Improving Government Regulations; Unified Agenda of Federal Regulatory and Deregulatory Actions

AGENCY: Department of War (DoW).

ACTION: Regulatory Agenda.

SUMMARY: This agenda announces the regulatory and deregulatory actions the DoW plans to take in the next 12 months and those regulatory and deregulatory actions completed since the publication of the Spring 2025 Unified Agenda. It was developed under the guidelines of Executive Order 12866, "Regulatory Planning and Review," and Executive Order 13563, "Improving Regulation and Regulatory Review." This agenda includes actions that support the Administration's priorities; the Secretary of Defense's top priorities to revive the warrior ethos, rebuild our military, and reestablish deterrence. Members of the public may submit comments on individual proposed and interim final rulemakings at www.regulations.gov during the comment period that follows publication in the **Federal Register**.

This agenda updates the report published on September 22, 2025, and includes regulations expected to be issued or under review by DoW over the next 12 months. The complete Unified Agenda will be available online at www.reginfo.gov.

In accordance with the Regulatory Flexibility Act (5 U.S.C. 602), which requires agencies to publish their regulatory flexibility agendas in the **Federal Register**, the DoW's printed agenda entries in the **Federal Register** include only:

(1) Rules that are in the Agency's regulatory flexibility agenda, in accordance with the Regulatory Flexibility Act, because they are likely to have a significant economic impact on a substantial number of small entities; and

(2) Any rules that the Agency has identified for periodic review under the Regulatory Flexibility Act (5 U.S.C. 610).

Although printing of these entries is limited to fields that contain information required by the Regulatory Flexibility Act's agenda requirements, additional information on these entries is in the Unified Agenda available online.

This agenda also identifies rules impacted by the:

- a. Regulatory Flexibility Act.
- b. Paperwork Reduction Act of 1995.
- c. Unfunded Mandates Reform Act of 1995.

Generally, rules discussed in this agenda will contain five sections: (1) Pre-rule stage; (2) proposed rule stage; (3) final rule stage; (4) completed actions; and (5) long-term actions. Where certain actions indicate that small entities are affected, the effect on these entities may not necessarily have significant economic impact on a substantial number of these entities as defined in the Regulatory Flexibility Act (5 U.S.C. 601(6)).

The publishing of this agenda does not waive the applicability of the military affairs exemption in section 553 of title 5 U.S.C. and section 3 of Executive Order 12866.

Robert G. Salesses,

Director of Administration and Management,
