

FARM CREDIT ADMINISTRATION

12 CFR Chapter VI

Unified Agenda of Federal Regulatory and Deregulatory Actions.

AGENCY: Farm Credit Administration.

ACTION: Fall 2019 Update of the Unified Agenda of Federal Regulatory and Deregulatory Actions.

SUMMARY: The Farm Credit Administration (FCA) sets forth the following updated agenda of regulations that are or will be under development in the next twelve to twenty-four months. FCA's regulatory plan will be included in the entire Unified Agenda published on the Internet, which will be available online at www.reginfo.gov.

FOR FURTHER INFORMATION CONTACT: Antonya Brown, Office of General Counsel, Farm Credit Administration, 1501 Farm Credit Drive, McLean, Virginia 22102, (703) 883-4020, TTY (703) 883-4056, email: browna@fca.gov.

SUPPLEMENTARY INFORMATION: FCA is an independent regulatory agency of the Executive Branch and, due to its status as an independent regulatory agency; FCA is not required to list the Executive Order 13771 regulatory or deregulatory actions and their related costs within the Unified Agenda (Agenda). In addition, FCA has no entries in the Agenda identified as requiring a Regulatory Flexibility Act (RFA) analysis under 5 U.S.C. 601 et seq. so this preamble will not appear in the **Federal Register**. FCA's printed agenda entries are not subject to the RFA requirement for publication in the **Federal Register** because no planned rulemaking action in FCA's regulatory agenda will have a significant economic impact on a substantial number of small entities, as that term is defined in the RFA. FCA is also exempt from those provisions of Executive Order 12866 inapplicable to independent federal regulatory agencies. While FCA is exempt from certain provisions of Executive Order 12866, it still participates in the Internet dissemination of the Unified Agenda to further the public interest in its planned rulemaking activities.

Date: July 29, 2019.

Name: Dale L. Aultman,

Secretary, Farm Credit Administration Board.
