Agency,

Defendants.

Case No. 1:22-cv-132-JDB

EPA's Unopposed Motion to Stay Litigation

EPA moves to stay this litigation until September 30, 2022. Plaintiffs do not oppose this relief.

Plaintiffs filed the Complaint on January 20, 2022. ECF No. 1. EPA's response is due on Apr. 22, 2022. Order (Mar. 3, 2022) (granting EPA's unopposed motion for extension).

EPA is undertaking a rulemaking process, the outcome of which could obviate some or all the dispute here. To focus its limited resources on the rulemaking, EPA asks that the Court stay the litigation until September 30. EPA will file a motion to govern at that time to report on the status of its rulemaking and propose next steps in this litigation.
