **COVERAGE CONTINUATION**

### **When The Employee Terminates Employment - Continuation Of Coverage Provisions Consolidated Omnibus Budget Reconciliation Act Of 1985, As Amended (COBRA)**

The Employee should contact their Employer for more information about COBRA and the events that may allow the Employee or eligible Dependent to temporarily extend health care coverage.

### **Continuation Of Coverage Pennsylvania Act 62 of 2009 (Mini-COBRA)**

This subsection, and the requirements of Mini-COBRA continuation, applies to Groups consisting of two to 19 employees. This provision applies when the Subscriber is an eligible employee of the Group.

For purposes of this subsection, a "qualified beneficiary" means any person who, before any event which would qualify that person for continuation under this subsection, has been covered continuously for benefits under this Program or for similar benefits under any group policy which it replaced, during the entire three-month period ending with such termination as:

- The Subscriber;
- The Subscriber's Dependent spouse; or
- The Subscriber's Dependent child.

In addition, any child born to or placed for adoption with the Subscriber during Mini-COBRA continuation will be a qualified beneficiary.

Any person who becomes covered under this Program during Mini-COBRA continuation, other than a child born to or placed for adoption with the Subscriber during Mini-COBRA continuation, will not be a qualified beneficiary.

- If the Subscriber Terminates Employment or Has a Reduction of Work Hours: If the Subscriber's group benefits end due to their termination of employment or reduction of work hours, the Subscriber may be eligible to continue such benefits for up to nine months, if:
  - The Subscriber's termination of employment was not due to gross misconduct;
  - The Subscriber is not eligible for coverage under Medicare;
  - The Subscriber verifies they are is not eligible for group health benefits as an eligible Dependent; and
  - The Subscriber is not eligible for group health benefits with any other carrier.

The continuation will cover the Subscriber and any other qualified beneficiary who loses coverage because of the Subscriber's termination of employment (for reasons other than gross misconduct) or reduction of work hours, subject to the "When Continuation Ends" paragraph of this subsection.

- The Group's Responsibilities: The Group must notify the Subscriber, the benefits administrator, and the Health Benefit Plan, in writing, of:
  - The Subscriber's termination of employment (for reasons other than gross misconduct) or reduction of work hours;
  - The Subscriber's death;
  - The Subscriber's divorce or legal separation from a Dependent spouse covered under this Program;
  - The Subscriber becoming eligible for benefits under Social Security;

- The Subscriber's child ceasing to be a Dependent child pursuant to the terms of this Program;
- Commencement of the Group's bankruptcy proceedings.

The notice must be given to the Subscriber, the benefits administrator and the Health Benefit Plan no later than 30 days of any of these events.

- The Qualified Beneficiary's Responsibilities: A person eligible for continuation under this subsection must notify, in writing, the benefits administrator or its designee of their election of continuation coverage within 30 days of receipt of the Notice from the Group.

Continuation coverage shall be effective as of the date of the event.

Upon receipt of the Subscriber's, or the Subscriber's covered Dependent's election of continuation coverage, the benefits administrator, or its designee, shall notify the Health Benefit Plan of the election within 14 days.

- If the Subscriber Dies: If the Subscriber dies, any qualified beneficiary whose group health benefits would otherwise end may elect to continue such benefits. The continuation can last for up to nine months, subject to the "When Continuation Ends" paragraph of this subsection.
- If the Subscriber's Marriage Ends: If the Subscriber's marriage ends due to legal divorce or legal separation, any qualified beneficiary whose group health benefits would otherwise end may elect to continue such benefits. The continuation can last for up to nine months, subject to the "When Continuation Ends" paragraph of this subsection.
- If a Dependent Loses Eligibility: If the Subscriber's Dependent child's group health benefits end due to their loss of Dependent eligibility as defined in this Program, other than the Subscriber's coverage ending, they may elect to continue such benefits. However, such Dependent child must be a qualified beneficiary. The continuation can last for up to nine months, subject to the "When Continued Ends" paragraph of this subsection.
- Election of Continuation: To continue their group health benefits, the qualified beneficiary must give the benefits administrator written notice that they elect to continue benefits under the coverage. This must be done within 30 days of the date a qualified beneficiary receives notice of their continuation rights from the benefits administrator as described above or 30 days of the date the qualified beneficiary's group health benefits end, if later. The Group must notify the Health Benefit Plan of the qualified beneficiary's election of continuation within 14 days of the election of continuation. Furthermore, the qualified beneficiary must pay the first month's premium in a timely manner.

The subsequent premiums must be paid to the benefits administrator by the qualified beneficiary, in advance, at the time and in the manner set forth by the benefits administrator. No further notice of when premiums are due will be given.

The monthly premium will be the total rate which would have been charged for the group health benefits had the qualified beneficiary stayed insured under this Program on a regular basis. It includes any amount that would have been paid by the Group. An additional administrative charge of up to five percent of the total premium charge may also be required by the Health Benefit Plan.

- **Grace in Payment of Premiums:** A qualified beneficiary's premium payment is timely if, with respect to the first payment after the qualified beneficiary elects to continue, such payment is made no later than 45 days after such election. In all other cases, the premium payment is timely if it is made within 31 days of the specified date.
- **When Continuation Ends:** A qualified beneficiary's continued group health benefits under this Program's ends on the first to occur of the following:
  - With respect to continuation upon the Subscriber's termination of employment or reduction of work hours, the end of the nine month period which starts on the date the group health benefits would otherwise end;
  - With respect to continuation upon the Subscriber's death, the Subscriber's legal divorce or legal separation, or the end of the Subscriber's covered Dependent's eligibility, the end of the nine month period which starts on the date the group health benefits would otherwise end;
  - With respect to the Subscriber's Dependent whose continuation is extended due to the Subscriber's entitlement to Medicare, the end of the nine month period which starts on the date the group health benefits would otherwise end;
  - The date coverage under this Program ends;
  - The end of the period for which the last premium payment is made;
  - The date they become covered under any other group health plan (as an employee or otherwise) which contains no limitation or exclusion with respect to any pre-existing condition of the qualified beneficiary other than a pre-existing condition exclusion or limitation which they satisfy under the Health Insurance Portability and Accountability Act of 1996, as first constituted or later amended;
  - The date the Subscriber and/or the Subscriber's eligible Dependent become eligible for Medicare.

**THE HEALTH BENEFIT PLAN'S RESPONSIBILITIES RELATIVE TO THE PROVISION OF CONTINUATION COVERAGE UNDER MINI-COBRA ARE LIMITED TO THOSE SET FORTH IN THIS SUBSECTION.**

**THE HEALTH BENEFIT PLAN IS NOT THE BENEFITS ADMINISTRATOR OR PLAN ADMINISTRATOR UNDER THIS PROGRAM OR FOR PURPOSES OF ERISA OR ANY OTHER FEDERAL OR STATE LAW. IN THE ABSENCE OF THE DESIGNATION OF ANOTHER PARTY AS BENEFITS ADMINISTRATOR OR PLAN ADMINISTRATOR, THE BENEFITS ADMINISTRATOR OR PLAN ADMINISTRATOR SHALL BE THE GROUP.**

**Conversion**

If a Member or their Dependents become ineligible for coverage through their Group Program, they may apply for continuation of coverage in an appropriate non-group program. The Member must reside in Keystone's five county area in order to be eligible for the non-group HMO program. The five county area includes: Bucks, Chester, Delaware, Montgomery and Philadelphia counties. If the Member does not live in Keystone's five county area, enrollment in the HMO non-group program is provided to the Member and their Dependents for 90 days from the date the Member's Group coverage ends. After this time period, the Member and their Dependents will have to convert to another plan. The Member and their Dependents may convert to the local Blue Cross®/Blue Shield® plan for the area in which they live.

A Member's application for this conversion coverage must be made to the Health Benefit Plan within 30 days of when the Member becomes ineligible for Group coverage. The benefits

provided under the available non-group program may not be identical to the benefits under their Group Program.

The conversion privilege is available to Members and:

- Their surviving Dependents, in the event of the Member's death;
- Their spouse, in the event of divorce; or
- Their child who has reached the Limiting Age for Dependents.

The Dependent must reside in Keystone's five county area in order to be eligible for the non-Group HMO program.

This conversion privilege is not available if the Member is terminated by the Health Benefit Plan for cause (such as deliberate misuse of an ID Card, significant misrepresentation of information that is given to the Health Benefit Plan or a Provider, or fraud).

If the Member needs more information regarding their conversion privilege, call Customer Services at the telephone number shown on their ID Card.

Should the Member choose continued coverage under COBRA (see above), they become eligible to convert to an individual, non-group plan at the end of the Member's COBRA coverage.

## **A SUMMARY OF THE PROGRAM'S FEATURES**

### **Required Disclosure Of Information**

State law requires that the Health Benefit Plan make the following information available to the Member when they make a request in writing to the Health Benefit Plan.

- A list of the names, business addresses and official positions of the membership of the Board of Directors or Officers of the Health Benefit Plan.
- The procedures adopted to protect the confidentiality of medical records and other Subscriber information.
- A description of the credentialing process for health care Providers.
- A list of the participating health care Providers affiliated with participating Hospitals.
- Whether a specifically identified drug is included or excluded from coverage.
- A description of the process by which a health care Provider can Prescribe any of the following when either:
  - The Drug Formulary's equivalent has been ineffective in the treatment of the Subscriber's disease; or
  - The drug causes or is reasonably expected to cause adverse or harmful reactions to the Subscriber.
    - Specific drugs;
    - Drugs used for an off-label purpose; and
    - Biologicals and medications not included in the Drug Formulary for Prescription Drugs or biologicals.
- A description of the procedures followed by the Health Benefit Plan to make decisions about the experimental nature of individual drugs, medical devices or treatments.
- A summary of the methodologies used by the Health Benefit Plan to reimburse for health care services. (This does not mean that the Health Benefit Plan is required to disclose individual contracts or the specific details of financial arrangements we have with health care Providers.)
- A description of the procedures used in the Health Benefit Plan's quality assurance program.

- Other information the Pennsylvania Department of Health or Insurance Department may require.

### **Confidentiality And Disclosure Of Medical Information**

The Health Benefit Plan's privacy practices, as they apply to Members enrolled in this Program, as well as a description of Members' rights to access their personal health information which may be maintained by the Health Benefit Plan, are set forth in the Health Benefit Plan's HIPAA Notice of Privacy Practices (the "Notice"). The Notice is sent to each new Member upon initial enrollment in this Program, and, subsequently, to all Members if and when the Notice is revised.

By enrolling in this Program, Members give consent to the Health Benefit Plan to receive, use, maintain, and/or release their medical records, claims-related information, health and related information for the purposes identified in the Notice to the extent permitted by applicable law. However, in certain circumstances, which are more fully described in the Notice, a specific Member Authorization may be required prior to the Health Benefit Plan's use or disclosure of Members' personal health information. Members should consult the Notice for detailed information regarding their privacy rights.

### **Member ID Card**

Listed below are some important things to do and to remember about the Member's ID Card:

- Check the information on the Member's ID Card for completeness and accuracy.
- Check that the Member received one ID Card for each enrolled family member.
- Check that the name of the Primary Care Physician (or office) the Member selected is shown on the Member's ID Card. Also, please check the ID Card for each family member to be sure the information on it is accurate.
- Call Customer Service if the Member finds an error or loses their ID Card.
- Carry the Member ID Card at all times. The Member must present their ID Card whenever they receive Medical Care.

On the reverse side of the ID Card, the Member will find information about medical services, especially useful in Emergencies. There is even a toll-free number for use by Hospitals if the Member has questions about their coverage.

### **PROGRAM DESIGN FEATURES**

This Program is different from traditional health insurance coverage. In addition to covering health care services, access is provided to Member's Medical Care through their Primary Care Physician. **All medical treatment begins with the Member's Primary Care Physician.** (Under certain circumstances, continuing care by a Non-Participating Provider will be treated in the same way as if the Provider were a Participating Provider. See **Continuity of Care** appearing later in the Benefit Booklet.

Because the Member's Primary Care Physician is the key to using this Program, it is important to remember the following:

- **The Member should always call their Primary Care Physician first**, before receiving Medical Care, except for conditions requiring Emergency Services. Please schedule routine visits well in advance.
- **When the Member Needs Specialist Services** their Primary Care Physician will give the Member an electronic Referral for specific care or will obtain a Preapproval from the Health

Benefit Plan when required. A Standing Referral may be available to the Member if they have a life-threatening, degenerative or disabling disease or condition.

Members may visit any participating obstetrical/gynecological Specialist without a Referral. This is true whether the visit is for preventive care, routine obstetrical/gynecological care or problem-related obstetrical/gynecological conditions. The Member's Primary Care Physician must obtain a Preapproval for Specialist Services provided by Non-Participating Providers.

- **The Member's Primary Care Physician is required to select a Designated Provider for certain Specialist Services.** Their Primary Care Physician will submit an electronic Referral to their Designated Provider for these Outpatient Specialist Services:
  - Physical and Occupational Therapy;
  - Diagnostic Services for Members age five and older;
  - Laboratory and Pathology tests.

Designated Providers usually receive a set dollar amount per Member per month (capitation) for their services based on the Primary Care Physicians that have selected them.

Outpatient services are ***not covered*** when performed by any Provider other than the Member's Primary Care Physician's Designated Provider.

Before selecting their Primary Care Physician, the Member may want to speak to the Primary Care Physician regarding their Designated Providers.

- **The Member's Primary Care Physician provides coverage 24 hours a day, 7 days a week.**
- **All continuing care as a result of Emergency Services** must be provided or Referred by the Member's Primary Care Physician or coordinated through Customer Service.
- **Some services must be authorized by the Member's Primary Care Physician or Referred Specialist or Preapproved by the Health Benefit Plan.** The Member's Primary Care Physician or Referred Specialist works with the Health Benefit Plan's Care Management and Coordination team during the Preapproval process. Services in this category include, but are not limited to: hospitalization; certain Outpatient services; Skilled Nursing Facility services; and home health care. To access a complete list of services that require Preapproval, log onto [www.ibx.com/preapproval](http://www.ibx.com/preapproval) or the Member can call Customer Service at the phone number shown on their ID Card to have the list mailed to them. A Member has the right to appeal any decisions through the ***Complaint And Grievance Appeal Process*** described later in this Benefit Booklet. Instructions for the appeal will be described in the denial notifications.
- **All services must be received from Participating Providers** unless Preapproved by the Health Benefit Plan, or except in cases requiring Emergency Services or Urgent Care while outside the Service Area.

See ***Access To Primary, Specialist, And Hospital Care*** in this section for procedures for obtaining Preapproval for use of a Non-Participating Provider. Use the Provider Directory to find out more about the individual Providers, including Hospitals and Primary Care Physicians and Referred Specialists, and their affiliated Hospitals. It includes a foreign language index to help the Member locate a Provider who is fluent in a particular language.

The directory also lists whether the Provider is accepting new patients.

- **To change the Member's Primary Care Physician**, call Customer Service at the telephone number shown on their ID Card.
- **Medical Technology Assessment is performed by the Health Benefit Plan.** Technology assessment is the review and evaluation of available clinical and scientific information from expert sources. These sources include and are not limited to articles published by governmental agencies, national peer review journals, national experts, clinical trials, and manufacturer's literature. The Health Benefit Plan uses the technology assessment process to assure that new drugs, procedures or devices are safe and effective before approving them as a Covered Service. When new technology becomes available or at the request of a practitioner or Member, the Health Benefit Plan researches all scientific information available from these expert sources. Following this analysis, the Health Benefit Plan makes a decision about when a new drug, procedure or device has been proven to be safe and effective and uses this information to determine when an item becomes a Covered Service. A Member or their Provider should contact the Health Benefit Plan to determine whether a proposed treatment is considered "emerging technology" and whether the provider is considered an eligible provider to perform the "emerging technology" Covered Service. The Health Benefit Plan maintains the discretion to limit eligible Providers for certain "emerging technology" Covered Services.
- **Prescription Drugs are covered under this Program.** Under this Program Prescription Drugs, including medications and biologicals, are Covered Services or Supplies when ordered during the Member's Inpatient Hospital stay. In addition, the Member also has Prescription Drug coverage for Outpatient Prescription Drugs. Prescription Drug benefits cover certain over-the-counter drugs as well as insulin and oral agents, and Prescription Drugs used in the treatment of Autism Spectrum Disorders, when the Member is not an Inpatient.

Additionally, Prescription Drug benefits are subject to quantity level limits as conveyed by the Food and Drug Administration ("FDA") or the Health Benefit Plan's Pharmacy and Therapeutics Committee.

The Health Benefit Plan, for all Prescription Drug benefits, requires Preapproval of a small number of drugs approved by the FDA for use in specific medical conditions. Where Preapproval or quantity limits are imposed, The Member's Physician may request an exception for coverage by providing documentation of Medical Necessity. The Member may obtain information about how to request an exception by calling Customer Service at the phone number on their ID Card.

The Member, or their Physician acting on their behalf, may appeal any denial of benefits or application of higher cost sharing through the ***Complaint and Grievance Appeal Process*** described later in this Benefit Booklet.

### **Disease Management And Decision Support**

Disease Management and Decision Support programs help Members to be effective partners in their health care by providing information and support to Members with certain chronic conditions as well as those with everyday health concerns. Disease Management is a systematic, population-based approach that involves identifying Members with certain chronic diseases, intervening with specific information or support to follow PCP's and Participating

Professional Provider's treatment plan, and measuring clinical and other outcomes. Decision Support involves identifying Members who may be facing certain treatment option decisions and offering them information to assist in informed, collaborative decisions with their PCP's and Participating Professional Provider's. Decision Support also includes the availability of general health information, personal health coaching, PCP's and Participating Professional Provider's information, or other programs to assist in health care decisions.

Disease Management interventions are designed to help Members manage their chronic condition in partnership with their PCP's and Participating Professional Provider's. Disease Management programs, when successful, can help such Members avoid long term complications, as well as relapses that would otherwise result in Hospital or Emergency room care. Disease Management programs also include outreach to Members to obtain needed preventive services, or other services recommended for chronic conditions. Information and support may occur in the form of telephonic health coaching, print, audio library or videotape, or Internet formats.

