2026 Regulatory Plan and Unified Agenda of Federal Regulatory and Deregulatory Actions

AGENCY: Department of Energy.

ACTION: 2026 regulatory agenda.

SUMMARY: The Department of Energy (DOE) has prepared and is making available its portion of the 2026 Unified Agenda of Federal Regulatory and Deregulatory Actions (Agenda) pursuant to Executive Order 12866, “Regulatory Planning and Review,” and the Regulatory Flexibility Act. DOE has also prepared this update following the direction provided in EO 14192, “Unleashing Prosperity Through Deregulation”.

SUPPLEMENTARY INFORMATION: The Agenda is a government-wide compilation of upcoming and ongoing regulatory activity, including a brief description of each rulemaking and a timetable for action. The Agenda also includes a list of regulatory actions completed since publication of the last Agenda. The Department of Energy’s portion of the Agenda includes regulatory actions called for by the Energy Policy and Conservation Act, as amended, and programmatic needs of DOE offices.

The Internet is the basic means for disseminating the Agenda and providing users the ability to obtain information from the Agenda database. DOE’s Spring 2025 Agenda can be accessed online by going to www.reginfo.gov.

Publication in the **Federal Register** is mandated by the Regulatory Flexibility Act (5 U.S.C. 602) only for Agenda entries that require either a regulatory flexibility analysis or periodic review under section 610 of that Act.
