12 CFR Chapter III

2026 Unified Agenda of Regulations

AGENCY: Federal Deposit Insurance Corporation.

ACTION: 2026 Unified regulatory agenda.

SUMMARY: The Federal Deposit Insurance Corporation (FDIC) is hereby publishing items for the 2026 Unified Agenda of Federal Regulatory and Deregulatory Actions. The agenda contains information about FDIC's current and projected rulemakings, existing regulations under review, and completed rulemakings.

FOR FURTHER INFORMATION CONTACT: Jennifer M. Jones, Deputy Executive Secretary, Federal Deposit Insurance Corporation, 550 17th Street NW, Washington, DC 20429.

SUPPLEMENTARY INFORMATION: Each year, the FDIC publishes an agenda of regulations to inform the public of its regulatory actions and to enhance public participation in the rulemaking process. Publication of the agenda is in accordance with the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*). The FDIC amends its regulations under the general rulemaking authority prescribed in section 9 of the Federal Deposit Insurance Act (12 U.S.C. 1819) and under specific authority granted by the Act and other statutes. The complete Unified Agenda will be available to the public at the following web site: *www.reginfo.gov*.

Entries in the agenda appear in one of five categories: (1) prerule stage, (2) proposed rule stage, (3) final rule stage, (4) long-term actions, and (5) completed or withdrawn actions. Generally, the timetable reflecting when the FDIC anticipates taking future action on an item is an estimate only and is subject to change. Also, where the FDIC notes that an item is transitioning from the proposed rule stage to the final rule stage, the FDIC is only reporting the item’s progress through the regulatory process. The item report does not dictate what a final rule will provide or how it might compare to the proposed version of the rule.
