Unified Agenda of Federal Regulatory and Deregulatory Actions

AGENCY: Recovery Accountability and Transparency Board.

ACTION: Semiannual regulatory agenda.

SUMMARY: This agenda announces the regulations the Recovery Accountability and Transparency Board (Board) will have under development during the 12 months following publication. The purpose of publishing this agenda is to provide the public with an opportunity to participate in the rulemaking process.

FOR FURTHER INFORMATION CONTACT: The public is encouraged to contact the Board official listed for the particular agenda item. SUPPLEMENTARY INFORMATION: In accordance with the Regulatory Flexibility Act, 5 U.S.C. 602, executive agencies are required to publish in the **Federal Register** a regulatory flexibility agenda in April and October of each year. Such regulatory flexibility agenda must include rules that the agency expects to propose or promulgate that are likely to have a significant economic impact on a substantial number of small entities. The Board has determined, under the Regulatory Flexibility Act, that the regulations under consideration will not have a significant economic impact on a substantial number of small entities. Moreover, as a result, no regulatory flexibility analysis is required pursuant to the Regulatory Flexibility

Act. Furthermore, the regulations being considered by the Board are not “significant regulatory actions” within the meaning of Executive Order 12866 entitled “Regulatory Planning and Review” and, therefore, no Regulatory Plan is required.

Dated: April 24, 2013.