The Health Benefit Plan will utilize medical information such as claims data to operate the Disease Management or Decision Support program, to identify Members with chronic disease for example, to predict which Members would most likely benefit from these services, and to communicate results to Member's treating PCP's and Participating Professional Provider's. The Health Benefit Plan will decide what chronic conditions are included in the Disease Management or Decision Support program.

Participation by a Member in Disease Management or Decision Support programs is voluntary. A Member may continue in the Disease Management or Decision Support program until any of the following occurs:

- The Member notifies the Health Benefit Plan that they decline participation; or
- The Health Benefit Plan determines that the program, or aspects of the program, will not continue;
- The Member's Employer decides not to offer the programs.

### **Discretionary Authority**

The Health Benefit Plan retains discretionary authority to interpret this Program and the facts presented to make benefit determinations. Benefits under this Program will be provided only if the Health Benefit Plan determines in its discretion that the Member is entitled to them.

### **Out-Of-Area Services**

#### **Overview**

Keystone Health Plan East, Inc. ("Keystone") has a variety of relationships with other Blue Cross and/or Blue Shield Plans and their Licensed Controlled Affiliates ("Licensees"). Generally, these relationships are called "Inter-Plan Arrangements." These Inter-Plan Arrangements work based on rules and procedures issued by the Blue Cross Blue Shield Association ("Association"). Whenever the Member obtains healthcare services outside of Keystone's Service Area, the claims for these services may be processed through one of these Inter-Plan Arrangements.

When the Member receives care outside of Keystone's Service Area, they will receive it from one of two kinds of providers. Most providers ("participating providers") contract with the local Blue Cross and/or Blue Shield in that geographic area ("Host Blue"). Some providers ("non-

participating providers”) don’t contract with the Host Blue. Keystone explains below how we pay both kinds of providers.

Keystone covers only limited healthcare services received outside of our Service Area. As used in this section, "Out-of-Area Covered Healthcare Services" include Emergency Care, Urgent Care and Follow-up Care obtained outside the geographic area we serve. Any other services will not be covered when processed through any Inter-Plan Arrangements, unless authorized by the Member's Primary Care Physician ("PCP").

#### **A. BlueCard® Program**

Under the BlueCard® Program, when a Member obtains Out-of-Area Covered Healthcare Services within the geographic area served by a Host Blue, Keystone will remain responsible for doing what we agreed to in the contract. However, the Host Blue is responsible for contracting with and generally handling all interactions with its participating healthcare providers.

The BlueCard Program enables the Member to obtain Out-of-Area Covered Healthcare Services, as defined above, from a healthcare provider participating with a Host Blue, where available. The participating provider will automatically file a claim for the Out-of-Area Covered Healthcare Services provided to the Member, so there are no claim forms for the Member to fill out. The Member will be responsible for the Copayment amount, as stated in the ***Schedule of Cost Sharing & Limitations***.

**Emergency Care Services:** If the Member experiences a Medical Emergency while traveling outside Keystone’s Service Area, go to the nearest Emergency or Urgent Care facility.

When the Member receives Out-of-Area Covered Healthcare Services outside Keystone’s Service Area and the claim is processed through the BlueCard Program, the amount the Member pays for the Out-of-Area Covered Healthcare Services, if not a flat dollar copayment, is calculated based on the lower of:

- The billed covered charges for the Member’s Covered Services; or
- The negotiated price that the Host Blue makes available to Keystone.

Often, this "negotiated price" will be a simple discount that reflects an actual price that the Host Blue pays to the Member’s healthcare provider. Sometimes, it is an estimated price that takes into account special arrangements with the Member’s healthcare provider or provider group that may include types of settlements, incentive payments, and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of healthcare providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing also take into account adjustments to correct for over- or underestimation of modifications of past pricing of claims, as noted above. However, such adjustments will not affect the price Keystone has used for the Member’s claim because they will not be applied after a claim has already been paid.

Federal or state laws or regulations may require a surcharge, tax or other fee that applies to insured accounts. If applicable, Keystone will include any such surcharge, tax or other fee as part of the claim charge passed on to you.

## **B. Non-Participating Healthcare Providers Outside Keystone's Service Area**

### **1. Your Liability Calculation**

When Out-of-Area Covered Healthcare Services are provided outside of Keystone's Service Area by nonparticipating providers, the amount you pay for such services will normally be based on either the Host Blue's nonparticipating provider local payment or the pricing arrangements required by applicable state law. In these situations, you may be responsible for the difference between the amount that the nonparticipating provider bills and the payment Keystone will make for the Out-of-Area Covered Healthcare Services as set forth in your Benefit Booklet. Federal or state law, as applicable, will govern payments for out-of-network emergency services.

### **2. Exceptions**

In certain situations, Keystone may use other payment methods, such as billed charges for Out-of-Area Covered Healthcare Services, the payment we would make if the healthcare services had been obtained within our Service Area, or a special negotiated payment to determine the amount Keystone will pay for services provided by nonparticipating providers. In these situations, you may be liable for the difference between the amount that the nonparticipating provider bills and the payment Keystone will make for the Out-of-Area Covered Healthcare Services as set forth in your Benefit Booklet.

## **C. Blue Cross Blue Shield Global Core**

If you are outside the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands, you may be able to take advantage of the Blue Cross Blue Shield Global Core when accessing Covered Services. The Blue Cross Blue Shield Global Core is unlike the BlueCard Program available in the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands in certain ways. For instance, although the Blue Cross Blue Shield Global Core assists you with accessing a network of inpatient, outpatient and professional providers, the network is not served by a Host Blue. As such, when you receive care from providers outside the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands, you will typically have to pay the providers and submit the claims yourself to obtain reimbursement for these services.

If you need medical assistance services (including locating a doctor or hospital) outside the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands, you should call the Blue Cross Blue Shield Global Core Service Center at 1.800.810.BLUE (TTY:711) or call collect at 1-804-673-1177 (TTY:711), 24 hours a day, seven days a week. An assistance coordinator, working with a medical professional, will arrange a physician appointment or hospitalization, if necessary.

### **▪ Inpatient Services**

In most cases, if you contact the Blue Cross Blue Shield Global Core Service Center for assistance, hospitals will not require you to pay for covered inpatient services, except for your cost-share amounts. In such cases, the hospital will submit your claims to the service center to begin claims processing. However, if you paid in full at the time of service, you must submit a claim to receive reimbursement for Covered Services. You must contact Keystone to obtain precertification for non-emergency inpatient services.

- **Outpatient Services**

Physicians, urgent care centers and other outpatient providers located outside the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands will typically require you to pay in full at the time of service. You must submit a claim to obtain reimbursement for Covered Services.

## **ACCESS TO PRIMARY, SPECIALIST, AND HOSPITAL CARE**

### **Direct Access To Certain Care**

A Member does not need a Referral from their Primary Care Physician for the following Covered Services:

- Emergency Services;
- Care from a participating obstetrical/gynecological Specialist;
- Mammograms;
- Mental Health Care, Serious Mental Illness Health Care and Alcohol Or Drug Abuse And Dependency;
- Inpatient Hospital Services that require Preapproval. This does not include a maternity Inpatient Admission;
- Dialysis services performed in a Participating Facility Provider or by a Participating Professional Provider;
- Nutrition Counseling for Weight Management; and
- Diabetic Education Program

### **How To Obtain A Specialist Referral**

**The Member should always consult their Primary Care Physician first when they need Medical Care.**

If the Member's Primary Care Physician refers them to a Referred Specialist or facility just follow these steps:

- The Member's Primary Care Physician will submit an electronic Referral indicating the services authorized.
- The Member's Referral is valid for 90 days from issue date as long as they are a Member.
- This form is sent electronically to the Referred Specialist or facility before the services are performed. Only services authorized on the Referral form will be covered.
- Any additional Medically Necessary treatment recommended by the Referred Specialist beyond the 90 days from the date of issue of the initial Referral will require another electronic Referral from the Member's Primary Care Physician.
- The Member must be enrolled at the time they receive services from a Referred Specialist or Non-Participating Provider in order for services to be covered.

See the ***Preapproval for Non-Participating Providers*** section of the Benefit Booklet for information regarding services provided by Non-Participating Providers.

### **How To Obtain A Standing Referral**

If the Member has a life-threatening, degenerative or disabling disease or condition, they may receive a Standing Referral to a Participating Professional Provider to treat that disease or condition. The Referred Specialist will have clinical expertise in treating the disease or condition. A Standing Referral is granted upon review of a treatment plan by the Health Benefit Plan and in

consultation with the Member's Primary Care Physician.

Follow these steps to initiate a Standing Referral request.

- Call Customer Service at the telephone number shown on the Member's ID Card. (Or, the Member may ask their Primary Care Physician to call Provider Services or Care Management and Coordination to obtain a "Standing Referral Request" form.)
- A "Standing Referral Request" form will be mailed or faxed to the requestor.
- The Member must complete a part of the form and their Primary Care Physician will complete the clinical part. The Member's Primary Care Physician will then send the form to Care Management and Coordination.
- Care Management and Coordination will either approve or deny the request for the Standing Referral. The Member, their Primary Care Physician and the Referred Specialist will receive notice of the approval or denial in writing. The notice will include the time period for the Standing Referral.

#### If the Standing Referral is Approved

If the request for the Standing Referral to a Referred Specialist is approved, the Referred Specialist, the Member, and the Primary Care Physician will be informed in writing by Care Management and Coordination. The Referred Specialist must agree to abide by all the terms and conditions that the Health Benefit Plan has established with regard to Standing Referrals. This includes, but is not limited to, the need for the Referred Specialist to keep the Member's Primary Care Physician informed of their condition. When the Standing Referral expires, the Member or their Primary Care Physician will need to contact Care Management and Coordination and follow the steps outlined above to see if another Standing Referral will be approved.

#### If the Standing Referral is Denied

If the request for a Standing Referral is denied, the Member and their Primary Care Physician will be informed in writing. The Member will be given information on how to file a formal Complaint, if they so desire.

#### **Designating A Referred Specialist As A Member's Primary Care Physician**

If the Member has a life-threatening, degenerative or disabling disease or condition, they may have a Referred Specialist named to provide and coordinate both their primary and specialty care. The Referred Specialist will be a Physician with clinical expertise in treating their disease or condition. It is required that the Referred Specialist agrees to meet the Program's requirements to function as a Primary Care Physician.

Follow these steps to initiate a request for a Member's Referred Specialist to be their Primary Care Physician.

- Call Customer Service at the telephone number shown on the Member's ID Card. (Or, the Member may ask their Primary Care Physician to call Provider Services or Care Management and Coordination to initiate the request.)
- A "Request for Specialist to Coordinate All Care" form will be mailed or faxed to the requestor.
- The Member must complete a part of the form and their Primary Care Physician will complete the clinical part. The Member's Primary Care Physician will then send the form to Care Management and Coordination.
- The Medical Director will speak directly with the Member's Primary Care Physician and the selected Referred Specialist to apprise all parties of the primary services that the Referred Specialist must be able to provide in order to be designated as a Member's Primary Care

Physician. If Care Management and Coordination approves the request, it will be sent to the Provider Service area. That area will confirm that the Referred Specialist meets the same credentialing standards that apply to Primary Care Physicians. (At the same time, the Member will be given a Standing Referral to see the Referred Specialist.).

#### If the Referred Specialist as Primary Care Physician Request is Approved

If the request for the Referred Specialist to be the Member's Primary Care Physician is approved, the Referred Specialist, the Member's Primary Care Physician and the Member will be informed in writing by Care Management and Coordination.

#### If the Referred Specialist as Primary Care Physician Request is Denied

If the request to have a Referred Specialist designated to provide and coordinate the Member's primary and specialty care is denied, the Member and their Primary Care Physician will be informed in writing. The Member will be given information on how to file a formal Complaint, if they so desire.

### **Changing A Member's Primary Care Physician**

If a Member wishes to transfer to a different Primary Care Physician, a request can be made at any time, by:

- submitting in writing, calling the telephone number shown on the back of the Member ID Card, or using the IBX Mobile app to the HMO's Customer Service Department, or
- logging into the website at [www.ibx.com/login](http://www.ibx.com/login) and selecting Account Settings and Member Information.

The change will become effective on the earlier of:

- 14 days after the request is received (includes weekends), or
- the first day of the upcoming month.

**Exceptions:** However, changes will take effect on the first of the current month:

- when the Member did not make a PCP selection at the time of enrollment, or
- if the Member's PCP is no longer a Participating Provider.

If the participating status of the Member's Primary Care Physician changes, the Member will be notified in order to select another Primary Care Physician.

The Member must remember to have their medical records transferred to their new Primary Care Physician.

### **Changing A Member's Referred Specialist**

The Member may change the Referred Specialist to whom they have been referred by their Primary Care Physician or for whom the Member has a Standing Referral. To do so, the Member asks their Primary Care Physician to recommend another Referred Specialist before services are performed. Or, the Member may call Customer Service at the telephone number shown on their ID Card. Remember, only services authorized on the Referral form will be covered.

If the participating status of a Referred Specialist the Member regularly visits changes, they will be notified to select another Referred Specialist.

### **Continuity Of Care**

The Member has the option, if their Physician agrees to be bound by certain terms and conditions as required by the Health Benefit Plan, of continuing an ongoing course of treatment with that Physician. This continuation of care shall be offered through the current period of active treatment for an acute condition or through the acute phase of a chronic condition or for up to 90 calendar days from the notice that the status of the Member's Physician has changed or the Member's Effective Date of coverage when:

- The Member's Physician is no longer a Participating Provider because the Health Benefit Plan terminates its contract with that Physician, for reasons other than cause; or
- The Member first enrolls in this Program and is in an ongoing course of treatment with a Non-Participating Provider.

If the Member is in their second or third trimester of pregnancy at the time of their enrollment or termination of a Participating Provider's contract, the continuity of care with that Physician will extend through post-partum care related to the delivery.

The Member should follow these steps to initiate their continuity of care:

- Call Customer Service at the number on the Member's ID Card and ask for a "Request for Continuation of Treatment" form.
- The "Request for Continuation of Treatment" form will be mailed or faxed to the Member.
- The Member must complete the form and send it to Care Management and Coordination at the address that appears on the form.

If the Member's Physician agrees to continue to provide their ongoing care, the Physician must also agree to be bound by the same terms and conditions as apply to Participating Providers.

The Member will be notified when the participating status of their Primary Care Physician changes so that they can select another Primary Care Physician.

### **Preapproval For Non-Participating Providers**

The Health Benefit Plan may approve payment for Covered Services provided by a Non-Participating Provider if the Member has:

- First sought and received care from a Participating Provider in the same American Board of Medical Specialties (ABMS) recognized specialty as the Non-Participating Provider that the Member has requested. (The Member's Primary Care Physician is required to obtain Preapproval from the Health Benefit Plan for services provided by a Non-Participating Provider.);
- Been advised by the Participating Provider that there are no Participating Providers that can provide the requested Covered Services; and
- Obtained authorization from the Health Benefit Plan prior to receiving care. The Health Benefit Plan reserves the right to make the final determination whether there is a Participating Provider that can provide the Covered Services.

If the Health Benefit Plan approves the use of a Non-Participating Provider, the Member will not be responsible for the difference between the Provider's billed charges and the Health Benefit Plan's payment to the Provider but the Member will be responsible for applicable cost-sharing amounts. If the Member receives any bills from the Provider, they need to contact Customer Service at the telephone number on their ID card. When the Member notifies the Health Benefit Plan about these bills, the Health Benefit Plan will resolve the balance billing.

## **Hospital Admissions**

- If the Member needs hospitalization or Outpatient Surgery, the Member's Primary Care Physician or Referred Specialist will arrange admission to the Hospital or Outpatient surgical facility on their behalf.
- The Member's Primary Care Physician or Referred Specialist will coordinate the Preapproval for their Outpatient Surgery or Inpatient Admission with the Health Benefit Plan, and the Health Benefit Plan will assign a Preapproval number. Preapproval is not required for a maternity Inpatient Admission.
- The Member does not need to receive an electronic Referral from their Primary Care Physician for Inpatient Hospital Services that require Preapproval.

Upon receipt of information from the Member's Primary Care Physician or Referred Specialist, Care Management and Coordination will evaluate the request for hospitalization or outpatient Surgery based on clinical criteria guidelines. Should the request be denied after review by a Health Benefit Plan Medical Director, the Member, their Primary Care Physician or their Referred Specialist has a right to appeal this decision through the Grievance appeal process.

During an Inpatient hospitalization, Care Management and Coordination is monitoring the Member's Hospital stay to assure that a plan for their discharge is in place. This is to make sure that the Member has a smooth transition from the Hospital to Home, or to another setting such as a Skilled Nursing or Rehabilitation Facility. A Health Benefit Plan Case Manager will work closely with the Member's Primary Care Physician or Referred Specialist to help with their discharge and if necessary, arrange for other medical services.

Should the Member's Primary Care Physician or Referred Specialist agree with the Health Benefit Plan that Inpatient hospitalization services are no longer required, the Member will be notified in writing of this decision. Should the Member decide to remain hospitalized after this notification, the Hospital has the right to bill the Member after the date of the notification. The Member may appeal this decision through the Grievance appeal process.

## **Recommended Plan Of Treatment**

The Member agrees, when enrolling in this Program, to receive care according to the recommendations of their Primary Care Physician or Referred Specialist. The Member has the right to give their informed consent before the start of any procedure or treatment. The Member also has the right to refuse any drugs, treatment or other procedure offered to them by providers in the Health Benefit Plan's network, and to be informed by their Physician of the medical consequences of their refusal of any drugs, treatment, or procedure.

The Health Benefit Plan and the Member's Primary Care Physician will make every effort to arrange a professionally acceptable alternative treatment. However, if the Member still refuses the recommended Plan of Treatment, the Health Benefit Plan will not be responsible for the costs of further treatment for that condition and the Member will be so notified. The Member may use the Grievance appeal process to have their case reviewed, if they so desire.

## **Special Circumstances**

In the event that Special Circumstances result in a severe impact to the availability of Providers and services, to the procedures required for obtaining benefits for Covered Services under this Program described in this Benefit Booklet (For example, obtaining Referrals, use of Participating Providers), or to the administration of this Program by the Health Benefit Plan, the Health Benefit Plan may, on a selective basis, waive certain procedural requirements or cost sharing of this Program. Such waiver shall be specific as to the requirements that are waived and shall last

for such period of time as is required by the Special Circumstances as defined below.

