Regulatory Agenda

AGENCY: Office of Government Ethics.

ACTION: Regulatory agenda.

SUMMARY: The following describes all U.S. Office of Government Ethics (OGE) actions (regulatory and deregulatory) under development or review during the 12 months following publication. This agenda fulfills OGE's responsibility to publish a regulatory agenda in accordance with Executive Order 12866, Regulatory Planning and Review, and has been prepared in accordance with guidance received from the Office of Management and Budget and the Regulatory Information Service Center at the General Services Administration. In accordance with that guidance, OGE's agenda is now being published on the www.reginfo.gov website. See also the www.regulations.gov governmentwide website, which includes information about OGE's regulatory and other issuances published for the past few years in the **Federal Register**.

None of the OGE regulations in this agenda will have a significant economic impact on a substantial number of small entities as defined under the regulatory Flexibility Act, 5 U.S.C. chapter 6. In addition, none of the listed OGE regulatory actions are procurement related. This regulatory agenda does not impose a binding obligation on OGE with respect to any particular item listed. The dates shown for the future steps of each action are estimates and not commitments to act by the date shown. Moreover, other OGE regulatory actions, in addition to the entries listed, are not precluded.
