Fall 2024 Semiannual Agenda of Regulations

AGENCY: Office of the Secretary, Commerce

ACTION: Semiannual regulatory agenda.

SUMMARY: In compliance with Executive Order 12866, entitled “Regulatory Planning and Review,” and the Regulatory Flexibility Act, as amended, the Department of Commerce (Commerce), in the spring and fall of each year, publishes in the **Federal Register** an agenda of regulations under development or review over the next 12 months. Rulemaking actions are grouped according to pre-rulemaking, proposed rules, final rules, long-term actions, and rulemaking actions completed since the publication of the spring 2024 Unified Agenda.

The purpose of the Agenda is to provide information to the public on regulations that are currently under review, being proposed, or recently issued by Commerce. It is expected that this information will enable the public to participate more effectively in Commerce’s regulatory process.

Commerce’s fall 2024 Unified Agenda includes regulatory activities that are expected to be conducted during the period November 1, 2024, through October 31, 2025.

FOR FURTHER INFORMATION CONTACT:

Specific: For additional information about specific regulatory actions listed in the agenda, contact the individual identified as the contact person.

General: Comments or inquiries of a general nature about the agenda should be directed to Candida Harty, Chief Counsel for Regulation, Office of the Assistant General Counsel for Legislation and Regulation, U.S. Department of Commerce, Washington, DC 20230, telephone: 202-482-3410.

SUPPLEMENTARY INFORMATION: Commerce hereby publishes its fall 2024 Unified Agenda of Federal Regulatory and Deregulatory Actions pursuant to Executive Order 12866 and the Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.* Executive Order 12866 requires agencies to publish an agenda of those regulations that are under consideration. By memorandum of August 27, 2024, the Office of Management and Budget issued guidelines and procedures for the preparation and publication of the fall 2024 Unified Agenda. The Regulatory Flexibility Act requires agencies to publish, in the spring and fall of each year, a regulatory flexibility agenda that contains a brief description of the subject of any rule likely to have a significant economic impact on a substantial number of small entities.

The Internet is the basic means for disseminating the Unified Agenda. The complete Unified Agenda is available online at www.reginfo.gov, in a format that offers users a greatly enhanced ability to obtain information from the Agenda database.

A list of Commerce's most important significant regulatory and deregulatory actions and a Statement of Regulatory Priorities are included only in the fall editions of the Unified Agendas and, thus, do not appear in the fall 2024 Unified Agenda. Because publication in the **Federal Register** is mandated for the regulatory flexibility agendas required by the Regulatory Flexibility Act, Commerce's printed agenda entries include only:

(1) Rules that are in the Agency's regulatory flexibility agenda, in accordance with the Regulatory Flexibility Act, because they are likely to have a significant economic impact on a substantial number of small entities; and

(2) Rules that the Agency has identified for periodic review under section 610 of the Regulatory Flexibility Act.

Printing of these entries is limited to fields that contain information required by the Regulatory Flexibility Act's Agenda requirements. Additional information on these entries is available in the Unified Agenda published on the Internet. In addition, for fall editions of the Agenda, Commerce's entire Regulatory Plan will continue to be printed in the **Federal Register**.

Within Commerce, the Office of the Secretary and various operating units may issue regulations. Among these operating units, the National Oceanic and Atmospheric Administration (NOAA), the Bureau

of Industry and Security, and the Patent and Trademark Office issue the greatest share of Commerce's regulations. In addition to regulations promulgated by NOAA, BIS, and PTO, this issue also includes regulations to be promulgated by, or that have been published and completed since the Fall 2023 Unified Agenda by, the International Trade Administration (ITA), the U.S. Census Bureau (CENSUS), the National Institute of Standards and Technology (NIST), the National Telecommunications and Information Administration (NTIA), the U.S. Economic Development Administration (EDA), and the Office of the Secretary (OS).

Commerce's fall 2024 Unified Agenda follows.
