Semiannual Regulatory Agenda

AGENCY: Office of the Secretary, Interior.

ACTION: Semiannual regulatory agenda.

SUMMARY: This notice provides the Department of the Interior's (Department) semiannual Unified Agenda of Federal Regulatory and Deregulatory Actions (Agenda) for the period from December 2024 through November 2025. The Regulatory Flexibility Act and Executive Order 12866 require publication of the Agenda.

ADDRESSES: Unless otherwise indicated, all agency contacts are located at the Department of the Interior, 1849 C Street NW, Washington, DC 20240.

FOR FURTHER INFORMATION CONTACT: Please direct all comments and inquiries about these rules to the appropriate agency contact. Please direct general comments relating to the Agenda to the Office of the Executive Secretariat and Regulatory Affairs, Department of the Interior, at the address above or at (202) 513-0357.

SUPPLEMENTARY INFORMATION: Consistent with Executive Order 12866, the Agenda includes rules that the Department issued since the spring 2024 semiannual Agenda and expects to issue

between December 2024 and November 2025. The Agenda also includes a list of currently effective rules scheduled for review during that period.

Simultaneously, the Department meets the requirement of the Regulatory Flexibility Act (5 U.S.C. 601 et seq.) to publish an Agenda in April and October of each year identifying rules that will have significant economic effects on a substantial number of small entities. The Department specifically has identified such rules in the Agenda. The complete Agenda will be published at www.reginfo.gov, in a format that offers users enhanced ability to obtain information from the Agenda database. Agenda information is also available at www.regulations.gov, the government-wide website for submission of comments on proposed regulations.

In some cases, the Department has withdrawn rules that were placed on previous Agendas for which there has been no publication activity or for which a proposed or interim rule was published. There is no legal significance to the omission of an item from this Agenda. Withdrawal of a rule does not necessarily mean that the Department will not proceed with the rulemaking. Withdrawal allows the Department to assess the action further and determine whether rulemaking is appropriate. Following such an assessment, the Department may determine that certain rules listed as withdrawn under this Agenda are appropriate for promulgation.
