13 CFR Ch. I

Semiannual Regulatory Agenda

AGENCY: U.S. Small Business Administration (SBA).

ACTION: Semiannual Regulatory Agenda.

SUMMARY: This Regulatory Agenda is a semiannual summary of all current and projected rulemakings, existing regulations, and completed actions of the Small Business Administration (SBA). For this fall edition of the SBA's Regulatory Agenda, a Regulatory Plan that contains a list of the Agency's most important and significant regulatory actions and a Statement of Regulatory Priorities is also included. This plan appears in both the online Unified Agenda and in part II of the Federal Register editions that includes the abbreviated Unified Agenda.

This agenda provides the public with information about SBA's regulatory activity. SBA invites the public to submit comments on any aspect of this Agenda. SBA expects that providing early information about pending regulatory activities would encourage more effective public participation in this process.

FOR FURTHER INFORMATION CONTACT:

General: Please direct general comments or inquiries to Imelda A. Kish, Law Librarian, U.S. Small Business Administration, 409 Third Street SW, Washington, DC 20416, (202) 205-6849, imelda.kish@sba.gov.

Specific: Please direct specific comments and inquiries on individual regulatory activities identified in this agenda to the individual listed in the summary of the regulation as the point of contact for that regulation.

SUPPLEMENTARY INFORMATION:

SBA provides this notice under the requirements of the Regulatory Flexibility Act, 5 U.S.C. sections 601 to 612 and Executive Order 12866, "Regulatory Planning and Review," which require each agency to publish a semiannual agenda of regulations. The Regulatory Agenda is a summary of all current and projected rulemakings during the coming one-year period, as well as actions completed since the publication of the last Regulatory Agenda for the Agency.

Beginning with the fall 2007 edition, the Internet became the basic means for disseminating the Unified Agenda. The complete Unified Agenda will be available online at www.reginfo.gov in a format that greatly enhances a user's ability to obtain information about the rules in the agency's Agenda.

The Regulatory Flexibility Act (RFA) also requires Federal agencies to publish their regulatory flexibility agendas in the **Federal Register**. A regulatory flexibility agenda contains only those rules listed in the semi-annual agenda that are likely to have a significant economic impact on a substantial number of small entities, and those rules identified for periodic review in keeping with the requirements of section 610 of the RFA. This regulatory flexibility agenda may be combined with any other agenda. Therefore, SBA's Fall 2013 Regulatory Agenda includes, as a subset, those regulatory actions that are in the SBA's regulatory flexibility agenda. Printing of these entries is limited to fields that contain information required by the RFA requirements. Additional information on these entries is available in the Unified Agenda published on the Internet.