The Health Benefit Plan shall make a good faith effort to arrange for an alternative method of providing coverage. In such event, the Health Benefit Plan shall provide access to Covered Services in so far as practical, and according to its best judgment. Neither the Health Benefit Plan nor Providers in the Health Benefit Plan's network shall incur liability or obligation for delay, or failure to provide or arrange for Covered Services if such failure or delay is caused by Special Circumstances.

Special Circumstances, as recognized in the community and by the Health Benefit Plan and appropriate regulatory authority, are extraordinary circumstances not within the control of the Health Benefit Plan, including but not limited to:

- A major disaster;
- An epidemic;
- A pandemic;
- A public health emergency;
- Riot;
- Civil insurrection; or
- The complete or partial destruction of facilities.

### **Member Liability**

Except when certain cost sharing is specified in this Benefit Booklet or on the ***Schedule of Covered Services***, the Member is not liable for any charges for Covered Services when these services have been provided or Referred by their Primary Care Physician and they are eligible for such benefits on the date of service.

### **Right To Recover Payments Made In Error**

If the Health Benefit Plan should provide coverage for any contractually excluded services through inadvertence or error, the Health Benefit Plan maintains the right to seek recovery of such payment from the Provider or Member to whom such payment was made.

## **INFORMATION ABOUT PROVIDER REIMBURSEMENT**

The Health Benefit Plan reimbursement programs for health care providers are intended to encourage the provision of quality, cost-effective care for our Members. Set forth below is a general description of the Health Benefit Plan reimbursement programs, by type of participating health care provider. These programs vary by state.

Please note that these programs may change from time to time, and the arrangements with particular providers may be modified as new contracts are negotiated. If after reading this material the Member has any questions about how their health care provider is compensated, please speak with them directly or contact Customer Service.

### **Professional Providers**

Primary Care Physicians: Most Primary Care Physicians (PCPs) are paid in advance for their services, receiving a set dollar amount per Member, per month for each Member selecting that PCP. This is called a capitation payment and it covers most of the care delivered by the PCP. Covered Services not included under capitation are paid fee-for-service according to the Health Benefit Plan fee schedule. Many Pennsylvania based PCPs are also eligible to receive additional payments for meeting certain medical quality, patient service and other performance standards. In Pennsylvania, the PCP Quality Incentive Payment System (QIPS) includes incentives for practices that have extended hours and submit encounter and referral data electronically, as well as an incentive that is based on the extent to which a PCP prescribes

Generic Drugs (when available) relative to similar PCPs. In addition, the Practice Quality Assessment Score focuses on preventive care and other established clinical interventions.

Referred Specialists: Most Referred Specialists are paid on a fee-for-service basis, meaning that payment is made according to the Health Benefit Plan's fee schedule for the specific medical services that the Referred Specialist performs. Obstetricians are paid global fees that cover most of their professional services for prenatal care and for delivery.

Designated Providers: For a few specialty services, PCPs are required to select a Designated Provider to which they refer all of the Health Benefit Plan patients for those services. The Specialist services for which PCPs must select a Designated Provider vary by state and could include, but are not limited to, radiology and Physical Therapy. Designated Providers usually are paid a set dollar amount per Member per month (capitation) for their services based on the PCPs that have selected them. Before selecting a PCP, Members may want to speak to the PCP regarding the Designated Provider that PCP has chosen.

Hospital-Based Provider: When the Member receives Covered Services from a Hospital-Based Provider while they are an Inpatient at a Participating Hospital or other Participating Facility Provider and are being treated by a Participating Professional Provider, the Member will receive benefits for the Covered Services provided by the Non-Participating Hospital-Based Provider. A Hospital-Based Provider can bill the Member directly for their services, for either the Provider's charges or amounts in excess of the Health Benefit Plan's payment to the Hospital-Based Providers (That is, "balance billing"). If the Member receives any bills from the Provider, the Member needs to contact Customer Services at the telephone number on the ID card. When the Member notifies the Health Benefit Plan about these bills, the Health Benefit Plan will resolve the balance billing.

### **Institutional Providers**

Hospitals: For most Inpatient medical and surgical Covered Services, Hospitals are paid per diem rates, which are specific amounts paid for each day a Member is in the Hospital. These rates usually vary according to the intensity of services provided. Some Hospitals are also paid case rates, which are set dollar amounts paid for a complete Hospital stay related to a specific procedure or diagnosis, (For example, transplants).

For most Outpatient and Emergency Covered Services and procedures, most Hospitals are paid specific rates based on the type of service performed. Hospitals may also be paid a global rate for certain Outpatient Covered Services (For example, lab and radiology) that includes both the facility and Physician payment. For a few Covered Services, Hospitals are paid based on a percentage of billed charges. Most Hospitals are paid through a combination of the above payment mechanisms for various Covered Services.

Some Hospitals participate in a quality incentive program. The program provides increased reimbursement to these Hospitals when they meet specific quality and other criteria, including "Patient Safety Measures." Such patient safety measures are consistent with recommendations by The Leap Frog Group, Joint Commission on Accreditation of Healthcare Organizations (JCAHO), and the Agency for Health Care Research and Quality (AHRQ) and are designed to help reduce medical and medication errors. Other criteria are directed at improved patient outcomes and electronic submissions. This incentive program is expected to evolve over time.

Skilled Nursing Homes, Rehabilitation Hospitals, and other care facilities: Most Skilled Nursing Facilities and other special care facilities are paid per diem rates, which are specific amounts paid for each day a Member is in the facility. These amounts may vary according to the intensity of services provided.

Ambulatory Surgical Centers (ASCs)

Most ASCs are paid specific rates based on the type of service performed. For a few Covered Services, some ASCs are paid based on a percentage of billed charges.

**Integrated Delivery Systems (Pennsylvania only):** In a few instances, we have global payment arrangements with integrated Hospital/Physician organizations called Integrated Delivery Systems (IDS). In these cases the IDS provides or arranges for some of the Hospital, Physician and ancillary Covered Services provided to some of our Members who select PCPs which are employed by or participate with the IDS. The IDS is paid a global fee to cover all such Covered Services, whether provided by the IDS or other Providers. These IDSs are therefore “at risk” for the cost of these Covered Services. Some of these IDSs may provide incentives to their IDS-affiliated Professional Providers for meeting certain quality, service or other performance standards.

Physician Group Practices and Physician Associations

Certain Physician group practices and independent Physician associations (IPAs) employ or contract with individual Physicians to provide medical Covered Services. These groups are paid as outlined above. These groups may pay their affiliated Physicians a salary and/or provide incentives based on production, quality, service, or other performance standards. In Pennsylvania, we have entered into a joint venture with an IPA. This IPA is paid a global fee to cover the cost of all Covered Services, including Hospital, professional and ancillary Covered Services provided to Members who choose a PCP in this IPA. This IPA is therefore “at risk” for the cost of these Covered Services. This IPA provides incentives to its affiliated Physicians for meeting certain quality, service and performance standards.

Ancillary Service Providers

Some Ancillary Service Providers, such as Durable Medical Equipment and Home Health Care Providers, are paid fee-for-service payments according to the Health Benefit Plan fee schedule for the specific medical services performed. Other Ancillary Service Providers, such as those providing laboratory, dental or vision Covered Services, are paid a set dollar amount per Member per month (capitation). Capitated ancillary service vendors are responsible for paying their contracted providers and do so on a fee-for-service basis.

Mental Health/Alcohol Or Drug Abuse And Dependency

A Mental Health/Alcohol Or Drug Abuse And Dependency ("behavioral health") management company administers most of the behavioral health benefits, and provides a network of Participating Behavior Specialists. The behavioral health management company is paid a set dollar amount per Member per month (capitation) for each Member and is responsible for paying its contracted providers on a fee-for-service basis. The contract with the behavioral health management company includes performance-based payments related to quality, provider access, service, and other such parameters.

A subsidiary of Independence Blue Cross has a less than one percent ownership interest in this behavioral health management company.

## Pharmacy

A pharmacy benefits management company (PBM), which is affiliated with the Health Benefit Plan, administers the Prescription Drug benefits, and is responsible for providing a network of Participating Pharmacies and processing pharmacy claims. The PBM also negotiates price discounts with pharmaceutical manufacturers and provides drug utilization and quality reviews. Price discounts may include rebates from a drug manufacturer based on the volume purchased. The Health Benefit Plan anticipates that it will pass on a high percentage of the expected rebates it receives from its PBM through reductions in the overall cost of Prescription Drug benefits. Under some circumstances, the Health Benefit Plan may use a portion of the rebates received from its PBM to lower the drug price used for purposes of determining what the Member should pay based on Member benefits at the time a rebatable drug is dispensed to the Member at a Participating Pharmacy. Under most benefit plans, Covered Drugs Or Supplies are subject to the Member's cost-sharing.

## **UTILIZATION REVIEW PROCESS AND CRITERIA**

### Utilization Review Process

Two conditions of this Program are that in order for a health care service to be covered or payable, the service must be:

- Eligible for coverage under this Program; and,
- Medically Necessary.

To assist the Health Benefit Plan in making coverage determinations for certain requested health care services, the Health Benefit Plan uses established Health Benefit Plan medical policies and medical guidelines based on clinically credible evidence to determine the Medical Necessity of the requested services. The appropriateness of the requested setting in which the services are to be performed is part of this assessment. The process of determining the Medical Necessity of requested health care services for coverage determinations based on the benefits available under a Member's benefit plan is called utilization review.

It is not practical to verify Medical Necessity on all procedures on all occasions, therefore certain procedures may be determined by the Health Benefit Plan to be Medically Necessary and automatically approved based on the accepted Medical Necessity of the procedure itself, the diagnosis reported or an agreement with the performing Provider. An example of such automatically approved services is an established list of services received in an emergency room which have been approved by the Health Benefit Plan based on the procedure meeting Emergency criteria and the severity of diagnosis reported (For example, rule out myocardial infarction, or major trauma). Other requested services, such as certain elective Inpatient or Outpatient procedures may be reviewed on a procedure specific or setting basis.

Utilization review generally includes several components which are based on when the review is performed. When the review is required before a service is performed (pre-service review) it is called Precertification (applicable when the Member's benefit plan provides benefits for services performed without the required Referral or by Non-Participating Providers (That is, point-of-service coverage) or Preapproval. Reviews occurring during a Hospital stay are called concurrent reviews. Those reviews occurring after services have been performed (post-service reviews) are called retrospective reviews. The Health Benefit Plan follows applicable state and federally required standards for the timeframes in which such reviews are to be performed.

Generally, where a requested service is not automatically approved and must undergo Medical Necessity review, nurses perform the initial case review and evaluation for plan coverage

approval using the Health Benefit Plan's medical policies, established guidelines and evidence-based clinical criteria and protocols; however only a Medical Director may deny coverage for a procedure based on Medical Necessity. The evidence-based clinical protocols evaluate the Medical Necessity of specific procedures and the majority is computer-based. Information provided in support of the request is entered into the computer-based system and evaluated against the clinical protocols. Nurses apply applicable benefit plan policies and procedures, taking into consideration the individual Member's condition and applying sound professional judgment. When the clinical criteria are not met, the given service request is referred to a Medical Director for further review for approval or denial. Independent medical consultants may also be engaged to provide clinical review of specific cases or for specific conditions. Should a procedure be denied for coverage based on lack of Medical Necessity a letter is sent to the requesting Provider and Member in accordance with applicable law.

The Health Benefit Plan's utilization review program encourages peer dialogue regarding coverage decisions based on Medical Necessity by providing Physicians with direct access to plan Medical Directors to discuss coverage of a case. The nurses, Medical Directors, other Professional Providers, and independent medical consultants who perform utilization review services are not compensated or given incentives based on their coverage review decisions. Medical Directors and nurses are salaried, and contracted external Physician and other professional consultants are compensated on a per case reviewed basis, regardless of the coverage determination. The Health Benefit Plan does not specifically reward or provide financial incentives to individuals performing utilization review services for issuing denials of coverage. There are no financial incentives for such individuals which would encourage utilization review decisions that result in underutilization.

### **Precertification or Preapproval**

When required and applicable, Precertification or Preapproval evaluates the Medical Necessity, including the appropriateness of the setting, of proposed services for coverage under the Member's benefit plan. Examples of these services include certain planned or elective Inpatient Admissions and selected outpatient procedures according to the Member's benefit plan. Where required by the Member's benefit plan, Preapproval is initiated by the Provider and Precertification is initiated by the Member.

Where Precertification or Preapproval is required, coverage of the proposed procedure is contingent upon the review being completed and receipt of the approval certification. Coverage penalties may be applied when Precertification is required for a procedure but is not obtained. If the Primary Care Physician or Referred Specialist fails to obtain Preapproval when required, and provides Covered Services or Referrals without obtaining such Preapproval, the Member will not be responsible for payment.

While the majority of services requiring Precertification or Preapproval are reviewed for medical appropriateness of the requested procedure setting (For example, Inpatient, Short Procedure Unit, or Outpatient setting), other elements of the Medical Necessity of the procedure may not always be evaluated and may be automatically approved based on the procedure or diagnosis for which the procedure is requested or an agreement with the performing Provider. Precertification or Preapproval is not required for Emergency Services and is not performed where an agreement with the Participating Provider does not require such review.

The following are general examples of current Precertification or Preapproval requirements under benefit plans; however these requirements vary by benefit plan and state and are subject to change:

- Hysterectomy;
- Nasal Surgery procedures;
- Bariatric Surgery; and
- Potentially cosmetic or Experimental/Investigative Services.

### **Concurrent Review**

Concurrent review may be performed while services are being performed. This may occur during an Inpatient Admission and typically evaluates the expected and current length of stay to determine if continued hospitalization is Medically Necessary. When performed, the review assesses the level of care provided to the Member and coordinates discharge planning. Concurrent review continues until the patient is discharged. Not all Inpatient stays are reviewed concurrently. Concurrent review is generally not performed where an Inpatient facility is paid based on a per case or diagnosis-related basis, or where an agreement with the facility does not require such review.

### **Retrospective Review**

Retrospective review occurs after services have been provided. This may be for a variety of reasons, including the Health Benefit Plan not being notified of a Member's Inpatient Admission until after discharge or where medical charts are unavailable at the time of a required concurrent review. Certain services are only reviewed on a retrospective basis.

### **Prenotification**

In addition to the standard utilization reviews outlined above, the Health Benefit Plan also may determine coverage of certain procedures and other benefits available to Members through Prenotification, as required by the Members' benefit plan, and discharge planning. Prenotification is advance notification to the Health Benefit Plan of an Inpatient Admission or Outpatient service where no Medical Necessity review (Precertification or Preapproval) is required, such as maternity admissions/deliveries. Prenotification is primarily used to identify Members for concurrent review needs, to ascertain discharge planning needs proactively, and to identify who may benefit from Case Management programs.

### **Discharge Planning**

Discharge planning is performed during an Inpatient Admission and is used to identify and coordinate a Member's needs and benefit plan coverage following the Inpatient Admission, such as covered home care, ambulance transport, acute rehabilitation, or Skilled Nursing Facility placement. Discharge planning involves the Health Benefit Plan's authorization of post-Hospital Covered Services and identifying and referring Members to Disease Management or Case Management benefits.

### **Selective Medical Review**

In addition to the foregoing requirements, the Health Benefit Plan reserves the right, under its utilization and quality management programs, to perform a medical review prior to, during or following the performance of certain Covered Services ("selective medical review") that are otherwise not subject to review as described above. In addition, the Health Benefit Plan reserves the right to waive medical review for certain Covered Services for certain Providers, if the Health Benefit Plan determines that those Providers have an established record of meeting the utilization and/or quality management standards for those Covered Services. Regardless of

the outcome of the Health Benefit Plan's selective medical review, there are no coverage penalties applied to the Member.

## **CLINICAL CRITERIA, GUIDELINES AND RESOURCES**

The following guidelines, clinical criteria and other resources are used to help make Medical Necessity coverage decisions:

### **Clinical Decision Support Criteria**

Clinical Decision Support criteria are an externally validated and computer-based system used to assist the Health Benefit Plan in determining Medical Necessity. These evidence-based, clinical Decision Support criteria are nationally recognized and validated. Using a model based on evaluating intensity of service and severity of illness, these criteria assist the Health Benefit Plan's clinical staff in evaluating the Medical Necessity and appropriateness of coverage based on a Member's specific clinical needs. Clinical Decision Support criteria help promote consistency in the Health Benefit Plan's plan determinations for similar medical issues and requests, and reduce practice variation among the Health Benefit Plan's clinical staff to minimize subjective decision-making.

Clinical Decision Support criteria may be applied for Covered Services including, but not limited to the following:

- Some elective surgeries--settings for Inpatient and Outpatient procedures (For example, hysterectomy and sinus Surgery);
- Inpatient Hospital Services;
- Inpatient rehabilitation care;
- Home Health Care;
- Durable Medical Equipment (DME); and
- Skilled Nursing Facility Services.

### **Centers for Medicare and Medicaid Services (CMS) Guidelines**

These are a set of guidelines adopted and published by CMS for coverage of services by Medicare and Medicaid for persons who are eligible and have health coverage through Medicare or Medicaid.

### **The Health Benefit Plan's Medical Policies**

These are the Health Benefit Plan's internally developed set of policies which document the coverage and conditions for certain medical/surgical procedures and ancillary services.

The Health Benefit Plan's medical policies may be applied for Covered Services including, but not limited to the following:

- Ambulance;
- Infusion;
- Speech Therapy;
- Occupational Therapy;
- Durable Medical Equipment; and
- Review of potential cosmetic procedures.

### **The Health Benefit Plan's Internally Developed Guidelines**

These are a set of guidelines developed specifically by the Health Benefit Plan, as needed, with input by clinical experts based on accepted practice guidelines within the specific fields and reflecting the Health Benefit Plan's medical policies for benefit plan coverage.

