SUPPLEMENTARY INFORMATION:

The Regulatory Flexibility Act (RFA) requires SBA to publish in the *Federal Register* a semiannual regulatory flexibility agenda describing those Agency rules that are likely to have a significant economic impact on a substantial number of small entities (5 U.S.C. 602). The summary information published in the *Federal Register* is limited to those rules. Additional information regarding all of the rulemakings SBA expects to consider in the next 12 months is included in the Federal Government's unified Regulatory

Agenda, which will be available online at www.reginfo.gov in a format that offers users enhanced ability to obtain information about SBA's rules.

SBA is fully committed to implementing the Administration's regulatory reform policies, as established by Executive Order 13771, Reducing Regulation and Controlling Regulatory Costs (January 30, 2017) and Executive Order 13777, Enforcing the Regulatory Reform Agenda (February 24, 2017). In order to fully implement the goal of these executive orders, SBA seeks feedback from the public in identifying any SBA regulations affected parties believe impose unnecessary burdens or costs that exceed their benefits; eliminate jobs or inhibit job creation; or are ineffective or outdated.