## **DELEGATION OF UTILIZATION REVIEW ACTIVITIES AND CRITERIA**

In certain instances, the Health Benefit Plan has delegated certain utilization review activities, which may include Preapproval, Precertification, concurrent review, and Case Management, to integrated delivery systems and/or entities with an expertise in medical management of a

certain membership population (such as, neonates/premature infants) or a type of benefit or service (such as behavioral health or radiology). In such instances, a formal delegation and oversight process is established in accordance with applicable law and nationally-recognized accreditation standards. In such cases, the delegate's utilization review criteria are generally used, with the Health Benefit Plan's approval.

### **Utilization Review and Criteria for Behavioral Health Services**

Utilization Review activities for behavioral health services (mental health and Alcohol Or Drug Abuse And Dependency services) have been delegated by the Health Benefit Plan to its contracted behavioral health management company which administers the behavioral health benefits for the majority of the Health Benefit Plan's Members.

### **COORDINATION OF BENEFITS**

If a Member or any of their Dependents have other group health insurance coverage which provides benefits for Hospital, medical, or other health expenses, the Member's benefit payments may be subject to Coordination of Benefits (COB). COB refers to the administration of health benefit coverage when a person is covered by more than one group plan. COB provisions:

- Determine which health plan will be the primary payor and which will be the secondary payor;
- Regulate benefit payments so that total payments by all insurers do not exceed total charges for Covered Services;
- Apply to all Member benefits, however, the Health Benefit Plan will provide access to Covered Services first and apply the applicable COB rules later;
- Allow the Health Benefit Plan to recover any expenses paid in excess of its obligation as a non-primary payor; and
- Apply to services for the treatment of injury resulting from the maintenance or use of a motor vehicle.

Coordination of Benefit provisions do not apply to Vision Care coverage.

### **Coordination of Benefits Administration**

Determination will be made as to whether the Member is also entitled to receive benefits under any other group health care insurance plan or under any governmental program for which any periodic payment is made by or for the Member, with the exception of student accident plans, group hospital indemnity plans paying \$100 per day or less and, if provided under the Member's Program, coverage for vision expenses. If so, the Health Benefit Plan shall determine whether the other insurer or government plan has primary responsibility for payment. In these cases, the payment under this Program may be reduced or eliminated. The Health Benefit Plan will provide access to Covered Services first and determine liability later.

If it is determined that this Program is the secondary plan, the Health Benefit Plan has the right to recover the expense already paid in excess of this Program's liability as the secondary plan. In such cases, only care provided or Referred by the Member's Primary Care Physician will be covered by this Program as secondary. The Member is required to furnish information and to take such other action as is necessary to assure the rights of the Health Benefit Plan. In determining whether this Program or another group health plan has primary liability the following will apply.

- If another plan under which an individual has coverage with does not have a COB provision, that plan will be primary and this Program will be secondary. In order for services to be covered by this Program as secondary, the Member's care must be provided or Referred by their Primary Care Physician.
- If the other plan does include a Coordination of Benefits or non-duplication provision:
  - The plan which covers an individual as a Subscriber (meaning not a dependent) will be primary. The plan which covers the individual as a dependent will be secondary;
  - If there is a court decree which establishes financial responsibility for the health care expenses of the dependent child, the plan which covers the child as a dependent of the parent with such financial responsibility will be the primary plan;
  - Where both plans cover a child as a dependent, the plan of the parent whose date of birth (excluding year) occurs earlier in the calendar year will be primary (the Birthday Rule). If both parents have the same birthday, the plan covering the parent longer will be primary. If the other plan does not include this provision, the provisions of that plan will determine the order of benefits.
  - If parents are separated or divorced, and no court decree applies, the benefits for the child will be determined as follows:
    - The plan of the parent with custody of the child will be primary;
    - The plan of the spouse of the parent with custody of the child will be secondary;
    - The plan of the parent not having custody of the child will be third;
    - In cases of joint custody, benefits will be determined by the Birthday Rule.
  - Where there is a court decree which establishes financial responsibility for the health care expenses of the child, the plan which covers the child as a dependent of the parent with such financial responsibility will be the primary plan.  
In cases of joint custody, benefits will be determined by the Birthday Rule as described in the second bulleted item above regarding the "Coordination of Benefits or non-duplication provision".
- The benefits of a plan covering the patient as a laid-off or retired employee or as the Dependent of a laid-off or retired employee shall be determined after the benefits of any other plan covering such person as an employee or dependent of such person. If the other plan does not have the rule regarding laid-off or retired employees, and if, as a result, the plans do not agree on the order of benefits, the rule will be ignored.
- Where the determination cannot be made in accordance with the preceding paragraphs, the plan which has covered the patient for the longer period of time will be the primary plan.
- Expenses for the treatment of injury arising out of the maintenance or use of a motor vehicle shall be eligible for coverage only to the extent that such benefits are in excess of, and not in duplication of, benefits paid or payable:
  - Under a plan or policy of motor vehicle insurance, provided that non-duplication as contained herein is not prohibited by law; or
  - Through a program or other arrangement of qualified or certified self-insurance.
- The Health Benefit Plan may release to or obtain from any person or organization any information about coverage, expenses and benefits, which may be necessary to determine whether this Program has the primary responsibility of payment. For the purpose of COB, if the Member receives services or supplies available under this Benefit Booklet but such is not provided by nor Referred by the Member's Primary Care Physician payment will not be made by this Program except as provided under this Benefit Booklet.
- Services provided under any governmental program for which any periodic payment is made by or for the Subscriber shall always be the primary plan, except where prohibited by law.

This provision does not apply to an individual health care plan issued to or in the name of the Member.

## **SUBROGATION AND REIMBURSEMENT RIGHTS**

The Employee Retirement Income Security Act (ERISA) applies to many health benefit plans and, to comply with legal requirements that relate specifically to ERISA-governed plans, this Benefit Booklet describes "Subrogation and Reimbursement Rights" in two sections:

- Subrogation and Reimbursement Rights When The Program Is Governed By ERISA; and
- Subrogation and Reimbursement Rights When The Program Is Not Governed By ERISA.

However, the fact that these Rights are described in separate sections using different language does not mean or imply that the Rights are substantively different or that the Rights described in one section are greater or lesser than the Rights described in the other section. Under both sections, the Health Benefit Plan reserves right the pursue subrogation recoveries and the Member has an obligation to fully reimburse the Health Benefit Plan to the fullest extent permitted by law.

### **▪ Subrogation and Reimbursement Rights When The Program Is Governed By ERISA**

By accepting benefits for Covered Services, the Member agrees that the Health Benefit Plan has the right to enforce subrogation and reimbursement rights. This section explains these rights and the responsibilities of each Member pertaining to subrogation and reimbursement. The term Member includes Eligible Dependents. The term Responsible Third Party refers to any person or entity, including any insurance company, health benefits plan or other third party, that has an obligation (whether by contract, common law or otherwise) to pay damages, pay compensation, provide benefits or make any type of payment to the Member for an injury or illness.

The Health Benefit Plan or the Plan Administrator, as applicable, retains full discretionary authority to interpret and apply these subrogation and reimbursement rights based on the facts presented. The right of subrogation or reimbursement is not enforceable if prohibited by statute or regulation.

### **Subrogation Rights**

Subrogation rights arise when the Health Benefit Plan pays benefits on behalf of a Member and the Member has a right to receive damages, compensation, benefits or payments of any kind (whether by a court judgment, settlement or otherwise) from a Responsible Third Party. The Health Benefit Plan is subrogated to the Member's right to recover from the Responsible Third Party. This means that the Health Benefit Plan "stands in your shoes" - and assumes the Member's right to pursue and receive the damages, compensation, benefits or payments from the Responsible Third Party to the full extent that the Health Benefit Plan has reimbursed the Member for medical expenses or paid medical expenses on the Member's behalf, plus the costs and fees that are incurred by the Health Benefit Plan to enforce these rights. The right to pursue a subrogation claim is not contingent upon whether or not the Member pursues the Responsible Third Party for any recovery.

## **Reimbursement Rights**

If a Member obtains any recovery - regardless of how it's described or structured - from a Responsible Third Party, the Member must fully reimburse the Health Benefit Plan for all medical expenses that were paid to the Member or on the Member's behalf, plus the costs and fees that are incurred by the Health Benefit Plan to enforce these rights. The Health Benefit Plan has a right to full reimbursement.

## **Lien**

By accepting benefits for Covered Services from the Health Benefit Plan, the Member agrees to a first priority equitable lien by agreement on any payment, reimbursement, settlement or judgment received by the Member, or anyone acting on the Member's behalf, from any Responsible Third Party. As a result, the Member must repay to the Health Benefit Plan the full amount of the medical expenses that were paid to the Member or on the Member's behalf out of the amounts recovered from the Responsible Third Party (plus the costs and fees that are incurred by the Health Benefit Plan to enforce these rights) first, before funds are allotted toward any other form of damages, whether or not there is an admission of fault or liability by the Responsible Third Party. The Health Benefit Plan has a lien on any amounts recovered by the Member from a Responsible Third Party, regardless of whether or not the amount is designated as payment for medical expenses. This lien will remain in effect until the Health Benefit Plan is reimbursed in full.

## **Constructive Trust**

If the Member (or anyone acting on the Member's behalf) receive damages, compensation, benefits or payments of any type from a Responsible Third Party (whether by a court judgment, settlement or otherwise), the Member agrees to maintain the funds in a separate, identifiable account and that the Health Benefit Plan has a lien on the monies. In addition the Member agrees to serve as the trustee over the monies for the benefit of Health Benefit Plan to the full extent that the Health Benefit Plan has reimbursed the Member for medical expenses or paid medical expenses on the member's behalf, plus the attorney's fees and the costs of collection incurred by the Health Benefit Plan.

- These subrogation and reimbursement rights apply regardless of whether money is received through a court decision, settlement, or any other type of resolution.
- These subrogation and reimbursement rights apply even if the recovery is designated or described as covering damages other than medical expenses (such as property damage or pain and suffering).
- These subrogation and reimbursement rights apply with respect to any recoveries made by the Member, including amounts recovered under an uninsured or underinsured motorist policy.
- The Health Benefit Plan is entitled to recover the full amount of the benefits paid to the Member or on the Member's behalf plus the costs and fees that are incurred by the Health Benefit Plan to enforce these rights without regard to whether the Member has been made whole or received full compensation for other damages (including property damage or pain and suffering). The recovery rights of the Health Benefit Plan will not be reduced by the "made whole" doctrine or "double recovery" doctrine.
- The Health Benefit Plan will not pay, offset any recovery, or in any way be responsible for attorneys' fees or costs associated with pursuing a claim against a Responsible Third Party unless the Health Benefit Plan agrees to do so in writing. The recovery rights of the Health Benefit Plan will not be reduced by the "common fund" doctrine.
- In addition to any Coordination of Benefits rules described in this Benefit Booklet, the benefits paid by the Health Benefit Plan will be secondary to any no-fault auto insurance

benefits and to any worker's compensation benefits (no matter how any settlement or award is characterized) to the fullest extent permitted by law.

- These subrogation and reimbursement rights apply and will not be decreased, restricted, or eliminated in any way if the Member receives or has the right to recover no-fault insurance benefits.
- All rights under this section are enforceable against the heirs, estate, legal guardians or legal representatives of the Member.
- The Health Benefit Plan is entitled to recover the full amount of the medical benefits paid without regard to any claim of fault on the Member's part.

#### **Obligations of Member**

- Immediately notify the Health Benefit Plan or its designee in writing if the Member asserts a claim against a Responsible Third Party, whether informally or through judicial or administrative proceedings.
- Immediately notify the Health Benefit Plan or its designee in writing whenever a Responsible Third Party contacts the Member or the Member's representative - or the Member or the Member's representative contact a Responsible Third Party - to discuss a potential settlement or resolution.
- Refuse any offer to settle, adjust or resolve a claim for damages, benefits or compensation that involves an injury, illness or medical expenses in any way, unless and until the Member receives written authorization from the Health Benefit Plan or its delegated representative.
- Fully cooperate with the Health Benefit Plan and its designated representative, as needed, to allow for the enforcement of these subrogation and reimbursement rights and promptly supply information/documentation when requested and promptly execute any and all forms/documents that may be needed.
- Avoid taking any action that may prejudice or harm the Health Benefit Plan's ability to enforce these subrogation and reimbursement rights to the fullest extent possible.
- Fully reimburse the Health Benefit Plan or its designated representative immediately upon receiving compensation of any kind (whether by court judgment, settlement or otherwise) from a Responsible Third Party.
- Serve as trustee for any and all monies paid to (or payable to) the Member or for the Member's benefit by any Responsible Third Party to the full extent the Health Benefit Plan paid benefits for an injury or illness.
- All of these Obligations apply to the heirs, estate, legal guardians or legal representatives of the Member.

#### **▪ Subrogation and Reimbursement Rights When The Program Is Not Governed By ERISA**

By accepting benefits for Covered Services, the Member agrees that the Health Benefit Plan has the right to enforce subrogation and reimbursement rights to the extent permitted by law. This section explains these rights and the responsibilities of each Member pertaining to subrogation and reimbursement. The term Member includes Eligible Dependents. The term Responsible Third Party refers to any person or entity, including any insurance company, health benefits plan or other third party, that has an obligation (whether by contract, common law or otherwise) to pay damages, pay compensation, provide benefits or make any type of payment to the Member for an injury or illness.

The Health Benefit Plan or the Plan Administrator, as applicable, retains full discretionary authority to interpret and apply these subrogation and reimbursement rights based on the

facts presented. The right of subrogation or reimbursement is not enforceable if prohibited by statute or regulation.

### **Subrogation Rights**

Subrogation rights arise when the Health Benefit Plan pays benefits on behalf of a Member and the Member has a right to receive damages, compensation, benefits or payments of any kind (whether by a court judgment, settlement or otherwise) from a Responsible Third Party. The Health Benefit Plan is subrogated to the Member's right to recover from the Responsible Third Party. This means that the Health Benefit Plan "stands in your shoes" - and assumes the Member's right to pursue and receive the damages, compensation, benefits or payments from the Responsible Third Party to the full extent that the Health Benefit Plan has reimbursed the Member for medical expenses or paid medical expenses on the Member's behalf, plus the costs and fees that are incurred by the Health Benefit Plan to enforce these rights. The right to pursue a subrogation claim is not contingent upon whether or not the Member pursues the Responsible Third Party for any recovery.

### **Reimbursement Rights**

If a Member obtains any recovery - regardless of how it's described or structured - from a Responsible Third Party, the Member must fully reimburse the Health Benefit Plan for all medical expenses that were paid to the Member or on the Member's behalf, to the extent permitted by law.

- These subrogation and reimbursement rights apply regardless of whether money is received through a court decision, settlement, or any other type of resolution.
- These subrogation and reimbursement rights apply even if the recovery is designated or described as covering damages other than medical expenses (such as property damage or pain and suffering).
- These subrogation and reimbursement rights apply with respect to any recoveries made by the Member, including amounts recovered under an uninsured or underinsured motorist policy.
- The Health Benefit Plan will not pay, offset any recovery, or in any way be responsible for attorneys' fees or costs associated with pursuing a claim against a Responsible Third Party unless the Health Benefit Plan agrees to do so in writing.
- In addition to any Coordination of Benefits rules described in this Benefit Booklet, the benefits paid by the Health Benefit Plan will be secondary to any no-fault auto insurance benefits and to any worker's compensation benefits (no matter how any settlement or award is characterized) to the fullest extent permitted by law.
- These subrogation and reimbursement rights apply and will not be decreased, restricted, or eliminated in any way if the Member receives or has the right to recover no-fault insurance benefits.
- All rights under this section are enforceable against the heirs, estate, legal guardians or legal representatives of the Member.
- The Health Benefit Plan is entitled to recover the full amount of the medical benefits paid without regard to any claim of fault on the Member's part.

### **Obligations of Member**

- Immediately notify the Health Benefit Plan or its designee in writing if the Member asserts a claim against a Responsible Third Party, whether informally or through judicial or administrative proceedings.
- Immediately notify the Health Benefit Plan or its designee in writing whenever a Responsible Third Party contacts the Member or the Member's representative - or the

Member or the Member's representative contact a Responsible Third Party - to discuss a potential settlement or resolution.

- Refuse any offer to settle, adjust or resolve a claim for damages, benefits or compensation that involves an injury, illness or medical expenses in any way, unless and until the Member receives written authorization from the Health Benefit Plan or its delegated representative.
- Fully cooperate with the Health Benefit Plan and its designated representative, as needed, to allow for the enforcement of these subrogation and reimbursement rights and promptly supply information/documentation when requested and promptly execute any and all forms/documents that may be needed.
- Avoid taking any action that may prejudice or harm the Health Benefit Plan's ability to enforce these subrogation and reimbursement rights to the fullest extent possible.
- Fully reimburse the Health Benefit Plan or its designated representative promptly, if appropriate, upon receiving compensation of any kind (whether by court judgment, settlement or otherwise) from a Responsible Third Party.
- All of these Obligations apply to the heirs, estate, legal guardians or legal representatives of the Member.

## **CLAIM PROCEDURES**

Most claims are filed by Providers in the Health Benefit Plan's network. The following applies if the Member must submit a claim.

### **Notice of Claims**

The Health Benefit Plan will not be liable for any claims under this Program unless proper notice is furnished to the Health Benefit Plan that Covered Services in this Program have been rendered to a Member.

Written notice of a claim must be given to the Health Benefit Plan within 20 days, or as soon as reasonably possible after Covered Services have been rendered to the Member. Notice given by or on behalf of the Member to the Health Benefit Plan that includes information sufficient to identify the Member that received the Covered Services, shall constitute sufficient notice of a claim to the Health Benefit Plan.

The Member can give notice to the Health Benefit Plan by calling Customer Service. The telephone number and address of Customer Service can be found on the Member's ID Card. A charge shall be considered Incurred on the date a Member receives the Covered Service for which the charge is made.

### **Proof of Loss**

Claims cannot be paid until a written proof of loss is submitted to the Health Benefit Plan. Written proof of loss must be provided to the Health Benefit Plan within 90 days after the charge for Covered Services is Incurred. Proof of loss must include all data necessary for the Health Benefit Plan to determine benefits. Failure to submit a proof of loss to the Health Benefit Plan within the time specified will not invalidate or reduce any claim if it is shown that the proof of loss was submitted as soon as reasonably possible, but in no event, except in the absence of legal capacity, will the Health Benefit Plan be required to accept a proof of loss later than 12 months after the charge for Covered Services is Incurred.

### **Claim Forms**

If a Member (or if deceased, by their personal representative) is required to submit a proof of

loss for benefits under this Program, it must be submitted to the Health Benefit Plan on the appropriate claim form. The Health Benefit Plan, upon receipt of a notice of claim will, within 15 days following the date notice of claim is received; furnish to the Member claim forms for filing proofs of loss. If claim forms are not furnished within 15 days after the giving of such notice, the Member shall be deemed to have complied with the requirements of this subsection as to filing a proof of loss upon submitting, within the time fixed in this subsection for filing proofs of loss, itemized bills for Covered Services as described below. Itemized bills may be submitted to the Health Benefit Plan at the address appearing on the Member's ID Card. Itemized bills cannot be returned.

### **Submission of Claims Forms**

For Member-submitted claims, the completed claim form, with all itemized bills attached, must be forwarded to the Health Benefit Plan at the address appearing on the claim form in order to satisfy the requirement of submitting a written proof of loss and to receive payment for benefits provided under this Program.

To avoid delay in handling Member-submitted claims, answers to all questions on the claim form must be complete and correct. Each claim form must be accompanied by itemized bills showing all of the following information:

- Person or organization providing the service or supply;
- Type of service or supply;
- Date of service or supply;
- Amount charged; and
- Name of patient.

A request for payment of a claim will not be reviewed and no payment will be made unless all the information and evidence of payment required on the claim form has been submitted in the manner described above. The Health Benefit Plan reserves the right to require additional information and documents as needed to support a claim that a Covered Service has been rendered.

### **Timely Payment of Claims**

Claims payment for benefits payable under this Program will be processed immediately upon receipt of proper proof of loss.

### **Physical Examinations and Autopsy**

The HMO at its own expense shall have the right and opportunity to examine the Member when and so often as it may reasonably require during the pendency of claim under the Contract; and the HMO shall also have the right and opportunity to make an autopsy in case of death, where it is not prohibited by law.

### **Payment of Claims**

If any indemnity of the Contract shall be payable to the estate of the Member, or to a Member or beneficiary who is a minor or otherwise not competent to give a valid release, the HMO may pay such indemnity, up to an amount not exceeding \$1,000, to any relative by blood or connection by marriage of the Member or beneficiary who is deemed by the HMO to be equitably entitled thereto. Any payment made by the HMO in good faith pursuant to this provision shall fully discharge the HMO to the extent of such payment.

### **Time Limit on Certain Defenses**

After three (3) years from the date of issue of the Contract, no misstatements, except fraudulent

misstatements made by the Applicant in the Application for such Contract, shall be used to void said Contract or to deny benefits for a loss incurred commencing after the expiration of such three (3) year period.

### **Legal Action**

No legal action may be commenced against the Health Benefit Plan with respect to the Contract until at least sixty (60) days after the Health Benefit Plan has received a properly completed claim form, Referral or encounter form. No legal action against the Health Benefit Plan with respect to the Contract may be filed later than three (3) years after the Covered Services or supplies were performed or provided.

In addition, no legal action regarding a Complaint or Grievance may be commenced against the Health Benefit Plan until the Member has exhausted their administrative remedies and appeals as detailed in this Contract.

## **COMPLAINT AND GRIEVANCE APPEAL PROCESS**

### **GENERAL INFORMATION ABOUT THE APPEAL PROCESSES**

The Health Benefit Plan maintains a Complaint appeal process and a Grievance appeal process for its Members. Each of these appeal processes provides formal review for a Member's dissatisfaction with a denial of coverage or other issues related to their health plan underwritten by the Health Benefit Plan.

The Complaint appeal process and the Grievance appeal process focus on different issues and have other differences. **Please refer to the separate sections below entitled Member Complaint Appeal Process and Member Grievance Appeal Process for specific information on each process.**

However, the Complaint appeal process and Grievance appeal process also have some common features. To understand how to pursue a Member appeal, the Member should also review the background information outlined here that applies to both the Complaint appeal process and the Grievance appeal process.

- **Authorizing Someone To Represent the Member.** At any time, the Member may choose a third party to be their representative in their Member appeal such as a Provider, lawyer, relative, friend, another individual, or a person who is part of an organization. The law states that the Member's written authorization or consent is required in order for this third party—called an "Appeal Representative" or "Authorized Representative"—to pursue an appeal on the Member's behalf. An Appeal Representative may make all decisions regarding the Member's appeal, provide and obtain correspondence, and authorize the release of medical records and any other information related to their appeal. In addition, if the Member chooses to authorize an Appeal Representative, the Member has the right to limit their authority to release and receive the Member's medical records or other appeal information in any other way the Member identifies.

In order to authorize someone to be the Member's Appeal Representative, the Member must complete valid authorization forms. The required forms are sent to adult Members or to the parents, guardians or other legal representatives of minor or incompetent Members who appeal and indicate that they want an Appeal Representative. Authorization forms can be obtained by calling or writing to the address listed below:

**Member Appeals Department**  
**P.O. Box 41820**  
**Philadelphia, PA 19101-1820**  
**Toll Free: 1-888-671-5276 (TTY:711)**  
**Fax: 1-888-671-5274**

Except in the case of an Expedited appeal, the Health Benefit Plan must receive completed, valid authorization forms before the Member's appeal can be processed. (For information on Expedited appeals, see the definition below and the references in the **Member Complaint Appeal Process** and **Member Grievance Appeal Process** sections below.) The Member has the right to withdraw or rescind authorization of an Appeal Representative at any time during the process.

If the Member's Provider files an appeal on the Member's behalf, the Health Benefit Plan will verify that the Provider is acting as the Member's Appeal Representative with their permission by obtaining valid authorization forms. A Member who authorizes the filing of an appeal by a Provider cannot file a separate appeal.

#### **Information for the Appeal Review:**

- **How to File and Get Assistance** - Appeals may be submitted by the Member or their Appeal Representative with the Member's authorization by following the steps outlined below in the descriptions of the **Member Complaint Appeal Process** and **Member Grievance Appeal Process**. At any time during these appeal processes, the Member may request the help of a Health Benefit Plan employee in preparing or presenting their appeal; this assistance will be available at no charge. Please note that the Health Benefit Plan employee designated to assist the Member will not have participated in the previous decision to deny coverage for the issue in dispute and will not be a subordinate of the original reviewer.
- **Full and Fair Review** - The Member or designee is entitled to a full and fair review. Specifically, at all appeal levels the designee may submit additional information pertaining to the case, to the Health Benefit Plan. The Member or designee may specify the remedy or corrective action being sought. At the Member's request, the Health Benefit Plan will provide access to and copies of all relevant documents, records, and other information that are not confidential, proprietary, or privileged. The Health Benefit Plan will automatically provide the Member or designee with any new or additional evidence considered, relied upon, or generated by the plan in connection with the appeal, which is used to formulate the rationale. Such evidence is provided as soon as possible and in advance of the date the adverse notification is issued. This information is provided to the Member or designee at no charge.
- **Advanced Notice** - The Health Benefit Plan will not terminate or reduce an-ongoing course of treatment without providing the Member or designee with advance notice and the opportunity for advanced review.
- **Urgent Care** - An urgent expedited appeal is any appeal for Medical Care or treatment with respect to which the application of the time periods for making non-urgent determinations could seriously jeopardize the life or health of the Member or the ability of the Member to regain maximum function, or in the opinion of a Physician with knowledge of the Member's

medical condition, would subject the Member to severe pain that cannot be adequately managed without the care or treatment that is the subject of the appeal. Members with Urgent Care conditions or who are receiving an on-going course of treatment may proceed with an expedited external review at the same time as the internal expedited appeals process.

- Changes in Member Appeals Processes - Please note that the Members Appeal processes described here may change at any time due to changes in the applicable state and federal laws and regulations and/or accreditation standards, to improve or facilitate the Members Appeals processes, or to reflect other decisions regarding the administration of Members Appeal processes for this Program.
- Appeal Decision Letters - If the Member's appeal request is not granted in full, the letter states the reason(s) for the decision. If a benefit provision, internal, rule, guideline, protocol, or other similar criterion is used in making the determination, the Member may request copies of this information at no charge. If the decision is to uphold the denial, there is an explanation of the scientific or clinical judgment for the determination. The letter also indicates the qualifications of the individual who decided the appeal and their understanding of the nature of the appeal. The Member or designee may request in writing, at no charge, the name of the individual who participated in the decision to uphold the denial.
- Appeal Classifications. The two classifications of appeals - Complaints and Grievances - established by Pennsylvania state laws and regulations are described in detail in separate sections below. A Grievance appeal may be filed when the denial of a Covered Service is based primarily on Medical Necessity. A Complaint appeal may be filed to challenge a denial based on a Contract Limitation or to complain about other aspects of health plan policies or operations.

The Member may question the classification of their appeal as a Complaint or Grievance by contacting the Health Benefit Plan's Member Appeals Department or their assigned appeals specialist at the address and telephone number shown above or by contacting the Pennsylvania Department of Health or the Pennsylvania Insurance Department at:

**Pennsylvania Department of Health  
Bureau of Managed Care  
Room 912, Health and Welfare Bldg.  
625 Forster Street  
Harrisburg, PA. 17120-0701  
Toll Free: 1-888-466-2787 (TTY:711)  
1-717-787-5193 (TTY:711)  
Fax: 1-717-705-0947**

**Pennsylvania Insurance Department  
Bureau of Consumer Services  
1209 Strawberry Square  
Harrisburg, PA. 17120  
1-877-881-6388 (TTY:711)  
Fax: 1-717-787-8585**

Appeals are also subject to the following classifications that affect the time available to conduct the appeal review:

A **Pre-service** appeal is any appeal for benefits with a coverage requirement that Preapproval or Precertification by the Health Benefit Plan must be obtained before Medical Care and services are received. A maximum of **15 days** is available for each of the two levels of internal review available for a standard Pre-service appeal.

A **Post-service** appeal includes any appeal for benefits for Medical Care or services that a Member has already received. A maximum of **30 days** is available for each of the two levels of internal review available for a standard Post-service appeal.

A maximum of **48 hours** is available for internal review of an Urgent/Expedited appeal.

## **COMPLAINT APPEAL PROCESS**

### **Informal Member Complaint Process**

The Health Benefit Plan will make every attempt to answer any questions or resolve any concerns the Member has related to benefits or services.

If the Member has a concern, they should call Customer Service at the telephone number listed on their ID card, or write to:

**Manager of Customer Service  
Keystone Health Plan East, Inc.  
P.O. Box 8339  
Philadelphia, PA 19101-8339**

Most Member concerns are resolved informally at this stage. If the Health Benefit Plan cannot immediately resolve the Member's concern, we will acknowledge it in writing within **five business days** of receiving it. If the Member is not satisfied with the response to their concern from the Health Benefit Plan, the Member has the right to file a formal Complaint appeal within **180 calendar days**, through the **Formal Member Complaint Appeal Process** described below.

### **Formal Member Complaint Appeal Process**

The Member may file a formal Complaint appeal regarding an unresolved dispute or objection regarding coverage, including this Program's exclusions and non-Covered Services, coverage Limitations, Participating or Non-Participating Provider status, cost sharing requirements, and rescission of coverage (except for failure to pay premiums or coverage contributions), or the operations or management policies of the Health Benefit Plan. The Complaint process consists of two internal levels of review by the Health Benefit Plan, and one external level of review by the Pennsylvania Department of Health or the Pennsylvania Insurance Department. There is also an internal Expedited Complaint process in the event the Member's condition involves an urgent issue.

### **Internal Complaint Appeals**

#### **Internal First Level Standard Complaint Appeals**

The Member may file a formal, first level standard Complaint appeal within **180 calendar days** from either their receipt of the original notice of denial from the Health Benefit Plan or completion of the **Informal Member Complaint Appeal Process** described above. To file a first level standard Complaint appeal, call Customer Service toll free at the telephone number listed on the Member's ID card, or call, write or fax the Member Appeals Department as follows:

**Member Appeals Department  
P.O. Box 41820  
Philadelphia, PA 19101-1820  
Toll Free: 1-888-671-5276 (TTY:711)  
Fax: 1-888-671-5274**

The Health Benefit Plan will acknowledge receipt of the Member's Complaint appeal in writing within five business days of receipt of the request.

The First Level Complaint Committee will complete its review of the Member's standard Complaint appeal within:

- **15 calendar days** from receipt of a Pre-service appeal; and
- **30 calendar days** from receipt of a Post-service appeal.

The First Level Complaint Committee is composed of one Health Benefit Plan employee who has had no previous involvement with the Member's case and who is not subordinate to the person who made the original determination. The Member will be sent their decision in writing within the timeframes noted above. If the Member's Complaint appeal is denied, the decision letter states:

- The specific reason for the decision;
- This Program's provision on which the decision is made and instructions on how to access the provision; and,
- How to appeal to the next level if the Member is not satisfied with the decision.

### **Internal Second Level Standard Complaint Appeals**

If the Member is not satisfied with the decision from their first level standard Complaint, they may file a second level standard Complaint to the Second Level Complaint Committee within **60 calendar days** of their receipt of the First Level Complaint Committee's decision from the Health Benefit Plan. To file a second level standard Complaint, call, write or fax the Member Appeals Department at the address and telephone numbers listed above.

The Member has the right to present their Complaint appeal to the Committee in person or by way of a conference call. The Member's appeal can also be presented by their Provider or another Appeal Representative if their authorization is obtained. (See **General Information About Member Appeal Processes** above for information about authorizations.) The Health Benefit Plan will attempt to contact the Member to schedule the Second Level Complaint Committee meeting for their standard Complaint appeal.

Upon receipt of the Member's appeal, the Member will be notified in writing when possible **15 calendar days** in advance of a date and time scheduled for the Second Level Complaint Committee's meeting. The Member may request a change in the meeting schedule. We will do our best to accommodate their request while remaining within the established timeframes. If the Member does not participate in the meeting, the Second Level Complaint Committee will review their Complaint appeal and make its decision based on all available information.

The Second Level Complaint Committee meets and renders a decision on the Member's standard Complaint appeal within:

- **15 calendar days** from receipt of a Pre-service appeal; and
- **30 calendar days** from receipt of a Post-service appeal.

The Second Level Complaint Committee is composed of at least three persons who have had no previous involvement with the Member's case and who are not subordinates of the person who made the original determination. The Second Level Complaint Committee members will include the Health Benefit Plan's staff, with one third of the Committee being Members or other persons who are not employed by the Health Benefit Plan. The Member may submit supporting materials both before and at the appeal meeting. Additionally, the Member has the right to review all information considered by the Committee that is not confidential, proprietary or

privileged.

The Second Level Complaint Committee meeting is a forum where Members have an opportunity to present their issues in an informal setting that is not open to the public. Two other persons may accompany the Member unless they receive prior approval from the Health Benefit Plan for additional assistance due to special circumstances. Members of the press may only participate in their personal capacity as the Member's Appeal Representative or to provide general, personal assistance. Members, Appeal Representatives and others assisting the Member may not audiotape or videotape the Committee proceedings.

The Member will be sent the decision letter of the Second Level Complaint Committee on their standard Complaint appeal within the timeframes noted above. The decision is final unless the Member chooses to appeal to the Pennsylvania Insurance Department or Department of Health as described in the decision letter. (See also **External Complaint Appeals** below.)

### **Internal Expedited Complaint Appeals**

If the Member's case involves an urgent issue, then the Member or their Physician may ask to have their case reviewed in a faster manner, as an internal Expedited Complaint. There is only one internal level of appeal review for an Expedited Complaint appeal.

Members with Urgent Care conditions or who are receiving an on-going course of treatment may proceed with an expedited external review at the same time as the internal expedited appeals process.

To request an internal Expedited Complaint Appeal, call Customer Service at the toll free telephone number listed on the Member's ID card or call or fax the Member Appeals Department at the address or telephone numbers listed above. The Health Benefit Plan will promptly inform the Member whether their appeal request qualifies for Expedited review or instead will be processed as a standard Complaint appeal. The Expedited Complaint Committee has the same composition as a Second Level Complaint Committee for a standard Complaint appeal—three persons who have had no previous involvement with the Member's case and who are not subordinates of the person who made the original determination. The Committee members include the Health Benefit Plan's staff, with one third of the Committee being members or other persons who are not employed by the Health Benefit Plan.

The Member has the right to present their Expedited Complaint to the Committee in person or by way of a conference call. The Member appeal can also be presented by their Provider or another Appeal Representative if the Member's authorization is obtained. (See **General Information About Member Appeal Processes** above for information about authorizations.) If the Member does not participate in the meeting, the Expedited Complaint Committee will review their Complaint appeal and make its decision based on all available information.

The Expedited Complaint Committee meeting is a forum where Members have an opportunity to present their issues in an informal setting that is not open to the public. Two other persons may accompany the Member unless the Member receives prior approval from the Health Benefit Plan for additional assistance due to special circumstances. Members of the press may only participate in their personal capacity as the Member's Appeal Representative or to provide general, personal assistance. Members, Appeal Representatives and others assisting the Member may not audiotape or videotape the Committee proceedings.

The Health Benefit Plan conducts an expedited internal review and issues a decision to the Member and their practitioner/provider within 48 hours of the date the Health Benefit Plan received the appeal. The notification includes the basis for the decision, and the procedure for obtaining an expedited external review.

The decision is final unless the Member chooses to appeal to the Pennsylvania Insurance Department or the Pennsylvania Department of Health as described in the decision letter. (See also "**External Complaint Appeals**" below.)

## **External Complaint Appeals**

### **External Standard and Expedited Complaint Appeals**

If the Member is not satisfied with the decision of the internal Second Level Complaint Committee or Expedited Complaint Committee, the Member has the right to an external appeal. The Member's external Complaint appeal is to be filed within **15 calendar days** of their receipt of the decision letter for a second level standard Complaint appeal and within **two business days** of the Member's receipt of the decision letter for an expedited Complaint appeal. The Member's request for an external Complaint appeal review is to be filed in writing to the Pennsylvania Insurance Department (PID) or Pennsylvania Department of Health (DOH) at the addresses noted below:

**Pennsylvania Department of Health  
Bureau of Managed Care  
Room 912, Health and Welfare Bldg.  
625 Forster Street  
Harrisburg, PA. 17120-0701  
Toll Free: 1-888-466-2787 (TTY:711)  
1-717-787-5193 (TTY:711)  
Fax: 1-717-705-0947**

**Pennsylvania Insurance Department  
Bureau of Consumer Services  
1209 Strawberry Square  
Harrisburg, PA. 17120  
1-877-881-6388 (TTY:711)  
Fax: 1-717-787-8585**

The Member's request for external review of their standard or expedited Complaint appeal should include the Member's name, address, daytime telephone number, the name of the Health Benefit Plan as their managed care plan, the group number, the Member's Health Benefit Plan ID number and a brief description of the issue being appealed. Also include a copy of the Member's original request for an internal second level standard or expedited Complaint appeal review to the Health Benefit Plan and copies of any correspondence and decision letters from the Health Benefit Plan.

When an external standard or expedited Complaint appeal request is submitted to the PID or DOH, the original submission date of the request is considered the date of receipt. The regulatory agency that receives the request will review it and transfer it to the other agency if this is found to be appropriate. The regulatory agency that handles the Member's external Complaint appeal will provide the Member and the Health Benefit Plan with a copy of the final determination of its decision.

## **GRIEVANCE APPEAL PROCESS**

### **Formal Member Grievance Appeal Process for Decisions Based On Medical Necessity**

Members may file a formal Grievance appeal of a decision by the Health Benefit Plan regarding a Covered Service that was denied or limited based primarily on Medical Necessity, the cosmetic or Experimental/Investigative exclusions, or other grounds that rely on a medical or

clinical judgment.

The Grievance appeal process consists of two internal Grievance reviews by the Health Benefit Plan—a first level standard Grievance and second level standard Grievance—and an external review through an external certified review entity or utilization review agency assigned by the Pennsylvania Department of Health (DOH).

There is also an internal and external expedited Grievance appeal process in the event the Member's condition involves an urgent issue.

## **Internal Grievance Appeals**

### **Internal First Level Standard Grievance Appeals**

The Member may file a first level standard Grievance appeal within **180 calendar days** from the date of receipt of the original denial by the Health Benefit Plan. To do so, call Customer Service at the toll free telephone number listed on their ID Card, or call, write or fax the Member Appeals Department as follows:

**Member Appeals Department**  
**P.O. Box 41820**  
**Philadelphia, PA 19101-1820**  
**Toll Free: 1-888-671-5276 (TTY:711)**  
**Fax: 1-888-671-5274**

The Health Benefit Plan will acknowledge receipt of the Member's Grievance appeal in writing within **five business days** of receipt of the request.

The Member's first level standard Grievance appeal is reviewed by a Committee for which a plan Medical Director is the decision-maker. The decision-maker is a matched specialist or the decision-maker receives input from a consultant who is a matched specialist. A matched specialist or "same or similar specialty Physician" is a licensed Physician or Psychologist who:

- Is in the same or similar specialty as typically manages the care under review;
- Has had no previous involvement in the case; and,
- Is not a subordinate of the person who made the original determination.

The matched specialist must also hold an active license to practice medicine.

If the matched specialist Physician is a consultant, their opinion on the Grievance appeal issues will be reported to the Health Benefit Plan in writing for consideration by the Committee. The Member may request a copy of the matched specialist's opinion in writing, and when possible it will be provided to the Member at least **seven calendar days** prior to the date of review by the First Level Grievance Committee. The matched specialist's report includes their credentials as a licensed Physician or Psychologist such as board certification.

The First Level Grievance Committee completes its review of the Member's standard Grievance appeal within:

- **15 calendar days** from receipt of a Pre-service appeal; and
- **30 calendar days** from receipt of a Post-service appeal.

The Member will be sent the Committee's decision on their first level standard Grievance appeal in writing within the timeframes noted above. If the Member's Grievance appeal is denied, the decision letter states:

- The specific reason for the denial;
- The Health Benefit Plan's provision on which the decision is made and instructions on how to access the provision; and,
- How to appeal to the next level if the Member is not satisfied with the decision.

### **Internal Second Level Standard Grievance**

If not satisfied with the decision from the Member's first level standard Grievance, the Member may file a second level standard Grievance appeal within **60 calendar days** of their receipt of the first level standard Grievance appeal decision from the Health Benefit Plan. To file a second level standard Grievance, call, write or fax the Member Appeals Department at the address and numbers listed above.

The Member has the right to present their Grievance appeal to the Committee in person or by way of a conference call. The Member's appeal can also be presented by their Provider or another Appeal Representative if the Member's authorization is obtained. (See **General Information About Member Appeal Processes** above for information about authorizations.)

The Second Level Grievance Committee for a standard Grievance appeal is composed of three persons who have had no previous involvement with the Member's case and who are not subordinate to the original reviewer. The Second Level Grievance Committee includes two Health Benefit Plan staff members; at least one of these Committee members is a plan Medical Director, a Physician who holds an active license. Additionally, one third of the Committee is not employed by the Health Benefit Plan.

Upon receipt of the Member's appeal, the Member will be notified in writing when possible **15 calendar days** in advance of a date and time scheduled for the Second Level Grievance Committee's meeting. The Member may request a change in the meeting schedule. The Health Benefit Plan will try to accommodate their request while remaining within the established timeframes. If the Member does not participate in the meeting, the Second Level Grievance Committee will review the Member's Grievance appeal and make its decision based on all available information.

The Second Level Grievance Committee will meet and render a decision on the Member's standard Grievance appeal within:

- **15 calendar days** from receipt of a Pre-service appeal; and
- **30 calendar days** from receipt of a Post-service appeal.

The Committee's review will include the matched specialist report. Upon written request, the Member will be provided with a copy of this report when possible within **at least seven calendar days** prior to the review by the Second Level Grievance Committee. The matched specialist's report includes their credentials as a licensed Physician or Psychologist such as board certification. If the matched specialist is attending the meeting, their credentials such as board certification will be provided to the Member. The Member may submit supporting materials both before and at the time of the appeal meeting. Additionally, the Member has the right to review all information considered by the Committee that is not confidential, proprietary or privileged.

The Second Level Grievance Committee meetings are a forum where Members each have the opportunity to present their issues in an informal setting that is not open to the public. Two other persons may accompany the Member, unless the Member receives prior approval from the Health Benefit Plan for additional assistance due to special circumstances. Members of the press may only attend in their personal capacity as a Member's Appeal Representative or to provide general, personal assistance. Members may not audiotape or videotape the Committee proceedings.

The Member will be sent the decision of the Second Level Grievance Committee in writing within the timeframes noted above. The decision is final unless the Member chooses to file an external standard Grievance within **15 calendar days** of their receipt of the decision notice from the Health Benefit Plan.

### **Internal Expedited Grievance Appeals**

If the Member's case involves an urgent medical condition, then the Member or their Physician may ask to have the Member's case reviewed in a faster manner, as an Expedited Grievance. There is only one internal level of appeal review for an Expedited Grievance appeal.

Members with Urgent Care conditions or who are receiving an on-going course of treatment may proceed with an expedited external review at the same time as the internal expedited appeals process.

To request an internal Expedited Grievance review by the Health Benefit Plan, call Customer Service at the toll free telephone number listed on the Member's ID card, or call, or fax the Member Appeals Department at the telephone numbers listed above. The Health Benefit Plan will promptly inform the Member whether their appeal request qualifies for expedited review or instead will be processed as a standard Grievance appeal.

The Expedited Grievance Committee has the same composition as a Second Level Grievance Committee for a standard Grievance appeal.

The Member has the right to present their Expedited Grievance to the Committee in person or by way of a conference call. The Member's appeal can also be presented by their Provider or another Appeal Representative if the Member's authorization is obtained. (See **General Information about Member Appeal Processes** above for information about authorizations.) If the Member does not participate in the meeting, the Expedited Grievance Committee will review their Grievance appeal and make its decision based on all available information.

The Expedited Grievance Committee meeting is a forum where Members have an opportunity to present their issues in an informal setting that is not open to the public. Two other persons may accompany the Member unless the Member receives prior approval from the Health Benefit Plan for additional assistance due to special circumstances. Members of the press may only participate in their personal capacity as the Member's Appeal Representative or to provide general, personal assistance. Member Appeal Representatives and others assisting the Member may not audiotape or videotape the Committee proceedings.

The Expedited Grievance review is completed promptly based on the Member's health condition. This Program conducts an expedited internal review and issues a decision to the Member and practitioner/provider within **48 hours** of the date the Health Benefit Plan received the appeal. The notification includes the basis for the decision, including any clinical rationale, and the procedure for obtaining an expedited external review.

### **External Grievance Appeals**

The two types of external Grievance appeals—standard and expedited—are described below. Members are not required to pay any of the costs associated with the external standard or expedited Grievance appeal review. However, when a Provider is a Member's Appeal Representative for external Grievance appeal review, then the Provider is required to:

- Place in escrow one-half of the estimated costs of the external Grievance appeal process; and
- Pay the full costs for the external process if the Provider's appeal on behalf of the Member is not successful.

An independent certified review entity (CRE) assigned by the Pennsylvania Department of Health (DOH) reviews an external Grievance appeal. For standard and expedited Grievance appeals, the Health Benefit Plan authorizes the service(s) or pays claims, if the CRE decides that the requested care or services are Covered Services that are Medically Necessary. The Member is notified in writing of the time and procedure for claim payment or approval of the service(s) in the event that the CRE overturns the prior appeal decision. The CRE's decision may be appealed to a court of competent jurisdiction within **60 calendar days**.

### **External Standard Grievance Appeals**

The Member has **15 calendar days** from the receipt of the decision letter for a second level standard Grievance to request an external standard Grievance appeal review. To file a request an external standard Grievance review by a DOH-assigned CRE, contact the Member Appeals Department as directed in the second level Grievance appeal decision letter or as follows:

**Member Appeals Department**  
**P.O. Box 41820**  
**Philadelphia, PA 19101-1820**  
**Toll Free: 1-888-671-5276 (TTY:711)**  
**Fax: 1-888-671-5274**

The Member will be sent written acknowledgement that the Health Benefit Plan has received their external standard Grievance request from the Health Benefit Plan within **five business days** of its receipt of the Member's request. The Health Benefit Plan contacts the DOH to request assignment of a CRE to review the Member's Grievance. The Health Benefit Plan notifies the Member of the name, address and telephone number of the CRE assigned by the DOH to their Grievance within **two business days** of the Health Benefit Plan's receipt of the assignment from the Department. The Member and the Health Benefit Plan have **seven business days** to notify the DOH, if there is an objection to the assignment of the CRE on the basis of conflict of interest.

To submit additional information, the Member or their Appeal Representative should send it to the Health Benefit Plan at the address appearing above and to the CRE within **15 calendar days** of the Member's receipt of the Health Benefit Plan's letter acknowledging their external standard Grievance appeal request. The Health Benefit Plan forwards copies of the information used in reviewing the Member's internal Grievance appeal to the CRE and a list of those documents to the Member or their Appeal Representative within **15 calendar days** of its receipt of the Member's external standard Grievance review appeal.

The CRE will send the Member or the Member's Appeal Representative a written decision within **60 calendar days** of the date when the Member filed their request for an external review. The

CRE issues its decision and follow-up occurs as described above in the introduction to this section.

### **External Expedited Grievance Appeals**

The Member has **two business days** from the Member's receipt of the internal expedited Grievance appeal decision to contact the Health Benefit Plan at the telephone number and address listed above to request an external expedited Grievance appeal. The Health Benefit Plan forwards the Member's request to the DOH **within 24 hours**, which assigns a CRE within 24 hours. The Health Benefit Plan forwards a copy of the internal Grievance appeal case file to the CRE on the next business day and the CRE issues a decision **within two business days** of receipt. The CRE issues its decision and follow-up occurs as described above in the introduction to this section.

### **OTHER COVERAGE**

- Worker's Compensation  
Any benefits provided by Worker's Compensation are not duplicated by this Program.
  
- Medicare  
Any services paid or payable by Medicare when Medicare is:
  - Primary; or
  - Would have been primary if the Member had enrolled for Medicare, are not duplicated by this Program. For working Members over age 65, the primary payor will be determined in accordance with TEFRA or existing regulations regarding Medicare reimbursement.

**NOTE: For more information regarding other coverage, see "Coordination Of Benefits" and "Subrogation".**

## **INDEPENDENT CORPORATION**

The Group Contract is between the Group and Keystone. Keystone is a controlled affiliate of Independence Blue Cross operating under a license from Blue Cross and Blue Shield Association (the "Association"), which is a national association of independent Blue Cross and Blue Shield Plans throughout the United States. Although all of these independent Blue Cross and Blue Shield Plans operate from a license with the Association, each of them is a separate and distinct corporation. The Association allows Keystone to use the familiar Blue Cross and Blue Shield words and symbols. Keystone, which is entering into the contract, is not contracting as an agent of the national Association. Only Keystone shall be liable to the Subscriber for any of the obligations as stated under the Group Master Contract. This paragraph does not add any obligations to the Contract.

If the Member has questions about any of the information in this Benefit Booklet, or needs assistance at any time, please feel free to contact Customer Services by calling the telephone number shown on the Member's ID Card.

## IMPORTANT DEFINITIONS

The terms below have the following meaning when describing the benefits in this Benefit Booklet. They will be helpful to the Member in fully understanding their benefits.

- Infusion Therapy Services;
- Durable Medical Equipment; and
- Ambulance services.

### **Anesthesia**

The process of giving the Member an approved drug or agent, in order to:

- Cause the Member's muscles to relax;
- Cause the Member to lose feeling; or
- Cause the Member to lose consciousness.

### **Annual Benefit Maximum**

- The maximum amount of benefits provided to a Member in each Benefit Period.
- This amount is shown in the **Schedule of Covered Services**.
- It does not include the amount the Member pays for Covered Services in the form of:
  - Copayments;
  - Coinsurance; and/or
  - Deductibles, if applicable.

### **Attention Deficit Disorder**

A disease that makes a person have a hard time paying attention; be too impulsive; and be overly active.

### **Authorized Generics**

Brand Name Drugs that are marketed without the brand name on its label. An authorized generic may be marketed by the brand name drug company, or another company with the brand company's permission. Unlike a standard Generic Drug, the authorized generic is not approved by the Food and Drug Administration (FDA) abbreviated new drug application process (ANDA). For cost sharing purposes authorized generics are treated as Brand Name Drugs.

### **Autism Service Provider**

A person, entity or group that provides treatment of Autism Spectrum Disorders (ASD), using an ASD Treatment Plan, and that is either:

- Licensed or certified in this Commonwealth; or
- Enrolled in the Commonwealth's medical assistance program on or before the effective date of the Pennsylvania Autism Spectrum Disorders law.

An Autism Service Provider shall include a Behavioral Specialist.

### **Autism Spectrum Disorders (ASD)**

Any of the Pervasive Developmental Disorders defined by the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders (DSM) or its successor.

### **Autism Spectrum Disorders Treatment Plan (ASD Treatment Plan)**

A plan for the treatment of Autism Spectrum Disorders:

- Developed by a licensed Physician or licensed Psychologist who is a Participating Professional Provider; and
- Based on a comprehensive evaluation or reevaluation, performed in a manner consistent with the most recent clinical report or recommendations of the American Academy of Pediatrics.

### **Average Wholesale Price (AWP)**

- Composite wholesale price for a drug designated by the manufacturer. This does not necessarily represent what Pharmacists pay for a drug, but it does serve as an accepted pricing benchmark. AWP's are compiled in 2 reference sources:
  - The Red Book; and
  - First Data Bank (the National Drug Data File).

### **Away From Home Care Coordinator**

The staff whose functions include assisting members with registering as a Guest Member for Guest Membership Benefits under the Away From Home Care Program.

### **Away From Home Care Program**

The Away From Home Care Program offers portable HMO coverage to Members traveling in a Host HMO Service Area. Registration for Guest Membership Benefits under the Away From Home Care Program is coordinated by the Away From Home Care Coordinator.

### **Behavioral Specialist**

An individual with appropriate certification or licensure by the applicable state, who designs, implements or evaluates a behavior modification intervention component of an ASD (Autism Spectrum Disorder) Treatment Plan, through Applied Behavioral Analysis which includes:

- Skill acquisition and reduction of problematic behavior;
- Improve function and/or behavior significantly; or
- Prevent loss of attained skill or function.

### **Benefit Period**

The specified period of time as shown in the ***Schedule of Covered Services*** within which the Member has to use Covered Services in order to be eligible for payment by their Health Benefit Plan. A charge shall be considered Incurred on the date the service or supply was provided to the Member.

### **Birth Center**

A Facility Provider approved by the Health Benefit Plan which:

- Is primarily organized and staffed to provide maternity care;
- Is where a Member can go to receive maternity care and give birth;
- Is licensed as required in the state where it is situated; and
- Is under the supervision of a Physician or a licensed Certified Midwife.

### **BlueCard Program**

A program that enables Members obtaining health care services while traveling outside the Keystone Service Area to receive all the same benefits of their Program and access to BlueCard Providers and savings. The program links participating health care providers and the independent Blue Cross and Blue Shield Licensees across the country and also to some international locations through a single electronic network for claims processing and reimbursement.

### **Brand Name Drug**

A Prescription Drug approved by the U.S. Food and Drug Administration (FDA) through the new drug application (NDA) process and in compliance with applicable state laws and regulations. For purposes of this Program, the term "Brand Name Drug" shall also include Authorized Generics and devices which includes spacers for metered dose inhalers that are used to enhance the effectiveness of inhaled medicines.

### **Case Management**

Comprehensive Case Management programs serve Members who have been diagnosed with an illness or injury that is complex, catastrophic, or chronic.

The objectives of Case Management are to:

- Make it easier for Members to get the service and care they need in an efficient way;
- Link the Member with appropriate health care or support services;
- Assist Providers in coordinating prescribed services;
- Monitor the quality of services delivered; and
- Improve Members' health outcomes.

Case Management supports Members and Providers by:

- Locating services;
- Coordinating services; and/or
- Evaluating services.

These steps are taken, across various levels and sites of care, for a Member who has been diagnosed with a complex, catastrophic or chronic illness and/or injury.

### **Certified Registered Nurse**

Any one of the following types of nurses who are certified by the state Board of Nursing or a national nursing organization recognized by the State Board of Nursing:

- Case Management services.

Day Rehabilitation sessions also include a combination of:

- One-to-one therapy; and
- Group therapy.

### **Decision Support**

Services that help members make well-informed decisions about health care and support their ability to follow their Participating Provider's treatment plan. Some examples of support services are:

- Major treatment choices; and
- Every day health choices.

### **Deductible**

A specified amount of Covered Services that must be paid by the Member, each Benefit Period before benefits are provided for any remaining Covered Services. A specific dollar amount that the Member's Program may require that the Member pay out-of-pocket each year, before their Health Benefit Plan begins to make payments for claims. This amount does not include Copayment amounts, any amounts above the Allowed Amount for a specific Provider, or the amount for any services not covered under this Benefit Booklet.

### **Dental Emergency**

An acute condition occurring suddenly and unexpectedly, which usually includes:

- Pain;

- Swelling or bleeding; and
- Demands immediate professional dental services.

### **Dentally Necessary**

A dental service or procedure is determined by a Dentist to either:

- Establish; or
- Maintain a patient's dental health.  
This is based on the professional diagnostic judgment of the:
  - Dentist; and
  - Prevailing standards of care in the professional community.

The determination will be made by the Dentist in accordance with: Guidelines established by the Health Benefit Plan.

When there is a conflict of opinion between the Dentist and the Health Benefit Plan on whether or not a dental service or procedure is Dentally Necessary: The opinion of the Health Benefit Plan will be final.

The Member shall be held harmless if: After receiving services from a Primary Dentist or Specialty Care Dentist, such services are determined not Dentally Necessary.

### **Dependent**

An individual, who relies on the Member for some level of aid and support and:

- Who resides in the Service Area;
- For whom Medicare is not primary pursuant to any federal or state regulation, law or ruling;
- Who is enrolled under the Health Benefit Plan coverage; and
- Who meets all of the eligibility requirements established by the Group and the Health Benefit Plan as described in the Eligibility section of the **General Information** section of this Benefit Booklet.

The Member's Primary Care Physician will provide a Referral to the Designated Provider for these services.

### **Detoxification**

The process by which a person who is alcohol or drug intoxicated, or alcohol or drug dependent, is assisted under the following circumstances:

- In a state licensed Facility Provider; or
- In the case of opiates, by an appropriately licensed Behavioral Health/Alcohol Or Drug Abuse And Dependency Provider, in an ambulatory (Outpatient) setting.

This treatment process will occur through the period of time necessary to eliminate, by metabolic or other means, any or each of the following problems:

- The intoxicating alcohol or drug;
- Alcohol or drug dependency factors; or
- Alcohol in combination with drugs, as determined by a licensed Physician, while keeping the physiological and psychological risk to the patient at a minimum.

### **Disease Management**

An approved program designed to identify and help people, who have a particular chronic disease, to stay as healthy as possible

- Disease Management programs use a population-based approach to:
  - Identify Members who have or are at risk for a particular chronic medical condition;
  - Intervene with specific programs of care; and
  - Measure and improve outcomes.
- Disease Management programs use evidence-based guidelines to:
  - Educate and support Members, PCP's, and Participating Professional Providers;
  - Matching interventions to Members with greatest opportunity for improved clinical or functional outcomes.
- To assist Members with chronic disease(s), Disease Management programs may employ:
  - Education;
  - Provider feedback and support statistics;
  - Compliance monitoring and reporting; and/or
  - Preventive medicine.
- Disease Management interventions are intended to both:
  - Improve delivery of services in various active stages of the disease process; as well as to reduce/prevent relapse or acute exacerbation of the condition.

### **Domestic Partner (Domestic Partnership)**

If applicable, an individual of a Domestic Partnership consisting of two people each of whom:

- Is unmarried, at least 18 years of age, resides with the other partner and intends to continue to reside with the other partner for an indefinite period of time;
- Is not related to the other partner by adoption or blood;
- Is the sole Domestic Partner of the other partner, with whom the person has a close committed and personal relationship, and has been a member of this Domestic Partnership for the last six months;
- Agrees to be jointly responsible for the basic living expenses and welfare of the other partner;
- Meets (or agrees to meet) the requirements of any applicable federal, state, or local laws or ordinances for Domestic Partnerships; and
- Demonstrates financial interdependence by submission of proof of three or more of the following documents:
  - A Domestic Partnership agreement;
  - A joint mortgage or lease;
  - A designation of one of the partners as beneficiary in the other partner's will;
  - A durable property and health care powers of attorney;
  - A joint title to an automobile, or joint bank account or credit account; or
  - Such other proof as is sufficient to establish economic interdependency under the circumstances of the particular case.

The Health Benefit Plan reserves the right to request documentation of any of the foregoing prior to commencing coverage for the Domestic Partner.

### **Drug Formulary**

A listing of covered Prescription Drugs preferred for use by the Health Benefit Plan. This list shall be subject to periodic review and modification by the Health Benefit Plan. Drugs not listed in the Drug Formulary shall not be covered.

### **Durable Medical Equipment (DME)**

Equipment that meets the following criteria:

- It is durable. (This is an item that can withstand repeated use.)
- It is medical equipment. (This is equipment that is primarily and customarily used for medical purposes, and is not generally useful in the absence of illness or injury.)
- It is generally not useful to a person without an illness or injury.
- It is appropriate for use in the home.

Durable Medical Equipment includes, but is not limited to:

- Diabetic supplies;
- Canes;
- Crutches;
- Walkers;
- Commode chairs;
- Home oxygen equipment;

- Submitted in a format provided by the Health Benefit Plan; and
- Together with any amendments or modifications to that written request.

### **Essential Health Benefits**

A set of health care service categories that must be covered by certain plans in accordance with the Affordable Care Act. The Affordable Care Act ensures health plans offered in the individual and small group markets offer a comprehensive package of items and services, known as Essential Health Benefits. Essential Health Benefits must include items and services within at least the following 10 categories: ambulatory patient services; emergency services; hospitalization; maternity and newborn care; mental health and substance use disorder services, including behavioral health treatment; prescription drugs; rehabilitative services and habilitative services and devices; laboratory services; preventive and wellness services and chronic Disease Management; and pediatric services, including oral and vision care.

### **Experimental Or Investigational Drugs**

Pharmacological regimens not generally accepted by the American medical community or approved by the FDA.

### **Experimental/Investigative**

A drug, biological product, device, medical treatment or procedure, or diagnostic test which meets any of the following criteria:

- Is the subject of ongoing clinical trials;
- Is the research, experimental, study or investigational arm of an on-going clinical trial(s) or is otherwise under a systematic, intensive investigation to determine its maximum tolerated dose, its toxicity, its safety, its efficacy or its efficacy as compared with a standard means of treatment or diagnosis;
- Is not of proven benefit for the particular diagnosis or treatment of the Member's particular condition;
- Is not generally recognized by the medical community, as clearly demonstrated by Reliable Evidence, as effective and appropriate for the diagnosis or treatment of the Member's particular condition; or
- Is generally recognized, based on Reliable Evidence, by the medical community as a diagnostic or treatment intervention for which additional study regarding its safety and efficacy for the diagnosis or treatment of the Member's particular condition, is recommended.

Any drug, biological product, device, medical treatment or procedure, or diagnostic procedure is not considered Experimental/Investigative if it meets all of the criteria listed below:

- When required the drug, biological product, device, medical treatment or procedure, or diagnostic test must have final approval from the appropriate governmental regulatory bodies (e.g. FDA)
- Reliable Evidence demonstrates that the drug, biological product, device, medical treatment or procedure or diagnostic test meets technical standards, is clinically valid, and has a definite positive effect on health outcomes.
- Reliable Evidence demonstrates that the drug, biological product, device, medical treatment or procedure, or diagnostic test leads to measurable improvement in health outcomes (That is, the beneficial effects outweigh any harmful effects).
- Reliable Evidence clearly demonstrates that the drug, biological product, device, medical treatment or procedure, or diagnostic test is at least as effective in improving health outcomes as established technology, or is usable in appropriate clinical contexts in

- which established technology is not employable.
- Reliable Evidence clearly demonstrates that improvement in health outcomes, as defined in the previous bullet, is possible in standard conditions of medical practice, outside clinical investigative settings.
- Reliable Evidence shows that the prevailing opinion among experts regarding the drug, biological product, device, medical treatment or procedure, or diagnostic test is that studies or clinical trials have determined its maximum tolerated dose, its toxicity, its safety, its efficacy or its efficacy as compared with a standard means of treatment for a particular diagnosis

Any approval granted as an interim step in the FDA regulatory process (For example: An Investigational New Drug Exemption as defined by the FDA), is not sufficient. Once FDA approval has been granted for a particular diagnosis or condition, use of a drug or biological product (e.g. infusible agent) for another diagnosis, condition, or in a manner that does not align with the FDA approval shall require that one or more of the established reference Compendia identified in the Company's policies recognize the usage as appropriate medical treatment.

### **Facility Provider**

An institution or entity licensed, where required, to provide care.

Such facilities include:

- |  |  |

### **Medical Policy**

- Medical Policy is used to determine whether Covered Services are Medically Necessary.
- Medical Policy is developed based on various sources including, but not limited to:
  - Peer-reviewed scientific literature published in journals and textbooks; and
  - Guidelines put forth by governmental agencies; and

- Respected professional organizations; and
- Recommendations of experts in the relevant medical specialty.

### **Medical Screening Evaluation**

An examination and evaluation within the capability of the Hospital's emergency department, including ancillary services routinely available to the emergency department, performed by qualified personnel.

### **Medical Technology Assessment**

The review and evaluation of available clinical and scientific information from expert sources. These sources include, and are not limited to:

- Publications from government agencies;
- Peer-reviewed journals;
- Professional guidelines;
- Regional and national experts;
- Clinical trials; and
- Manufacturers' literature.

The Health Benefit Plan uses the technology assessment process to assure that new drugs, procedures or devices are safe and effective before approving them as a Covered Service.

When new technology becomes available or at the request of a practitioner or Member:

- The Health Benefit Plan researches all scientific information available from these expert sources.
- Following this analysis, the Health Benefit Plan:
  - Makes a decision about when a new drug, procedure or device has been proven to be safe and effective; and
  - Uses this information to determine when an item becomes a Covered Service.

A Member or their Provider should contact the HMO to determine whether a proposed treatment is considered "emerging technology" and whether the provider is considered an eligible provider to perform the "emerging technology" Covered Service. The HMO maintains the discretion to limit eligible Providers for certain "emerging technology" Covered Services.

### **Medically Necessary (Medical Necessity)**

Shall mean:

- Health care services that a Physician, exercising prudent clinical judgment, would provide to a patient for the purpose of:

Urgent Care is not the same as: Emergency Services (see definition of Urgent Care above).

**Use Of Provider Network** (for Routine Patient Costs Associated with Qualifying Clinical Trials)  
Benefits are payable when Qualifying Clinical Trials are conducted by a:

- Primary Care Physician;
- Non-Participating Specialist or (Participating Professional Provider); when:
  - Preapproved by the Health Benefit Plan; and
  - Conducted in a Participating Provider facility.

If there is no comparable Qualifying Clinical Trial being performed by, and in, Participating Providers, then:

- The Health Benefit Plan will consider the services by Non-Participating Providers as covered when approved by the Health Benefit Plan.

In the absence of meeting the Qualifying Clinical Trials criteria, the Clinical Trial must be approved by the Health Benefit Plan as a Qualifying Clinical Trial. See **Access To Primary, Specialist, And Hospital Care** for procedures for obtaining Preapproval for use of a Non-Participating Provider.

### **Use of Participating Providers**

If one or more participating providers are participating in a clinical trial, nothing in the above paragraph shall be construed as preventing a plan or issuer from requiring that a qualified individual participate in the trial through such a participating provider if the provider will accept the individual as a participant in the trial.

**Use of Non-Participating Providers**

Notwithstanding Use of Participating Providers as noted in paragraph above, paragraph one shall apply to a qualified individual participating in an approved clinical trial that is conducted outside the state in which the qualified individual resides.

## IMPORTANT NOTICES

### Regarding Non-Discrimination Rights

The Member has the right to receive health care services without discrimination:

- based on race, ethnicity, age, mental or physical disability, genetic information, color, religion, gender, national origin, source of payment, sexual orientation, or sex, including sex stereotypes and gender identity;
- for medically necessary health services made available on the same terms for all individuals, regardless of sex assigned at birth, gender identity, or recorded gender;
- based on an individual's sex assigned at birth, gender identity, or recorded gender, if it is different from the one to which such health service is ordinarily available;
- related to gender transition if such denial or limitation results in discriminating against a transgender individual.

## 2022 PREVENTIVE SCHEDULE

This schedule is a reference tool for planning your preventive care and lists items/services required under the Patient Protection and Affordable Care Act of 2010 (PPACA), as amended. In accordance with the PPACA, the schedule is reviewed and updated periodically based on the recommendations of the U.S. Preventive Services Task Force, Health Resources and Services Administration, U.S. Centers for Disease Control and Prevention, U.S. Department of Health and Human Services, and other applicable laws and regulations. Accordingly, the content of this schedule is subject to change. Your specific needs for preventive services may vary according to your personal risk factors. Your health care provider is always your best resource for determining if you're at increased risk for a condition. Some services may require precertification/preapproval. If you have questions about this schedule, precertification/preapproval, or your benefit coverage, please call the Customer Service number on the back of your ID card.

**INDEPENDENCE BLUE CROSS  
NOTICE OF PRIVACY PRACTICES**

**THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT  
YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET  
ACCESS TO THIS INFORMATION<sup>1</sup>**

---

**PLEASE REVIEW IT CAREFULLY.**

Independence Blue Cross<sup>2</sup> values you as a customer, and protection of your privacy is very important to us. In conducting our business, we will create and maintain records that contain protected health information about you and the health care provided to you as a member of our health plans.

Note: “Protected health information” or “PHI” is information about you, including information that can reasonably be used to identify you and that relates to your past, present or future physical or mental health or condition, the provision of health care to you or the payment for that care.

We protect your privacy by:

- limiting who may see your PHI;
- limiting how we may use or disclose your PHI;
- informing you of our legal duties with respect to your PHI;
- explaining our privacy policies; and
- adhering to the policies currently in effect.

This Notice describes our privacy practices, which include how we may use, disclose, collect, handle, and protect our members’ protected health information. We are required by certain federal and state laws to maintain the privacy of your protected health information. We also are required by the federal Health Insurance Portability and Accountability Act (or “HIPAA”) Privacy Rule to give you this Notice about our privacy practices, our legal duties, and your rights concerning your protected health information.

---

<sup>1</sup> If you are enrolled in a self-insured group benefit program, this Notice is not applicable. If you are enrolled in such a program, you should contact your Group Benefit Manager for information about your group’s privacy practices. If you are enrolled in the Federal Employee Service Benefit Plan, you will receive a separate Notice.

<sup>2</sup> For purposes of this Notice, “Independence Blue Cross” refers to the following companies: Independence Blue Cross, Keystone Health Plan East, QCC Insurance Company, and Vista Health Plan, Inc. - independent licensees of the Blue Cross and Blue Shield Association.

This revised Notice took effect on July 18, 2017, and will remain in effect until we replace or modify it.

### **Copies of this Notice**

You may request a copy of our Notice at any time. If you want more information about our privacy practices, or have questions or concerns, please contact Member Services by calling the telephone number on the back of your Member Identification Card, or contact us using the contact information at the end of this Notice.

### **Changes to this Notice**

The terms of this Notice apply to all records that are created or retained by us which contain your PHI. We reserve the right to revise or amend the terms of this Notice. A revised or amended Notice will be effective for all of the PHI that we already have about you, as well as for any PHI we may create or receive in the future. We are required by law to comply with whatever Privacy Notice is currently in effect. You will be notified of any material change to our Privacy Notice before the change becomes effective. When necessary, a revised Notice will be mailed to the address that we have on record for the contract holder of your member contract, and will also be posted on our web site at [www.ibx.com](http://www.ibx.com).

### **Potential Impact of State Law**

The HIPAA Privacy Rule generally does not “preempt” (or take precedence over) state privacy or other applicable laws that provide individuals greater privacy protections. As a result, to the extent state law applies, the privacy laws of a particular state, or other federal laws, rather than the HIPAA Privacy Rule, might impose a privacy standard under which we will be required to operate. For example, where such laws have been enacted, we will follow more stringent state privacy laws that relate to uses and disclosures of the protected health information concerning HIV or AIDS, mental health, substance abuse/chemical dependency, genetic testing, reproductive rights, etc.

### **How We May Use and Disclose Your Protected Health Information (PHI)**

In order to administer our health benefit programs effectively, we will collect, use and disclose PHI for certain of our activities, including payment of covered services and health care operations.

The following categories describe the different ways in which we may use and disclose your PHI. Please note that every permitted use or disclosure of your PHI is not listed below. However, the different ways we will, or might, use or disclose your PHI do fall within one of the permitted categories described below.

**Treatment:** We may disclose information to doctors, pharmacies, hospitals and other health care providers who take care of you to assist in your treatment or the coordination of your care.

**Payment:** We may use and disclose your PHI for all payment activities including, but not limited to, collecting premiums or to determine or fulfill our responsibility to provide health care coverage under our health plans. This may include coordinating benefits with other health care programs or insurance carriers, such as Medicare or Medicaid. For example, we may use and disclose your PHI to pay claims for services provided to you by doctors or hospitals which are covered by your health plan(s), or to determine if requested services are covered under your health plan. We may also use and disclose your PHI to conduct business with other Independence Blue Cross affiliate companies.

**Health Care Operations:** We may use and disclose your PHI to conduct and support our business and management activities as a health insurance issuer. For example, we may use and disclose your PHI to determine our premiums for your health plan, to conduct quality assessment and improvement activities, to conduct business planning activities, to conduct fraud detection programs, to conduct or arrange for medical review, or to engage in care coordination of health care services.

We may also use and disclose your PHI to offer you one of our value added programs like smoking cessation or discounted health related services, or to provide you with information about one of our disease management programs or other available Independence Blue Cross health products or health services.

We may also use and disclose your PHI to provide you with reminders to obtain preventive health services, and to inform you of treatment alternatives and/or health related benefits and services that may be of interest to you.

**Marketing:** Your PHI will not be sold, used or disclosed for marketing purposes without your authorization except where permitted by law. Such exceptions may include: a marketing communication to you that is in the form of (a) a face-to-face communication, or (b) a promotional gift of nominal value.

**Release of Information to Plan Sponsors:** Plan sponsors are employers or other organizations that sponsor a group health plan. We may disclose PHI to the plan sponsor of your group health plan as follows:

- We may disclose “summary health information” to your plan sponsor to use to obtain premium bids for providing health insurance coverage or to modify, amend or terminate its group health plan. “Summary health information” is information that summarizes claims history, claims expenses, or types of claims experience for the individuals who participate in the plan sponsor’s group health plan;
- We may disclose PHI to your plan sponsor to verify enrollment/disenrollment in your group health plan;
- We may disclose your PHI to the plan sponsor of your group health plan so that the plan sponsor can administer the group health plan; and
- If you are enrolled in a group health plan, your plan sponsor may have met certain requirements of the HIPAA Privacy Rule that will permit us to disclose PHI to the plan sponsor. Sometimes the plan sponsor of a group health plan is the employer. In those circumstances, we may disclose PHI to your employer. You should talk to your employer to find out how this information will be used.

**Research:** We may use or disclose your PHI for research purposes if certain conditions are met. Before we disclose your PHI for research purposes without your written permission, an Institutional Review Board (a board responsible under federal law for reviewing and approving research involving human subjects) or Privacy Board reviews the research proposal to ensure that the privacy of your PHI is protected, and to approve the research.

**Required by Law:** We may disclose your PHI when required to do so by applicable law. For example, the law requires us to disclose your PHI:

- When required by the Secretary of the U.S. Department of Health and Human Services to investigate our compliance efforts; and

- To health oversight agencies, to allow them to conduct certain Health Oversight Activities described below.

**Public Health Activities:** We may disclose your PHI to public health agencies for public health activities that are permitted or required by law, such as to:

- prevent or control disease, injury or disability;
- maintain vital records, such as births and deaths;
- report child abuse and neglect;
- notify a person about potential exposure to a communicable disease;
- notify a person about a potential risk for spreading or contracting a disease or condition;
- report reactions to drugs or problems with products or devices;
- notify individuals if a product or device they may be using has been recalled; and
- notify appropriate government agency(ies) and authority(ies) about the potential abuse or neglect of an adult patient, including domestic violence.

**Health Oversight Activities:** We may disclose your PHI to a health oversight agency for activities authorized by law, such as: audits; investigations; inspections; licensure or disciplinary actions; or civil, administrative, or criminal proceedings or actions. Health oversight agencies seeking this information include government agencies that oversee: (i) the health care system; (ii) government benefit programs; (iii) other government regulatory programs; and (iv) compliance with civil rights laws.

**Lawsuits and Other Legal Disputes:** We may disclose your PHI in response to a court or administrative order, subpoena, discovery request, or other lawful process once we have met all administrative requirements of the HIPAA Privacy Rule.

**Law Enforcement:** We may disclose your PHI to law enforcement officials under certain conditions. For example, we may disclose PHI:

- to permit identification and location of witnesses, victims, and fugitives;
- in response to a search warrant or court order;
- as necessary to report a crime on our premises;
- to report a death that we believe may be the result of criminal conduct; or
- in an emergency, to report a crime.

**Coroners, Medical Examiners, or Funeral Directors:** We may release PHI to a coroner or medical examiner. This may be necessary, for example, to identify a deceased person or to determine the cause of death. We also may disclose, as authorized by law, information to funeral directors so that they may carry out their duties.

**Organ and Tissue Donation:** We may use or disclose your PHI to organizations that handle organ and tissue donation and distribution, banking, or transplantation.

**To Prevent a Serious Threat to Health or Safety:** As permitted by law, we may disclose your PHI if we believe that the disclosure is necessary to prevent or lessen a serious and imminent threat to the health or safety of a person or the public.

**Military and National Security:** We may disclose to military authorities the PHI of Armed Forces personnel under certain circumstances. We may disclose to authorized federal officials PHI required for lawful intelligence, counter-intelligence, and other national security activities.

**Inmates:** If you are a prison inmate, we may disclose your PHI to the prison or to a law enforcement official for: (1) the prison to provide health care to you; (2) your health and safety, and the health and safety of others; or (3) the safety and security of the prison.

**Underwriting:** We will not use genetic information about you for underwriting purposes.

**Workers' Compensation:** As part of your workers' compensation claim, we may have to disclose your PHI to a worker's compensation carrier.

**To You:** When you ask us to, we will disclose to you your PHI that is in a "designated record set." Generally, a designated record set contains medical, enrollment, claims and billing records we may have about you, as well as other records that we use to make decisions about your health care benefits. You can request the PHI from your designated record set as described in the section below called "Your Privacy Rights Concerning Your Protected Health Information."

**To Your Personal Representative:** If you tell us to, we will disclose your PHI to someone who is qualified to act as your personal representative according to any relevant state laws. In order for us to disclose your PHI to your personal representative, you must send us a completed Independence Blue Cross Personal Representative Designation Form and documentation that supports the person's qualification according to state law (such as a power of attorney or guardianship). To request the Independence Blue Cross Personal Representative Designation Form, please contact Member Services at the telephone number listed on the back of your Member Identification card, print the form from our web site at [www.ibx.com](http://www.ibx.com), or write us at the address at the end of this Notice. However, the HIPAA Privacy Rule permits us to choose not to treat that person as your personal representative when we have a reasonable belief that: (i) you have been, or may be, subjected to domestic violence, abuse or neglect by the person; (ii) treating the person as your personal representative could endanger you; or (iii) in our professional judgment, it is not in your best interest to treat the person as your personal representative.

**To Family and Friends:** Unless you object, we may disclose your PHI to a friend or family member who has been identified as being involved in your health care. We also may disclose your PHI to an entity assisting in a disaster relief effort so that your family can be notified about your condition, status, and location. If you are not present or able to agree to these disclosures of your PHI, then we may, using our professional judgment, determine whether the disclosure is in your best interest.

**Parents as Personal Representatives of Minors:** In most cases, we may disclose your minor child's PHI to you. However, we may be required to deny a parent's access to a minor's PHI according to applicable state law.

## Health Information Exchanges

We share your health information electronically through certain Health Information Exchanges (“HIEs”). A HIE is a secure electronic data sharing network. In accordance with applicable federal and state privacy and security requirements, regional health care providers participate in HIEs to exchange patient information in real-time to help facilitate delivery of health care, avoid duplication of services, and more efficiently coordinate care. As a participant in HIEs, Independence shares your health information we may have received when a claim has been submitted for services you have received among authorized participating providers, such as physicians, hospitals, and health systems for the purpose of treatment, payment and health care operations as permitted by law. During an emergency, patients and their families may forget critical portions of their medical history which may be very important to the treating physician who is trying to make a quick, accurate diagnosis in order to treat the sick patient. Independence, through its participation in an HIE, makes pertinent medical history, including diagnoses, studies, lab results, medications and the treating physicians we may receive on a claim available to participating emergency room physicians while the patient is receiving care. This is invaluable to the physician, expediting the diagnosis and proper treatment of the patient.

Your treating providers who participate with an HIE, and also submit health information with the HIE, will have the ability to access your health information through the HIE and send records to your treating physicians. Through direct requests to the HIE, we will receive various types of protected health information such as pharmacy or laboratory services, or information when you have been discharged from a hospital which may be used to coordinate your care, provide case management services, or otherwise reduce duplicative services and improve the overall quality of care to our members. All providers that participate in HIEs agree to comply with certain privacy and security standards relating to their use and disclosure of the health information available through the HIE.

As an Independence member, you have the right to opt-out which means your health information will not be accessible through the HIE. Through the regional HIE ([www.hsxsepa.org/patient-options-opt-out-back](http://www.hsxsepa.org/patient-options-opt-out-back)) website or the State HIE ([www.dhs.pa.gov/providers/Providers/Documents/opt%20out.pdf](http://www.dhs.pa.gov/providers/Providers/Documents/opt%20out.pdf)) website consumers or providers can access an online, fax, or mail form permitting patients to remove themselves (opt-out) or reinstate themselves (opt back in) to the HIE. It will take approximately one business day to process an opt-out request. If you choose to opt-out of the HIE, your health care providers will not be able to access your information through the HIE. Even if you opt-out, this will not prevent your health information from being made available and released through other means (i.e. fax, secure email) to authorized individuals, such as network providers for paying claims, coordinating care, or administering your health benefits in accordance with the law and in the normal course of conducting our business as permitted under applicable law. For more information on HIEs, please go to [www.hsxsepa.org/consumers-0](http://www.hsxsepa.org/consumers-0) or to <https://www.dhs.pa.gov/providers/Providers/Pages/Health%20Information%20Technology/Health-Information-Exchange-Citizens.aspx>.

## **Right to Provide an Authorization for Other Uses and Disclosures**

- Other uses and disclosures of your PHI that are not described above will be made only with your written authorization.
- You may give us written authorization permitting us to use your PHI or disclose it to anyone for any purpose.
- We will obtain your written authorization for uses and disclosures of your PHI that are not identified by this Notice, or are not otherwise permitted by applicable law.

Any authorization that you provide to us regarding the use and disclosure of your PHI may be revoked by you in writing at any time. After you revoke your authorization, we will no longer use or disclose your PHI for the reasons described in the authorization. Of course, we are unable to take back any disclosures that we have already made with your authorization. We may also be required to disclose PHI as necessary for purposes of payment for services received by you prior to the date when you revoked your authorization.

Your authorization must be in writing and contain certain elements to be considered a valid authorization. For your convenience, you may use our approved Independence Blue Cross Authorization Form. To request the Independence Blue Cross Authorization Form, please contact Member Services at the telephone number listed on the back of your Member Identification card, print the form from our web site at [www.ibx.com](http://www.ibx.com), or write us at the address at the end of this Notice.

## **Your Privacy Rights Concerning Your Protected Health Information (PHI)**

You have the following rights regarding the PHI that we maintain about you. Requests to exercise your rights as listed below must be in writing. For your convenience, you may use our approved Independence Blue Cross form(s). To request a form, please contact Member Services at the telephone number listed on the back of your Member Identification card or write to us at the address listed at the end of this Notice.

**Right to Access Your PHI:** You have the right to inspect or get copies of your PHI contained in a designated record set. Generally, a “designated record set” contains medical, enrollment, claims and billing records we may have about you, as well as other records that we may use to make decisions about your health care benefits. However, you may not inspect or copy psychotherapy notes or certain other information that may be contained in a designated record set.

You may request that we provide copies of your PHI in a format other than photocopies such as by electronic means in certain situations. We will use the format you request unless we cannot practicably do so. We may charge a reasonable fee for copies of PHI (based on our costs), for postage, and for a custom summary or explanation of PHI. You will receive notification of any fee(s) to be charged before we release your PHI, and you will have the opportunity to modify your request in order to avoid and/or reduce the fee. In certain situations, we may deny your request for access to your PHI. If we do, we will tell you our reasons in writing, and explain your right to have the denial reviewed.

**Right to Amend Your PHI:** You have the right to request that we amend your PHI if you believe there is a mistake in your PHI, or that important information is missing. Approved amendments made to your PHI will also be sent to those who need to know, including (where appropriate) Independence Blue Cross's vendors (known as "Business Associates"). We may also deny your request if, for instance, we did not create the information you want amended. If we deny your request to amend your PHI, we will tell you our reasons in writing, and explain your right to file a written statement of disagreement.

**Right to an Accounting of Certain Disclosures:** You may request, in writing, that we tell you when we or our Business Associates have disclosed your PHI (an "Accounting"). Any accounting of disclosures will **not** include those we made:

- for payment, or health care operations;
- to you or individuals involved in your care;
- with your authorization;
- for national security purposes;
- to correctional institution personnel; or
- before April 14, 2003.

The first accounting in any 12-month period is without charge. We may charge you a reasonable fee (based on our cost) for each subsequent accounting request within a 12-month period. If a subsequent request is received, we will notify you of any fee to be charged, and we will give you an opportunity to withdraw or modify your request in order to avoid or reduce the fee.

**Right to Request Restrictions:** You have the right to request, in writing, that we place additional restrictions on our use or disclosure of your PHI. We are not required to agree to your request. However, if we do agree, we will be bound by our agreement except when required by law, in emergencies, or when information is necessary to treat you. An approved restriction continues until you revoke it in writing, or until we tell you that we are terminating our agreement to a restriction.

**Right to Request Confidential Communications:** You have the right to request that we use alternate means or an alternative location to communicate with you in confidence about your PHI. For instance, you may ask that we contact you by mail, rather than by telephone, or at work, rather than at home. Your written request must clearly state that the disclosure of all or part of your PHI at your current address or method of contact we have on record could be an endangerment to you. We will require that you provide a reasonable alternate address or other method of contact for the confidential communications. In assessing reasonableness, we will consider our ability to continue to receive payment and conduct health care operations effectively, and the subscriber's right to payment information. We may exclude certain communications that are commonly provided to all members from confidential communications. Examples of such communications include benefit booklets and newsletters.

**Right to a Paper Copy of This Notice:** You have the right to receive a paper copy of our Notice of Privacy Practices. You can request a copy at any time, even if you have agreed to receive this Notice electronically. To request a paper copy of this Notice, please contact Member Services at the telephone number on the back of your Member Identification Card.

**Right to Notification of a Breach of Your PHI:** You have the right to and will be notified following a breach of your unsecured PHI or if a security breach occurs involving your PHI.

### **Your Right to File a Privacy Complaint**

If you believe your privacy rights have been violated, or if you are dissatisfied with Independence Blue Cross's privacy practices or procedures, you may file a complaint with the Independence Blue Cross Privacy Office and with the Secretary of the U.S. Department of Health and Human Services.

You will not be penalized for filing a complaint.

To file a privacy complaint with us, you may contact Member Services at the telephone number on the back of your member ID card, or you may contact the Privacy Office as follows:

**NOTICE OF PROTECTION PROVIDED BY  
PENNSYLVANIA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION**

This notice provides a **brief summary** regarding the protections provided to policyholders by the Pennsylvania Life and Health Insurance Guaranty Association (“the Association”). This protection was created under Pennsylvania law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your member life, annuity, or health insurance company, RANLI PPO, hospital plan corporation, professional health services plan corporation or health maintenance organization (member insurer) becomes financially unable to meet its obligations. If this should happen, the Association will typically arrange to provide coverage, pay claims, or otherwise provide protection in accordance with Pennsylvania law. The protection provided by the Association is not unlimited and is not a substitute for consumers' care in selecting companies that are well managed and financially stable.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations or the rights or obligations of the Association.

**COVERAGE**

**Persons Covered**

Generally, individuals will be protected by the Association if the member insurer was a member of the Association and the individual lives in Pennsylvania at the time the member insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees of such individuals.

**Amounts of Coverage**

The basic coverage protections provided by the Association per insured in each insolvency are limited in the aggregate to \$300,000 (or \$500,000 in the case of health benefit plans), including specific limits for the following types of coverage but not in excess of the contractual obligations of the member insurer;

**Life insurance:**

- Up to \$300,000 in death benefits including up to \$100,000 in net cash surrender or withdrawal value.

**Accident, accident and health, or health insurance (including HMOs):**

- Up to \$500,000 for health benefit plans, with some exceptions.
- Up to \$300,000 for disability income benefits.
- Up to \$300,000 for long-term care insurance benefits.
- Up to \$100,000 for all other types of health insurance.

**Individual annuities:**

- Up to \$250,000 in the present value of benefits, including cash surrender and net cash withdrawal values.

## **LIMITATIONS AND EXCLUSIONS FROM COVERAGE**

The Association also does not provide coverage for:

- any policy or contract or portion of a policy or contract which is not guaranteed by the member insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- claims based on marketing materials or other documents which are not approved policy or contract forms, claims based on misrepresentations of policy or contract benefits, and other extra-contractual claims;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields or increases based on an index that exceed an average rate specified by statute;
- dividends, experience rating credits, or credits given in connection with the administration of a policy or contract by a group contractholder;
- employers' plans that are self-funded (that is, not insured by member insurer, even if member insurer administers them);
- unallocated annuity contracts (which give rights to group contractholders, not individuals) other than in limited circumstances and amounts;
- certain contracts which establish benefits by reference to a portfolio of assets not owned by the member insurer; or
- policies providing health care benefits for Medicare Parts C or D coverage, for Medicaid or under the Pennsylvania program for Comprehensive Health Care for Uninsured Children.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in Pennsylvania when it issued the policy or contract
- If the person is provided coverage by the guaranty association of another state
- A policy issued by a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

### **NOTICES**

Member insurers or their agents are required by law to give or send you this notice, and are prohibited by law from using the existence of the Association to induce you to purchase any kind of insurance or other coverage. Policyholders with additional questions should first contact their member insurer or agent. To learn more about coverages provided by the Association, please visit the Association's website at [www.palifega.org](http://www.palifega.org). You can obtain additional information from the Association by contacting it at the address below. You may also contact the Pennsylvania Insurance Department to file a complaint with the Pennsylvania Insurance Commissioner to allege a violation of any provisions of Pennsylvania laws and regulations relating to insurance including the law establishing the Association:

The summary information provided by this notice and on the Association's web site do not limit or alter the more comprehensive and detailed provisions of the law and are subject to change without notice. The statements made herein are for information purposes only. The Association has not reviewed any specific policy, or verified the information provided regarding residency or other relevant factors. Moreover, whether coverage will be provided to any specific policyholder can only be determined by reference to the statute in effect, at the earliest, at the time that the member insurer is declared insolvent. No final determination of coverage can be made until a member insurer is declared insolvent and the specific factual and legal circumstances can be reviewed. Nothing contained herein is intended to guarantee coverage for any insured, or to bind the Association in any way. Finally, this summary and the Association's web site are for general information purposes and should not be relied upon as legal advice.
